Wednesday, July 21, 1915.

REUNIONS BRING OUT ENTHUSIASTIC GROUPS
Continued from page 1

groups of twelve was gathering at the west flagstaff. On the senior benches, thirty Mansfield Normal graduates met with Prof. W. D. Crockett, of the Penn State faculty, formerly an instructor at Mansfield. Bucknell University was represented by twelve grads. in charge of Miss Joe Brown at the Botany building.

Bloomsburg Normal had thirty-five in her reunion back of the auditorium. A permanent organization was made with James F. Gearhart, president; Kimber Hartman, vice-president and Miss Edith G. Cole, secretary. A picnic was arranged. Allegheny county had twenty-five present, and Lycoming county twenty-three.

Clarion Normal was represented by twenty graduates, all in charge of J. Finley Wyant, of Kittanning. Edinboro Normal met in front of the Woman's building, with Fay Daley, of Grand Valley, Warren county, acting as chairman.

Other delegations were: Bedford, Blair, Luzerne, New Castle, Lawrence, York and Westmoreland counties, Stroudsburg and California Normals, and Grove City college.

CONVICTS STUDY FARMING BY MAIL WITH COLLEGE

Forty prisoners in the Eastern penitentiary are studying agriculture by correspondence with the Pennsylvania State College.

Courses covering virtually the entire field of agriculture have been chosen by the students who were permitted to select their subjects. While most men showed particular interest in one or two specialized courses as poultry raising and fruit growing, a few sought a wide range of instruction. One applicant, who said he was a salesman 44 years old, asked for all of the 36 courses offered.

No textbooks are needed by the students. Complete lessons, popularized by experts at the college are sent to the prisoners, with a set of questions and answers. Warden McKenty handles the mail, distributes the lessons, collects the answers, which he forwards to the college, and hands to the prisoners again after being corrected. New lessons are sent only after satisfactory answers have been given.

Professor Mairs plans to extend the work into other institutions if this experiment is successful.

PENNA. SCHOOLS LEAD IN NUMBERS AT STATE COLLEGE

Statistics of the freshman class at the Pennsylvania State College, indicate that of the 645 new students 522 of them were wholly prepared in public schools, 99 in private schools, and 44 were partly prepared in private schools. The members of the class were prepared for college in 354 different schools, of which 294 are in Pennsylvania.

The following 29 schools were leaders in feeding the State institution with freshmen:

Wilkes-Barre High School	17
W. Phila. High School for Boys	16
Northeast High School of Phila.	15
Central High School, Harrisburg	13
Bellefonte High School	12
Altoona High School	11
Central High School of Phila.	11
State College High School	11
Central High School, Pittsburgh	10
Greensburg High School	9
Allegheny High School	8
Chambersburg High School	8
Harrisburg Tech. High School	8
Williamsport High School	8
Boys' High School of Reading	7
Johnstown High School	7
Perkiomen Seminary	6
Dubois High School	6
Franklin and Marshall Academy	6
Indiana State Normal School	6
Slatington High School	6
Bloomsb'g State Normal School	5
Erie High School	5
Kingston High School	5
Lebanon High School	5
Mercersburg Academy	5
Pottstown High School	5
Uniontown High School	5
Washington (Pa.) High School	5

Twenty-nine different schools prepared 240 freshmen, and 202 schools have but a single representative.

PENN STATE GIRLS TELL OF HIGHER EDUCATION COSTS

It isn't the cost of clothing, candy, cookies and cider that makes it expensive to give a girl four years of higher education at the Pennsylvania State College. It is extra laboratory fees, class dues, text book costs, and expenses for all sorts of college publications and photographs that a girl must buy to keep up her end. This information came to light after an investigation of the co-eds' expense accounts, religiously kept during their college years.

In their class in household finance, the students are required to tabulate their expenditures, thus acquiring the habit they follow for the rest of the course. When the

books were handed in and examined today it was found that there is a constantly increasing cost from the freshman to senior years. Aside from the cost of living and clothing, extra fees take most money during the first three years.

The following statistics were obtained:

Lowest amount spent during freshman year by any one girl, \$275.00.

Highest amount spent during freshman year by any one girl, \$400.00.

Lowest amount spent during sophomore year by any one girl, \$325.00.

Highest amount spent during sophomore year by any one girl, \$475.00.

Lowest amount spent during junior year by any one girl, \$350.00.

Highest amount spent during junior year by any one girl, \$400.00.

Amateurs to Present Playlets

The annual performance of amateur theatricals by summer session students will be given next Friday night in the auditorium. Professor W. S. Dye, Mr. Arthur Deering and Miss Mary C. McMenammin will present "The Workhouse Ward," as a curtain raiser. Following this, Mr. Deering's class will present the playlet, "Carrots". Between the performances a fancy dance will be exhibited.

Mail Schedule

The post office at State College is open from 7:00 a. m. till 7:30 p. m. Money order and postal savings window open from 7:00 a. m. till 6:00 p. m. Please do not ask to have money orders issued or paid after 6:00 p. m. Letters will be registered or parcels insured while the office is open. Mails are received and closed as follows:

Closed	Received
