**The First Victory**  
In the first game with West Virginia, Howard yielded but six scattered hits, while his team-mates jumped on the softballs of Lettner and Gandy for ten solid drives netting them eight runs. The final score was 8 to 0. Penn State took the lead in the second inning by scoring two runs, and they gradually increased their total during the remaining rounds. West Virginia, on the other hand, could do nothing with Howard's delivery. The mountaineers also played a miserable game in the field while State fielded brilliantly.

At the second, accepted ten chances faultlessly and with Ego and Adam executed a lightning double play. The also came through with a timely two-bagger. Blythe all around playing was a feature of the game, the veteran told sacks diving out two hits and scoring three runs besides playing a fine fielding game. Diving led the team in hitting with three hits, one a triple, while Johnston also batted well. The score:

Penn State—0 2 1 0 3 0 2 0 0—8 10 2  
W. Virginia—0 0 0 1 0 1 0 0—2 6 6

Batted—Howard and Wheeling, Lettner, Gandy and King.

**West Virginia Wins Out**  
When West Virginia came to bat in the ninth inning of Thursday's game, Penn State was leading 2 to 0, but three runs in succession put every State's run to the score. Up to that point, Gandy had pitched remarkable ball, holding the heavy hitting mountaineers to two solid singles. It was a tough game for the young pitcher to lose, after it had so recently been won, the final score being 1 to 3.

State could not run in the tenth, but again West Virginia tied the score in the eleventh, they succeeded in filling the bases and then scored the winning run on a well executed squeeze play. Grubb and Lee led in the batting for Penn State. The score:

Penn State 0 0 0 0 2 0 0 0 1 0—3 10 0  
W. Virginia 0 0 0 0 0 0 2 1 1—4 10 1

Latted—Grumley and Wheeling, June and Hider.

**Knock Langdon Out**  
Johnston was in rare form against Pitt and held the Smoky City collegians to four hits, two of which happened to be of the home run variety. With the exception of those two runs, Pitt was unable to score, the final result being 1 to 2. Langdon, Pitt's star pitcher, who, it is reported, is going to sign a contract with the St. Louis National League team, proved to be easy for the Penn State sluggers, and he was forced to leave the box in the sixth inning.

**Thorpe Bats Well**  
Thorpe, playing in right field because Johnston was in the box, proved to be the man of the hour for the Blue and White. His double and triple were chiefly responsible for State's runs, and they came at the most opportune times. Robinson also joined the team at Pittsburgh and materially strengthened the infield. Hastings and Carlson were the Pitt stars, each hitting for the circuit. The line-up—

**Howard Again**  
After a three day rest, Howard was in fine form against Carnegie on Saturday and while the score of 8 to 0 would indicate that he was hit rather hard, such was not the case. Carnegie scored all their runs in the sixth inning, after the side should have been retired scoreless, errors by Grubb and Mingie being very costly.

While Howard was hit more often than usual, he kept the blows widely scattered and in no other inning but the sixth was he in trouble. The game was rather loosely played and errors were frequent. Carnegie offending most in this respect. Blythe and Ego gave Howard fine support in the field, while Blythe, Grubb and Dwight were the batting stars. Grubb had a triple and two doubles, Blythe a double and two singles and Dwight a double and a single. Howard also used his bat to advantage, hammering out two singles. The line-up—

**Prominent People Attend Celebration**  
The Home Economics Department observes Tenth Year of Founding

Many visitors and alumnae were here last week attending the celebration of the tenth anniversary of the founding of the Home Economics Department which held on Thursday and Friday a highly interesting program had been arranged and speakers of national prominence in the Home Economics field were among those who gave instructive lectures during the two day's session.

The numerous sessions were all held in the Old Chapel, beginning with a welcome by J. W. Walton, Mitchell, President Sparks gave a short history of the growth of the Home Economics department. Other speakers of the evening were Miss Irene McDermott, of Pittsburgh, Pa., and Mrs. Ronald P. Gleason, president of the State Federation of Pennsylvania units, both of whom spoke of the relation of the State Federation to the college, and Miss Clara L. West, of Pittsburgh, whose subject was "The Voices of Humanity."

Perhaps one of the most interesting talks was given on Friday morning by Mrs. Henrietta Calvin, government Home Economics expert. Mrs. Calvin took for her subject "Food Under War Conditions" and in the course of her talk brought out the fact that there was danger of too much emphasis being laid on gardening this year, and a corresponding neglect of other foods.

"There is too much waste," said the speaker and she gave some interesting figures in support of her statement. "Food was formerly overt abundant," Mrs. Calvin continued, "but now it is one of the four big problems of the war. Americans must revise their eating habits, and it is up to the teachers of Home Economics to educate the people."

Others who spoke during the two day session were Miss Isabel Bevier, Miss Betha Terrill, Miss Catharine MacKay, Mrs. Samuel Semple, and Owen H. Lovejoy. A dinner was held on Friday evening at the home of Mrs. Lovejoy as the guest of honor. The Home Economics students presented her with a huge bunch of flowers, while the Alumnae gave her a handsome pin. Miss Lovejoy has been dean of the department since its founding. About twenty-five alumnae were back for the celebration.

The Home Economics Department observes Tenth Year of Founding

Many visitors and alumnae were here last week attending the celebration of the tenth anniversary of the founding of the Home Economics Department which held on Thursday and Friday a highly interesting program had been arranged and speakers of national prominence in the Home Economics field were among those who gave instructive lectures during the two day's session.

The numerous sessions were all held in the Old Chapel, beginning with a welcome by J. W. Walton, Mitchell, President Sparks gave a short history of the growth of the Home Economics department. Other speakers of the evening were Miss Irene McDermott, of Pittsburgh, Pa., and Mrs. Ronald P. Gleason, president of the State Federation of Pennsylvania units, both of whom spoke of the relation of the State Federation to the college, and Miss Clara L. West, of Pittsburgh, whose subject was "The Voices of Humanity."

Perhaps one of the most interesting talks was given on Friday morning by Mrs. Henrietta Calvin, government Home Economics expert. Mrs. Calvin took for her subject "Food Under War Conditions" and in the course of her talk brought out the fact that there was danger of too much emphasis being laid on gardening this year, and a corresponding neglect of other foods.

"There is too much waste," said the speaker and she gave some interesting figures in support of her statement. "Food was formerly overt abundant," Mrs. Calvin continued, "but now it is one of the four big problems of the war. Americans must revise their eating habits, and it is up to the teachers of Home Economics to educate the people."

Others who spoke during the two day session were Miss Isabel Bevier, Miss Betha Terrill, Miss Catharine MacKay, Mrs. Samuel Semple, and Owen H. Lovejoy. A dinner was held on Friday evening at the home of Mrs. Lovejoy as the guest of honor. The Home Economics students presented her with a huge bunch of flowers, while the Alumnae gave her a handsome pin. Miss Lovejoy has been dean of the department since its founding. About twenty-five alumnae were back for the celebration.

**Track Team Wins**

(Continued From First Page)

Durwell, of Pitt, in the 220 yard dash and Kimil registered second in the quarter mile while John Lee Ryan won second honors in the broad and high jumps. Cubbage also produced a second in the hammer throw, being outdistanced by Sutherland, of Pitt. Pond, Cotton, Connel, Hunter, Clark and Krushank also aided with several third and fourth places.

Four Places in Hurdles  
I had Shields been present to compete in the mile and two mile events, Penn State might have been credited with a few more points but as it was, Shields reached the field only in time to enter the half mile race and run in the relay which was rather an unfortunate affair for Penn State since the team was nosed out at the finish by the Pitt quartet. There were several events, however, in which the Blue and White men really did shine. Most noticeable of these were the high hurdles in which four Pittay athletes qualified, the low hurdles in which a like number won places, and the shot put in which three Penn State men scored.

**Girls Give Big Surprise In Play**

A totally unexpected treat was given to a State College audience and to the Home Economics anniversary guests on Friday evening in the Auditorium when the Girls Glee Club rendered in an excellent manner the operetta by Paul Bliss, "The Feast of the Red Corn."

The audience was taken by surprise at the character of the sketch and the enjoyable way in which the members of the club presented it. The solo and chorus numbers in the offering were given in easy style and the result of the entire performance received the greatest praise from the audience. Needless to say, very little advertising would be necessary to fill the house for a repetition of the performance.

The "playlet" told an Indian story and was presented in the quaint Indian dress. It centered around the mischievous activities of three very energetic little Indian maidens, upon whose songs the chorus commented with "Somebody's Been up to something—up to something." They were the States Fishburn, Little and Schaefer in the roles of Fudgee, Pudgee and Wudgee. The solo work of Miss GeClat the singing and dancing of Miss Dreding and the fierce and realistic yelling indulged in by Miss Miller are all deserving of individual comment for their excellence. Miss Eva Hoy, as the Old Squaw, was also very good. The girls were trained for the production by Miss Mary Dunham and Dean C. C. Robinson if time can be found for the purpose, it is possible that the operetta will be given again at Commencement time.

**DR. SPARKS IN DEMAND AS COMMENCEMENT SPEAKER**

President Sparks is in great demand as a speaker at Commencement exercises of colleges and high schools, and to date the following program has been arranged out for him: Penn State, State College, Cleveland, Ohio, May 31st, Jefferson Medical College, Philadelphia, June 2nd, Central Y. M. C. A., Philadelphia, May 23rd, Pennsylvania Museum, Philadelphia, May 24th.

He will also speak to the Ohio State High School Commencement—Annville, May 25th, Dunmore, June 1st, Scottsdale, June 15th, Charleroi, June 18th, Centerville, June 19th, Dawson, June 20th, Reading, June 22nd, Chester, June 25th, Hawley, June 29th.

He will also speak to the Civic Club of Williamsport, May 29th, and to the Jovian Club, Philadelphia, May 24th.

**JUNIOR AND SOPH ELECTRICALS ELECT**

At a recent meeting of the Electrical Engineering Society, the following officers were selected for next year—H. A. Billig '18, president, P. Peterson '18, secretary, J. P. DeWitt '18, treasurer, and E. O. Scherrer '18 treasurer. At the same meeting Professor G. H. Mills gave an interesting address on "The Automatic Telephone."

Owing to the fact that the sophomore class will not be taken into the society until next fall, a meeting of the second year E. E.'s was held at which H. T. Cover was elected president and R. S. Mickey secretary-treasurer.

This organization was necessary in order to make arrangements for the annual banquet tendered by the sophomores to the Juniors, which is held in the fall before the former are admitted into membership in the society.

**Pitt Fresh Here For Track Meet**

The Freshman track team will compete against the Pitt year men from the University of Pittsburgh on Saturday, at the New Beaver track. The meet will be the scene of the contest which promises to be closely fought. The Blue and Gold yearlings have in their midst several dangerous performers who promise to heat the 1917 track men hustling every minute of the meet. Pitt is especially strong in the quarter where Shea and Duncan, who have both covered the course in 50 seconds, will perform, and the westerners also boast of an exceptionally good two-miler. The ability of Martin, the "Smoky City" broad jumper and hurdler, is also a factor which can not be overlooked.

Track Coach Martin has decided to enter his men in the following manner: 100 and 220 dashes—Holland, Hooker and Wiener.  
Quarter mile—Thomas and Ulery.  
Coach Martin believes that Ulery has an excellent chance in this event since he has covered the course in 51 seconds.  
Half mile—Thomas and Morrill.  
One mile—Orr and Morrill.  
Two mile—Shanor.  
Hurdles—Wiener and Wolfe.  
Broad jump—Way, Wiener and Ulery.  
High jump—Way and Hatfield.  
Shot put—Jacoby.  
Discus—Rauch and Wolfe.

**"SCOTTY" WILLIAMSON KILLED ON BATTLEFIELD**

Harold Williamson, formerly a herder on one of the college farms, has been killed on the British front in France. "Scotty," who enlisted in a Canadian regiment about two years ago, was struck by a shell while bringing German prisoners to the rear. News of his death was found in a letter from Private F. Durant, which was recently received by President Sparks. He was identified by a newspaper clipping from the State College "Times," announcing his departure from the college and enlistment with a Canadian regiment.

**SOPHOMORE GIRLS HOLD SUCCESSFUL LAWN FETE**

A very successful lawn fete, both from a financial as well as a social point of view, was held by the girls of class of 1919 on the lawn in front of the Women's Building last Saturday evening. Its purpose, of raising funds to send a representative to the Northfield conference in June, was the same as of the similar event last year. A decided innovation was introduced in having a victrola dance, and it proved to be a most popular attraction. The usual ice cream, cake, and lemonade tables were in evidence.

ATTLEBORO, MASS.

**TELLS OF MARINE CORPS AT PATRIOTIC RALLY**

At the patriotic rally held last evening, Major W. Garland Fay, U. S. Marine Corps recruiting officer, was the chief speaker. Major Fay hopes to stir up interest in his branch of the service while at Penn State in order to obtain enlistments among the student body. The week of June 10th to 16th has been designated as Marine Corps week throughout the country, according to the speaker, and during that time, the Marines will endeavor to enlist 4000 men.

The major pointed out many advantages which the Marine Corps has over other branches of service, and which would seem to make it particularly adapted to college men who contemplate enlisting when college closes. An attempt will be made to get all the students together at least once a week for the remainder of the year, in a similar patriotic mass meeting. It is thought that Pierre Boul, of Bousburg, who is on leave from active service in France, may be secured to tell the students of his experiences there.

**ELECTRICAL DANCE**

The Electrical Engineering Society held their annual informal dance last Friday evening in the Old Fellowship Hall with an attendance of about thirty couples. Although all class were present, the majority of those present were Sophomores.

**GOVERNOR BRUMBAUGH TO SPEAK ON SUNDAY**

Governor Martin G. Brumbaugh will be the College speaker next Sunday, and the college is indeed fortunate in securing him as a speaker at this time. This will be the Governor's fourth visit to Penn State since he has held the office as chief executive of the Commonwealth, and the third time that he will have addressed the student body. He will probably take some generalized subject as the theme of his talk on Sunday morning that will be of interest to Penn State students at this time.

**GORDON—2 1/2 in. an ARROW form-fit COLLAR 2 for 30c**  
CLOUT, YEABODY & CO. MAKERS

**Cornell University Medical College**  
IN THE CITY OF NEW YORK  
Admits graduates of Penn State College presenting the required Physics, Chemistry, and Biology Instruction by laboratory methods throughout the course. Small sections facilitate personal contact of student and instructor. Graduate Courses leading to A. M. and Ph. D. also offered under direction of the Graduate School of Cornell University. Applications for admission are preferably made not later than June. Next Session opens September 26, 1917.
