

WHO'S WHO IN THE FACULTY

IRVING LYSANDER FOSTER, B. A., M. A., Litt. D.

Irving Lysander Foster, head of the Department of Romance Languages...

He became Professor of Romance Languages in 1907. Professor Foster has published the following in association with F. D. Aldrich...

ENGINEERS TO HAVE BIG OPPORTUNITY IN ARMY

Many Positions Open for Lieutenants in the Corps of Engineers; Jobs To Be Permanent

During the past few days there have been many inquiries on the part of the engineering students of Penn State regarding the need of men in the engineering service of the Army...

Evangelist Returns

(Continued from First Page) The musical side of the work and in this connection he had charge of the largest choir ever organized which included 1000 voices...

SIRLOIN CLUB WILL HOLD MOCK SALE OF LIVESTOCK

The members of the Sirloin club are making arrangements for a mock sale of livestock which will be held on some afternoon in the near future...

ENGINEERING NEWS

The engineering inspection trip began March 28th and closed at noon, April 4th 130 seniors, divided according to their departments, spent a week in Harrisburg, York, Philadelphia, Trenton, Schenectady, and New York City.

Thespians Play a Success

(Continued from First Page) Promises were seen at the initial performance here just before the trip. The theme of the play, the costuming, the scenery and the music were entirely new and the experience had proved that in the minds of the students the performance had been well worth the effort.

Interclass Debate Will Be Held Soon

Plans are being made for the annual inter-class debate between the two lower classes which will be held sometime in the near future. The question which will be debated is "Resolved: That the United States should adopt a permanent system of compulsory universal military training."

TO SPEAK TO L. G.'S

Professor A. L. Kocher, of the Architectural Department, will speak on "Colonial Architecture in Pennsylvania" at the meeting of the Landscape Gardening Society tonight.

HANSEN RESIGNS

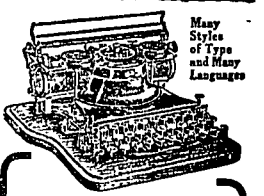

A. A. Hansen, Penn State '13, who for the past four years has been an instructor in botany, has tendered his resignation to take effect on May 1. He expects to undertake government work in the U. S. Bureau of Plant Industry.

Sooner or later the best people will surely discover, smoke and recommend the best cigarette. Murad holds First Place in Popularity and Sales, of all high-grade cigarettes in America.

ENGINEERING NEWS

The Civils went first to Altoona, then to Harrisburg, Philadelphia, Trenton, Schenectady, and New York City. They were permitted to visit Hell Gate Bridge of the P. R. R. Co., which has just been finished.

The Industrial Engineers visited Harrisburg, Trenton, York, Philadelphia, Trenton, Schenectady, and New York City.

After some delay, the work in erecting the cooling tower and large condensing apparatus is under way. This new equipment will save water, and will also permit of more extensive instruction in the steam laboratory.

Ground between the Engineering building and the Bellefonte Central Station is being excavated in order to increase the amount of coal that can be stored from 1,000 to 1,600 tons.

INTERCLASS DEBATE WILL BE HELD SOON

Plans are being made for the annual inter-class debate between the two lower classes which will be held sometime in the near future. The question which will be debated is "Resolved: That the United States should adopt a permanent system of compulsory universal military training."

TO SPEAK TO L. G.'S Professor A. L. Kocher, of the Architectural Department, will speak on "Colonial Architecture in Pennsylvania" at the meeting of the Landscape Gardening Society tonight.

HANSEN RESIGNS

A. A. Hansen, Penn State '13, who for the past four years has been an instructor in botany, has tendered his resignation to take effect on May 1.

While in college, "Al," as he is more familiarly known, was one of the stars of the varsity football team, playing at guard on the championship teams of 1911 and 1912.
