SENIORS PICK COMMITTEES

Representatives Elected to Debating and Class Sports Councils

The business transacted at the senior class meeting last Wednesday night was devoted entirely to the appointment of committees and the election of representatives to the debating and interclass sports councils. Robinson, president of the Athletic Association, presided at the seniors for better spirit of the school and to the fact that they get behind the mass meetings and other activities. Although the seniors were not accused of being in this respect, Robinson felt that if they looked the matter the other classes would follow.

The senior dance committee reported in regard to the first dance on November fourth. It stated their plans for the coming winter. A report was also heard from the Pennsylvania Day dance committee who asked that names be submitted for the catering at this dance.

The following men were appointed to membership committees: Kelly, Chairman, Hall and Clarkson. The committee for the monthly dance was also announced. This committee is as follows: Fair, Chairman, Gray, Bradburn, Fetter and Mullen. The other committee selected was the Pennsylvania Day dance committee with the following members: Dexter, McDonald, J. P. McCulloch and Kelly as associates.

MORE MEN WANTED IN THE BEGINNERS' BOXING CLASS

The class in elementary boxing that will be conducted through the fall and winter by Assistant Physical Director Kennedy in the gym, got off to a fairly good start last week and a number of beginners desiring instruction in that "manly art of self defense" were on hand for the first degree. However, Dr. Kennedy was disappointed in the fact that a large number of men did not report. The class, however, will be at any time for those who wish to take advantage of the instruction.

The class opened on Wednesday night at 7 o'clock, and in addition to this night, Friday at the same hour has been set aside for the benefit of the class. Dr. Kennedy is personally in charge of the work, and is being ably assisted by L. A. Steele, '17, prominent in interclass boxing. The work of the class is of special value to all students who know absolutely nothing about the first principles of boxing, for the work is purely elementary at the start. All comers will be given the preliminary work, but it is requested that the class be filled up as soon as possible in order that all might proceed on an equal basis. The work last week consisted only in demonstrating the chief blows, how to deliver and block them.

Freshman Team Tuned Up For Fray With Quakers

(Continued from Page 1) The backfield however presents a different problem. Several of the men are not in proper condition to play as yet, with the result that the half back positions may be changed at a moment's notice. Miller will in all probability start the game at quarter, while Wolf is expected to hold down the fullback position. The linemen will be selected from among Emery, Anderson, Ochsenschlaeger and McKelvey, the ultimate choice resting largely on the condition of the men at the time of the game. The following list gives the probable lineup of the two teams:

INSTRUCTORS RESIGN.

Two instructors in the school of engineering recently tendered their resignations to the board of trustees. They are E. A. Burr, instructor in steam engineering, and H. J. Hartranft, instructor in mechanical engineering. They will both take an outside work.

COLLECIAN ELECTS REPORTERS.

At a recent meeting of the Collegian Board, A. R. Lumbach, '16 was elected as a reporter. The other Sophomore reporters on the staff who were elected last June, are S. S. Fust, O. P. Judd, A. J. Porter, G. W. Sullivan and R. F. Whiting. Three of these men will be elected associate editors in a few months.

BLOOMSBURG OUTCLASSED BY FRESHMEN

(Continued from Page 1) On receiving the ball from the kickoff, the Freshmen succeeded in forcing it back to their 40 yard line before the quarter ended. After 18 yards had been gained by a series of passes, the ball was lost by an intercepted forward pass on Bloomsburg's five yard line. The Normal men punted out of bounds on the 15 yard line. They again attempted a punt, which this time was successful, the ball going out of bounds on the 40 yard line. On a series of end runs and line plunges the Freshmen now proceeded to add another tally to their score, Bloomsburg finally going over the line for a touchdown. Wolfe kicked the goal. Score, Freshmen 37, Bloomsburg 0.

Bloomsburg kicked off again to the 5 yard line but this time the Freshmen succeeded in returning it only 10 yards. On being penalized five yards for offensive playing, the Freshmen punted to Bloomsburg's 45 yard line. At this juncture the quarter ended. On the next play Bloomsburg again fumbled and the Freshmen got the ball on the Normal school's 45 yard line. Wolfe went through the line for 4 yards and Miller followed up with a brilliant run from the 40 yard line for the third touchdown. Score, Freshmen 20, Bloomsburg 0.

Miller boots field goal. On the kickoff Smozinski caught the ball on the 5 yard line and with fine interference and excellent dodging, returned it to the middle of the field. McKelvey advanced the ball 15 yards for the first down but on the next play the Freshmen lost it by a fumble. Bloomsburg then punted to State's 15 yard line. McKelvey returning the punt five yards. After gaining eight yards, Wolfe made a successful forward pass to Smozinski which netted 20 yards.

BAND TO GIVE BENEFIT CONCERT NEXT MONTH

On Thursday evening, November the sixteenth, the band will give a benefit concert to increase the funds in their treasury. Last year the financial department of the band was in such bad condition that if Mr. Thompson had not stepped into the breach the men who had played for four years would not have received the medals which it has been customary to give them. This concert is intended to raise funds so that the band may have enough in its treasury to meet any immediate demands which may arise. As the college takes great pride in the band and it is hoped that the concert will be well attended so that its end may be accomplished.

Miller lost three yards on an end run, but then dropped back and added three points to the Freshman score with a perfect placement kick from the 25 yard line. The half ended with the score 23 0 in favor of the Freshmen. At the opening of the second half Jones kicked off for Bloomsburg to the Freshmen's 15 yard line. Four plays advanced the ball to Bloomsburg's 40 yard line from which point Wolfe punted over the goal line. Play was resumed with the ball in Bloomsburg's possession on their 20 yard line. The Normal team again punted and the Freshmen were preparing to march down the field to the visitors' goal when Jones intercepted a forward pass on the 25 yard line. The Freshman team started to tear things up in earnest and after three plays, Emery went over for a touchdown. The goal kick was successful, making the score, Freshmen 30, Bloomsburg 0.

tee on arrangements for the contest have asked that the three extra numbers which Penn State will use be forwarded to them in order that work on the programs may be started. With regard to other musical matters it has been announced that the annual concert with Lucknell will be held this year at Lewisburg, as it was held in State College last year. The Sophomore Quartette sang in Wilkes-Barre last Friday evening and it has several more engagements in Lock Haven and other surrounding towns. An innovation which has been started this year along musical lines is a girls' chorus. The chorus will not make any outside trips but will render several concerts in the college during the year.
