

FRESHMEN SHOW FIERCE ATTACK IN "SEM" GAME

New "Wildcats" Roll Up 46-0 Score Against Wyoming

MILLER RUNS TEAM WELL

The Freshman football team played their first regularly scheduled game of the season on New Haven field last Saturday and completely overpowered Wyoming Seminary 46-0.

The Freshman team showed the same dash and light that characterized last year's squad and it looks as if Coach Miller is due to produce another first year winner.

Smolinski, the Freshmen right end, sprang into the linchpin at the beginning of the second half when he caught the kick off and ran eighty-five yards for a touchdown.

After receiving the kickoff Wyoming made first down on two line plays and a long forward pass which brought the ball to the Freshman 25 yard line.

Miller set the "fresh" offense into motion by catching the Wyoming forward pass and running back the ball 15 yards.

Wolfe wanted Wyoming to punt but to gain pointed back to Freshman on their 35 yard line.

Miller kicked three of the goals and Smolinski XI scores.

The second half found many substitutions in the Freshman line up. At the kick off, Smolinski caught the ball on the 15 yard line and ran 53 yards for a touchdown.

During the second half the Freshmen were directed by Hibsh who took over Miller's place at quarterback.

The Wyoming team staged a "comeback" in the fourth quarter and scored two first downs in succession.

Mr. Stavely speaks at Electrical Society Meeting

The first meeting of the Electrical Engineering Society was held Tuesday night in the Engineering Club Room and was addressed by Mr. Stavely.

Mr. Stavely spoke at the meeting of the Electrical Society at Columbia University.

DEAN BAILEY TALKS TO "AGS"

Noted Botanist And Horticulturist Explains True Meaning of Universal Service

"Universal Service" was the topic chosen by Dr. L. H. Bailey, former director of the New York State College of Agriculture at Cornell University,

when he spoke to the members of Agricultural Society and their guests in the auditorium last Tuesday night.

Dr. Bailey pointed out the fact that the cause of most of the trouble in the world is selfishness and the desire for individual gain.

The controlling movement in the future must be cooperation; and while individualism is possible with cooperation, selfishness must go, said Doctor Bailey.

This month the inauguration of new presidents was celebrated at Dartmouth College.

for severe losses. Miller blocked Clark's kick and Penn recovered the ball deep in State's territory.

Penn was thrown for two losses totaling 17 yards, and Berry's punt was blocked and snatched by State in mid-field.

BECK TO 13 YARD LINE.

State gained three thru the line and a forward to Higgins placed the pigskin on Penn's 13 yard line.

In the second half Penn strengthened considerably and played more aggressively.

Clark kicked off to Penn's 17 yard line, but in three plays Berry and Williams returned the ball to State's 20 yard line.

Clark made three yards and then punted to Penn's 25 yard line.

running of the team. It had directed the team to play at Penn's weaker line, until substantial gains were made in the first couple downs and then to try other tactics.

It may not go amiss to mention here that six of the seven men for whom substitutions were made were removed from Saturday's game because their injuries absolutely prevented them from continuing.

SHAKE UP AT ONCE

"There is going to be a shake up right away. I am only too glad that those faults have been shown up so early in the season, and I will get after a remedy at once."

"One thing more—I think that due to the big scores and play against inter-collegiate teams earlier in the season had made the student body very much over confident, and it spread too deeply into the team."
