GRAHAM AND SONS On the Corner

MANY SCHOOL TEACHERS HAVE A BUSY TIME HERE
Conference Well Attended And Proves Successful At Every Stage

The annual High School Teachers' Conference closed successfully last Saturday afternoon after every representative, according to the sentiment expressed, had experienced two very profitable days. The conference was hindered somewhat by the present weather conditions, but nevertheless 103 teachers were registered for the meetings. This total was drawn mostly from the central part of the state.

The most important gatherings during the conference included the business meeting on Friday evening in the Liberal Arts Assembly Room, the address at 7:30 p. m. on the same evening, delivered by Doctor John P. Carter, of Philadelphia, and the general conference held Saturday morning when all the important problems brought to the attention of the body were discussed.

In his address on Friday evening, Doctor Carter dwelt chiefly on the changes in educational work that are taking place because of the war, and in general gave a very complete idea of what is going on in this line. His ideas were entirely new to many of the teachers from the smaller towns who benefited materially by the theories advanced.

At the business meeting on Friday, J. H. Ulmer, head of the Department of Science in the Williamsport High School, was elected president of the conference for the coming year. At the same time resolutions were passed thanking Penn State for the courtesy and consideration extended to the delegates. It was also decided to hold the next year's conference in State College.

SOPHOMORE CLASS NOMINATES OFFICERS

The Sophomore class carried through its nominations for president, secretary and treasurer at a meeting last Friday evening, in the Chemistry Annex. It was decided at this meeting to defer the nominations for Student Council until a later meeting in order that those men who were nominated for the executive offices and who will be unsuccessful may have a chance to compete for the two governing bodies.

On a recommendation from the floor it was decided to make it possible for those men leaving college before the election is held to cast their votes, and H. P. Webster and A. J. Porter were appointed as tellers.

The nominations for president were as follows:

H. W. Adam
George Smith
J. A. Turner
W. Robinson
Ralph Bunyon
G. Green
P. L. Koenig
B. C. Jones

For secretary the following were nominated: A. F. Woolf, W. G. Soley, J. Smith, G. W. Cupid, J. H. Lucas, D. A. Campbell, W. W. Patchell, J. A. Lashach, G. W. Eichelberger, S. B. Stauffer, J. Bell, W. H. Cramer, F. M. Webster, and E. H. Bair were chosen as the candidates for the position of treasurer.

NEW POSTOFFICE FOR STATE COLLEGE SOON

"Another bright star of hope has appeared in Penn State's sky," viz. the possibility of a new Postoffice in the near future. The cause of this optimism may be found in the fact that advertisements have been made for bids for the construction of the new Post Office, to be located at the south-east corner of Beaver Avenue and Allen Street. Plans for the new structure have not been received from Washington, but they are expected within a few days and details will then be available.

FRESHMAN TEAM WINS IN LONG, LOOSE GAME

In a rather loosely played game last Thursday afternoon, the Freshman nine whipped the Pittsburgh Scholastics to the tune of 15-12. The first year men were forced to use three pitchers, Fleming started the game but had to be replaced in the first inning by Gill, who did good work till the eighth inning when he also weakened and had to be replaced by Elliott. The latter did not make a good showing in the remainder of the eighth, but in the first inning he struck his three men out in rapid-fire order.

Both sides hit freely but the fact that the visitors' team did not support their hitters very well, was responsible for their defeat. Nathan distinguished himself with two three base hits and a home run, the latter being the only one of the entire game. An unusual play of the visitors, which puzzled the Freshmen at first, was their way of stealing second on the next pitched ball, after getting to first. The Freshmen garnered a total of fifteen hits. The Freshmen-Bellefonte game scheduled for here last Saturday was called off due to wet grounds.

The score:

Scholastics—1 1 0 0 2 1 0 5 0—12
Freshmen—1 3 2 1 3 0 3 0 X—15

Batteries—Wayne and Schalk, Fleming, Gill, Elliott and Brumbaugh

Baseball Trip
(Continued From First Page)

scoring, the final result being 3 to 5 in nines.

Penn State—1 0 0 0 1 1 0 1 1—5 11 4
Middlebury—0 1 1 0 0 0 4 X—6 7 2

Batteries—Penn State, Gramley, How and Hall Middlebury, Parker and Deufel

Howard on the Mount

Howard was in the box against the University of Vermont with the result that Penn State came out on top, 5 to 2. The shift mentioned above was tied out in this game, and proved to be a very good one. The whole State team batted opportunely, a three-bagger by Ewing and a double by Wheeling being the outstanding features.

The score by innings:

Penn State—0 0 0 3 0 0 0 2 0—5 6 1
Vermont—0 0 1 0 0 0 1 2 9 2

Batteries—Penn State, Howard and Wheeling, Vermont, Palmer and Hamilton

Errors Prove Fatal

Errors again proved too much for Gramley in the game with Tufts, so despite his excellent pitching, the game was lost 6 to 1. Six hits were all that the New Englanders could garner off the State twinner, but Ego had an off day at short stop while the rest of the State defense was far from air-tight. Grubb and Robinson led in batting with two singles each.

The score by innings:

Penn State—1 0 0 0 0 0 0 0—5 9 7
Tufts—3 0 1 0 0 1 0 X—6 5 3

Batteries—Penn State, Gramley and Wheeling, Tufts, Johnson and Keefe.

Howard scatters Hitts

Against Colby, with Howard on the mound, the whole State team seemed improved. The big right hander held the Maine collegians to three hits until the ninth, when they bunched a single and double for their third run. The final score was 6 to 3. Ego redeemed himself by putting up a fine game both in the field and at the bat. Big and Ewing also batted well.

The score by innings:

Penn State—0 0 0 4 0 0 0 1 1—6 8 1
Colby—1 1 0 0 0 0 0 0 1—3 5 8

Batteries—Penn State, Howard and Wheeling, Colby, Fagan and Driscoll.

Too Much Bolce

In the game against Boston College the whole State team appeared to lack the necessary punch, and while Davis pitched a fair game, his support could not manufacture any runs. State made but one hit up to the eighth inning, a single by Grubb. The final score was 6 to 2, a fast double play in the ninth inning stopping a promising State rally.

The score by innings:

Penn State—0 0 0 0 0 0 0 1 1—2 6 0
Boston Col—0 0 1 0 1 3 1 0 X—6 7 0

Batteries—Penn State, Davis, Gramley and Wheeling, Boston, Bolce and Die.

When the team reached Worcester, Mass. to play Holy Cross on Saturday, they found two inches of snow awaiting them, so the game was called off and the team left at once for home.

TENTH ANNIVERSARY OF HOME ECONOMIC FOUNDING

Thursday and Friday, May 17 and 18, will witness the tenth anniversary of the founding of the Department of Home Economics at Penn State. Extensive plans are being worked out for this occasion. Speakers will be here from the principal institutions in the East having Domestic Science courses on their curriculum. A centenary will be given under the direction of Miss Mary Dunham, who directed the staging of the "Piper", by the girls in the open air theatre on Friday evening. After this event an informal reception is planned for the Faculty, to be held in the Women's Building. Over twenty-five alumni are expected to return for this occasion, and special entertainments are planned for them. It is expected that the Annual Spring Exhibit of the work of the Home Economics will be ready for inspection at this time.

ELECTRICAL SOCIETY ELECTS NEW OFFICERS

The members of Eta Kappa Nu, the honorary electrical engineering fraternity, banqueted at the University Club last evening. Addresses were made by Professors Kinzie and Kammerman of the faculty of the Electrical Engineering School, and H. E. Coeklin, of Harrisburg, national president of Eta Kappa Nu.

At the last meeting of this fraternity, the following officers were elected: H. A. Billie, president, G. N. Schlenker, vice president, G. Applean, treasurer, R. V. Jones, corresponding secretary, and P. J. Dett, recording secretary.

LEVI LAMB RECEIVES A COMMISSION IN U. S. ARMY

Levi L. Lamb, of the class of 1916, and long to be remembered at Penn State for his football, wrestling and track ability, has been granted a commission as second lieutenant in the regular United States Army.

Levi, directly upon his graduation from Penn State, went to Boston where he taught school and acted as wrestling coach for the Boston Tech team. During the past year he has been engaged in educational work in Jamestown, N. D.

EXTRA COPIES OF "FROTH"

All those who were unable to obtain copies of the last edition of "Froth" will be allowed to have two copies of the coming issue which will be on sale Saturday, May 12. The scarcity of the past issue was due to the fact that the editors miscalculated the number of men who had left college ordered a somewhat smaller issue than usual.

I. P. A. ELECTIONS

The election of officers for the coming term of the Intercollegiate Athletic Association resulted in the choice of the following: I. A. Spencer '18, president, P. H. Sprinkle '17, vice president, C. C. Camp '19, secretary, H. E. Connelly, '19, treasurer, and C. W. Clapp '18, representative.

STENOGRAPHER & TYPEWRITER

Student Memorials on the Campus in relation to the Students—Student Self-Government—Home System—Freshman Advisor System in relation to College to State—Extension Activities Furthered—Summer Session for Teachers in regard to the College itself—Emphasis of Character on Education—Enlarged provision for that central and pivotal school in every college or university, the School of Liberal Arts.

As a final accomplishment, he also applied the principle of college unity against school autonomy.

The main thing of the "doings" for his reception in 1908 was a large parade, in which marched the cadet regiment and representatives of all the different societies. Each unit had a float carrying their work. The chemists had the usual chemistry building odor pervading the atmosphere immediately surrounding their float. A unique feature of the parade was the first car of the "Mot. Ans. Traction Company" then "building" between Bellefonte and State College.

TAU BETA PI BANQUETS AND ELECTS OFFICERS

The banquet of Tau Beta Pi fraternity was held on Friday evening in the University Club. All the members were present and the following were elected officers: J. H. Ulmer, president, C. A. Nicks, vice-president, A. H. Coon, treasurer, and S. M. Palm, secretary.

GUN CLUB CONTEST

Between three and five o'clock tomorrow afternoon, the State College Gun Club will conduct their annual amateur contest at their traps on the outside of the borough. All who have not shot at more than five hundred clay targets are eligible, and a prize of a silver watch fob is offered to the men, with a silver spoon for the women.

GLEE CLUB FLECTS

The Glee Club held the election of officers for the coming year last Wednesday evening. The new officers are as follows: J. H. Wilson, president, J. H. Monroe, librarian, J. A. Nielson, manager, W. A. Stetzing and E. W. Dorer, assistant managers, C. S. Stornitzel was chosen as leader for the Mandolin Club.

GARDENING ADVICE AVAILABLE

J. B. Schorer '14, who has been in charge of the instructional work in vegetable and landscape gardening at the New Hampshire State College since his graduation, has undertaken the extension work in vegetable gardening to be conducted by Penn State. His services are free to farmers and vegetable growers upon request.

INTERCLASS MEET POSTPONED

The Interclass Meet scheduled for last Saturday was postponed indefinitely on account of the rain. The Interclass meet next Saturday and the Pitt trip the following week preclude the possibility of holding it at those times. A time will be decided upon later for staging this event.

Quality Clothes

As sold at the Sim's Store's
A Policy worthy of consideration.

The Sim Shop at State College was opened September, 1912—twelve years after the founding of our Bellefonte store.

Our policy was to render the best possible service by securing and selling the very best clothes made in America—to sell them at a uniform price to one and all.

The Store has been successful in the service it has given. The clothes, we believe have been the best that could be secured. The one price to one and all has been steadfastly and firmly adhered to. We believe it to be the only one price clothing store in Centre County. Its worthy of thought and investigation to know your money will buy equally as much as some other places.

We are striving to please, to satisfy. Anything purchased here, found unsatisfactory, or that fails to give proper service may be returned and new goods or money will be refunded.

We want you to know this store as it is—dependable, reliable, one price to all.
