WEST YIRGINIA WESLEYAN PUTS UP STUBBORN FIGHT BUT STATE WINS AGAIN

Orange and Black Team Proves Tough Proposition But State's Powerful Attack is Irresistible—Forward Pass Proves Effective Ground Gainer.

What night be termed as the last of the preliminary games of the season, was played last Saturday on New Beaver field, when State defeated West Virginia Wesleyan 39-0. As a result, the victorious march of Captain Clark's team is still unhindered. The Wesleyan team was by no means a weak one. While the score is somewhat one-sided, the West Virginia team put up a determined resistance throughout and it was only due to State's powerful attack that they were enabled to score as many points as they did.

The vistors were practically a vereian team, together with several new stars. Beck, Miller and Morrison were stars last year, while a new man of note was Calac, the former Carlisle Indian player who was at one time mentioned for All-American honors Beck and Fisher were the chief ground gamers for the Orange and Black, while Calac lived up to his reputation by playing one of the best defensive games seen here this year. He was in the midst of every play that came through the line. On the offensive, he did the punting and his kicks averaged 40 yards.
