GRAHAM & SONS On THE CORNER

YEARLINGS FALL TO ACADEMY TEAM

The Freshman five were handed a decisive defeat last Saturday by the Bellefonte Academy team in a game which was not only a success in the eyes of the men on the field but also in the eyes of the spectators and the officials. The victory was credited to them. The first game was decided off in the passing game and fumbled away many opportunities for scoring.

At two instances, however, the 1920 team appeared to have hit their stride when Mullen and Brown came across in a mappy fashion but the brace was only momentary. During the first half the game was marked by snappers than in the later period when the victors came away with the contest. Toward the close of the match Bellefonte attempted to stall and did so a good exhibition of passing but they also left many openings which the Freshmen took advantage of and used to pull up their total a trifle better than the leader's tally.

The Lochner brothers and Huntzinger carried the burden of the scoring for the Academy boys while Mullen and Muschiller produced for the 1920 aggregation. Brown deserves much credit for his guarding, and Kincaid who replaced Smozinski tipped a few nice baskets from the jump. The line up:

Bellefonte—11 Freshmen—35
 R. Lochner 1 F. Mullen
 Huntzinger P. Muschiller
 J. Lochner C. Smozinski
 Josephson G. Wolf
 Pollock G. Brown
 Substitutions—Freshmen Markle for Wolfe, Kincaid for Smozinski, Pollock for Stitzinger for Pollock, Licht Golsis R. Lochner 5, Huntzinger 9, J. Lochner 1, Mullen 4, Muschiller 2, Smozinski 2, Brown 1, Wolf 2, Pollock Josephson 1, Licht Golsis 1, Lechner 110 out of 16, Mullen 9 out of 17, Referee Taggart, Referee Time of halves, 20 minutes.

Russian Symphony Orchestra Coming

The concert to be given by the Russian Symphony Orchestra on Saturday afternoon, March 10 in the Auditorium will mark the close of the most successful and delightful musical season ever enjoyed at Penn State. The organization which will appear on this occasion is composed of thirty-five members under the leadership of Modest Altschuler said to be the foremost interpreter of Russian Symphony music in this country. Since his organization in 1903, this orchestra has devoted itself principally to the introduction of the works of Russian composers and it is due principally to its efforts that the Russian opera and ballet is so popular at the present time in America.

The Russian Orchestra was founded in New York in May 1901, by Jacob Altschuler, a brother of the present director. There were fifty players in the organization when it was founded.

After its first season the principal members of the orchestra were given in Carnegie Hall, the largest auditorium in New York City. The orchestra has, during its fourteen years of existence, introduced as soloists some of the most accomplished artists of this country including Mischa Elman, Josef Lanning, Sergel, Rachinoff and Kathleen Parlow.

The orchestra is practically a continuous organization, for as soon as the season is over in New York, summer tours are begun which keep the Orchestra intact throughout the year. Concerts are given each summer in Pittsburgh, Philadelphia, Cleveland, Cincinnati and all of the principal middle western and Pacific coast cities.

COLLEGES PLEDGE OVER A MILLION

The New York office of the International Committee of the Young Men's Christian Association has recently made public some interesting figures concerning the subscriptions received in the campaign for funds for European prison relief which is now being carried on among the different schools and colleges of the United States. The campaign at Penn State was held last November and as a result a total of \$3,550.18 was pledged by the students of the College. Of this amount \$2,807.75 has already been turned in.

The following list gives the subscriptions received from some of the other colleges and universities in the country:

University of Chicago	\$2,850.00
Cornell College, Iowa	2,165.00
Iowa State College	3,100.00
University of Minnesota	3,112.00
St. Dakota State Col	3,211.51
University of Texas	1,115.80
Yale University	5,550.75
Williams College	1,711.95
Dartmouth College	3,809.85
Columbia College	3,550.00
Ohio State University	4,200.00

An interesting feature of the campaign thus far has been the way in which a number of the preparatory schools have responded to the call for funds. Phillips Andover has given \$1,182, Phillips Exeter \$1,119, The Hill School, \$2,550; St. Paul's School \$5,250, St. Mark's School \$1,510.

The goal to be reached in the campaign has been set at \$25,000. Thus far considerably over a million dollars have been pledged by these colleges which have been visited by members of the International Committee. With the aid of these institutions not yet visited it is thought that the total amount sought can be made up without difficulty.

Princeton Matmen Coming

(Continued From First Page)

a victim of last year. In the recent Princeton-Cornell meet, Westan, the 125 pound intercollegiate champion, was forced to go a full nine minutes to secure a decision over Tom Brown in last year's meet with Princeton, three losses in 7 minutes and 51 seconds.

Princeton's representatives in the 115 and 155 pound classes are all new to the varsity team this year. The 115 pound class is being taken care of by M. L. Lakin, the 155 pound class by Oehler and the 175 pound class by Colin. Of these men Oehler wrestled on the varsity squad of last year.

In the 175 pound class the Orange and Black team plus its faith in "back" Winn and on Princeton's football team Winn is a new man on the varsity wrestling team this year but wrestled on the Freshman team last year.

The heavyweight class is being taken care of by Funk who is also a football man. Funk was captain of last year's freshmen wrestling team.

Tickets for the Princeton meet were placed on sale at Krumholz drug store last evening. The sale will continue up to the time of the meet on Thursday evening.

Navy Meet Here

The Navy meet at Annapolis on Saturday evening will in all probability present the severest test of strength yet known to the college boys here. In the seven classes, the Middlemen are represented by veterans each of whom is credited with a victory over his Penn State opponent of last season.

In the 115 pound class the Navy met was defeated by Grant, who scored a decision over Capt. in "Shouts" come last year. The 125 pound class is being cared for by Wyatt, captain of the Navy's knippers. The bout between Wyatt and Wyatt should bring out some exceptionally clever wrestling for the Navy captain was credited with a clean-cut fall over Mr. Brown in the 19th meet.

The representatives of Uncle Sam's army in the 115 pound, 115 pound and 175 pound classes are new men who have thus far in their meets shown up exceptionally well.

In the 175 pound class the Navy contestants are backing the prowess of the present champion, the present season makes Ward's fourth year on the Annapolis team. In the Navy-Penn State meet of last year Ward experienced little difficulty in throwing Pittsburgh's former champion in the new heavyweight division.

Michele who scored a fall in his match with Cornell last year, will again represent the Navy in the heavyweight class in a meet which was won by the Navy. Michele is 17 to 11.

The Navy matmen will also have a wrestling score of a 4-0 victory over the wrestler from the University of Pittsburgh.

SENIOR CANDIDATES FOR VALETTORIAN CHOSE

The following members of the Senior class have been selected by the faculty as candidates for the position of valedictorian of the class of 1917:

William Roy Dyer
 Henry William Hupp
 Joseph Bernard Kelly
 Howard Adams Johns
 Roy Samuel Dunlap

These men were selected in accordance with the faculty regulations affecting students. The article dealing with the selection of valedictorian reads as follows:

"From the fifteen per cent of the graduating class having, at the beginning of the second semester, Senior standing, the highest grades in all subjects of the five students having the highest grades in Rhetoric and Public Speaking are referred to the class who, not later than the first Saturday in March, select their valedictorian from this number."

DR. SPARKS IN BOSTON
 President Sparks will spend at the Boston Hospital to be held by the Penn State Alumni Club of Boston on Friday night.

SHORT COURSE CLOSURE
 The Winter Agriculture courses close today. Approximately 130 men and women attended the courses this year.

DANCE AND BANQUET
 The Forestry Society will hold a dance and a banquet sometime during March, the date to be announced later. The banquet will be in honor of the senior foresters who leave soon on their annual southern trip.

Washington Day Well Celebrated

Closing with an attractive array of facts and pictures on the only life of Penn State by Dr. B. W. Runkle, the entertainment program provided for the official observance of Washington's Birthday proved a great success in the Auditorium last Thursday evening. By the use of lantern slides, Dr. Runkle carried his large audience back to the very beginning of the college, the laying of the first stone in the foundation of Old Main in March 1857. Many facts that were brought out came as a surprise to most of the audience. Patriotic addresses on the life and ideals of Washington and well-remembered selections by the band, the girls' sextette and mandolin trio, and the Sophomore quartet, made up the balance of the program.

"Fidelity in God devotion to right and justice, and unselfish service are the ideals which our greatest hero, George Washington, implanted in our nation," said J. A. DeBerle '17 in his address on "The Genesis of a Nation." He then showed the practice of these ideals in later days in such instances as the Monroe Doctrine, the Civil and Spanish-American wars.

The remarkable similarity between the thoughts expressed in Washington's Farewell address and conditions of the present day, were pointed by L. A. Spencer in his readings from that address.

Dr. Dyer '17, showed that "Our Present Duty" is being nobly and determinedly to get for the state of Pennsylvania a realization of the great hope that had inspired the great patriot.

HAZLETON CLUB PLANS TO BOOST PENN STATE

A plan to boost Penn State and to give to the prospective college students and their parents in Hazleton and vicinity a true conception of conditions here, has been put into effect by the Hazleton Club. "Booster Books" and letters of explanation have been sent to all of the high schools in this neighborhood, and during the Easter vacation it is planned to show stereopticon slides and motion pictures of the College at various points throughout this district.

In connection with the movement to secure the increased appropriation from the State Legislature for Penn State, a petition to Senator DeWitt of the twentieth district was drawn up and signed by all the members of the club. A reply to this petition was recently received by the club, in which the senator pledged his most earnest support and cooperation in this matter.

MAJOLIN CLUB ON TRIP

Fourteen members of the Mandolin Club will be selected to accompany the Glee Club on the eastern trip of March 2. A feature of the Club's work on the trip will be a mandolin trio to three concerts.

Hard work has been the order of things during the last few weeks and the club has been making good headway. The greatest setback in the work is the lack of a permanent room in which to hold their meetings. The present membership of the club is twenty-six. Several new men were selected at the last trials but they have not been taken into the club as yet.

HORTS GETTING POINTERS FROM SUCCESSFUL GROWERS

Problems confronting the commercial orchardist were discussed by the Crabapple Club last Wednesday when F. W. Lewis, owner of a 150 acre orchard at Pittstown, addressed the club members. The speaker outlined a number of incidents and problems that have confronted him in his work and told how he solved them.

A similar meeting of the club was held last night, addressed by J. Henck of Wyndote, when "Greenhouse Gardening as a Business" was the subject for discussion. Next week Dr. M. West will speak to the club on "Commercial Apple Growing."

rather easy victory over Juniata and they forced Penn to the limit to defeat them. Anderson at forward is the star of the team both from the floor and from the foul line. At Penn, he outscored McNeel, the Red and Blue captain. The other members of the team are football men, Scott, Taylor and Weldon being particularly strong players.

Delaware College is a newcomer on a State schedule, and little is known about this team. The game will be played on Thursday night, at Newark, Delaware and while State should win, a good game will undoubtedly result, if reports concerning the Delaware boys are authentic.

The Swarthmore game will be played on Friday afternoon, and despite their defeat at the hands of Lafayette, the team will no doubt put up strong opposition to State's victorious progress. The team is composed of strong men who are remarkably good on long shots and who have had lots of experience. Delaware and Swarthmore are both heavy hitters. Lafayette is reported to have a wonderful team—in fact the best team they have had in years—so Captain Walton and his men will have their work cut out for them. As this will be Swarthmore's last game for State he can be depended upon to play at his best, which means quite a lot. Upon the results of this trip will depend whether State can claim the championship of Pennsylvania or not.

Select Intercollegiate Teams

(Continued From First Page)

In Cottam, State has an almost certain pointwinner. He ran on the Blue and White team two years ago in New York when they established a record in the 150 yard class. Enoch, Whiting and Kial complete the set.

For the middle, Coach Martin will put Shields, Postel, Shay and Ganzmuller against five of the best teams in the county. Pennsylvania, who won this class last year, is out for first honors again with the same team. "Big" Berry is Penn's big man.

The relay team which will run against Maryland State and the University of Virginia on the 2nd, will be chosen among Cottam, Enoch, Kial, Whiting and Postel. One of these men is expected but it is not certain as yet, which one. This is the first time that Penn State has entered the Southern class.

Coach Martin leaves with the relay team for Washington Thursday night, and the next evening he will journey to Philadelphia, arriving there in the forenoon on Saturday. Manager Hendricks, with the remainder of the sound leaves Friday noon for Philadelphia where they will meet Coach Martin and his crew.

DISCUSSION MEETINGS TO BE HELD SUNDAY NIGHTS

The discussion meetings on science and religion which are being conducted by Deans Holmes, will be held on Sunday nights in the future. These meetings were formerly scheduled for Thursday nights, but as this is somewhat inconvenient time, this change was made. Professor Crocker has finished his Sunday night readings and the meetings will start at nine o'clock and will be held in the old Chapel Building. The first evening meeting was held last Sunday and was very well attended.

SINGLE TAX SYSTEM IS EXPLAINED TO CLASSES

The students in the political science classes were addressed last Friday by Frank Stephens, of the college department of the Single Tax Service League. He emphasized the injustice of the present system of taxation and argued that the single tax would be not only a fair tax, but one that would be easily collected. He was particularly interested in the social results of such a mode of taxation, especially the more equal opportunity for all persons to benefit from renting rather than owning land. Mr. Stephens is a sculptor by-trade and makes his home in the single tax colony, at Aiden, Delaware.

WARDWELL HERE

A. H. Wardwell '16, leading twirler and captain of last year's baseball team spent the week-end here and talked over this season's prospects with Captain Martin.
