

PITT IS BLANKED BY STATE TENNIS TEAM

Blue and Gold Players Fail To Win Single Set

With the defeat of the University of Pittsburgh racquetists on Saturday the Penn State tennis team virtually won the non-championship of western Pennsylvania.

The match was held up and the courts were made heavy by the rain in the afternoon which necessitated the playing of most of the matches in the evening.

Both Dodds and Mohn played well and at times the play was flashy taking into consideration the heavy condition of the courts.

The match between Connell and Isherwood was not so fast as the preceding engagement but was interesting since the men played more evenly matched.

Erskine Plays First Game The match on Saturday was the first varsity appearance for Erskine. He drove the ball much harder than his opponent and won the match mainly in his following service.

Too Dark for Doubles By the time that the doubles were announced it was becoming dark and the matches were not as flashy as they might have been.

Connell and Erskine completed the victorious march by leading Isherwood and Willison 6-2, 6-4. The combination of Connell, who plays in good order and Erskine, who drives heavily, proved too much for the Pitt men who were a trifle off color throughout the match and netted frequently.

SOPHOMORES WIN SCRAP GAME FROM FRESHMEN

The Freshman-Sophomore baseball scrap game, which was played on Memorial Day, resulted in an 8-4 victory for the Sophomores.

In the second inning, the winning team bunched three hits, which counted with two errors.

This game was the final performance of the interclass teams, since the aerobics which was scheduled between the two lower classes had to be cancelled because of the absence of a number of the players from college.

STRAIGHT CHUMS WIN The excellent pitching of Porco enabled the Chemists to defeat the Industrial Chemists in baseball last Saturday. The final score was 6 to 1.

Penn State Aids

(Continued From First Page)

in France." A unit, consisting of 36 men was asked for by the government, but more than enough men registered with the result that two units were offered, the second one not yet completed.

The Agricultural school has been nearly depleted for some time because of the number of men who were excused to go on farms.

The Quartermaster's Class Penn State was selected by the War Department as one of the five colleges in the country to undertake the organization and instruction of a class in the Quartermaster's corps.

Navigation and Aviation Fifty more students have been enrolled in a class in navigation to prepare for duty on submarine chasers in the "mosquito fleet."

Crews Were Active The women students of the college have done their share in the preparedness movement also.

Special Military Class Toward the close of the semester, a class in military science was organized by Captain Ahrends for all students who wished to prepare themselves for application to the second officers' training camp.

Men Already in Service Penn State men have already gone into the mosquito fleet, into the aviation corps, into the National Guard and into many other branches of service already making active preparations for the war.

Hand to Get Medals Before college closes, gold medals will be presented to the senior members of the band as a recognition of the work they have done for Penn State and silver medals of the same character will also be given to the Junior members of the organization.

VALEDICTORIAN HAS NOTEWORTHY RECORD

J. B. Kelly Ranks High Scholastically And in Other Lines Of College Activities

Joseph Bernard Kelly, of Brooklyn, New York, who will deliver the valedictory address of the senior class next week, has maintained a very creditable record during his four years at Penn State, in scholarship as well as in athletic and other college activities.

Kelly prepared himself for college at the Brooklyn Manual Training School from which institution he was graduated in 1912.

During the summer months last year, as in other years, personal letters were written by members of the incoming upper classes to the men who were to come to Penn State for the first time.

Perhaps the most significant single piece of work for the first semester was the conducting of a campaign among the students for the purpose of raising money for relief work among the prisoners in the War Camps of Europe.

Plans have already been put into action to get into touch with the Penn State men who are in the Officers' Training Camps, and very shortly letters will be sent out to the men who are to come to the college for the first time next fall.

Charles M. Alexander and party made two visits to the college for the purpose of presenting the world-famed "Peace Testaments." The campaign resulted in the addition of more than a thousand new members, each making the pledge to carry a testament always and to read at least a chapter a day.

Although Mr. Kelly's scholarship has never given him the premier position in class standing, it has always been very high, and last year he was awarded a Louisa Carnegie Scholarship. He has pursued the electrical engineering course in the School of Engineering.

Just recently, enrollment was begun for men desiring to obtain admission into the Signal Enlisted Reserve Corps. It is probable that these men will be admitted to the Signal Reserve Corps camp during the summer for a fifteen day instruction period.

Men Already in Service Penn State men have already gone into the mosquito fleet, into the aviation corps, into the National Guard and into many other branches of service already making active preparations for the war.

Hand to Get Medals Before college closes, gold medals will be presented to the senior members of the band as a recognition of the work they have done for Penn State and silver medals of the same character will also be given to the Junior members of the organization.

WORK OF THE Y. M. C. A. HAS BEEN EQUAL TO THAT OF PAST YEARS

Although the work of the local Y. M. C. A. continues throughout the year, there is made at the close of each scholastic year something of a general resume of the work done by the association in order that comparative and estimations may be made of the part the work plays in the machinery of the college.

During the summer months last year, as in other years, personal letters were written by members of the incoming upper classes to the men who were to come to Penn State for the first time.

SOPHOMORES WIN IN THE INTERCLASS MEET

Freshmen Are Second With Juniors Holding Third Place—Some Good Records

The Sophomore track team walked away with the annual Interclass track meet on New Beaver field on Memorial Day, scoring a total of 68 points against the 11 run up by their nearest competitors, the Freshmen.

Placing men in every event except the 220 and two mile, the Sophs had little difficulty in securing highest honors. During the track events, the Freshmen and Sophomores were pretty evenly matched, with odds in favor of the seniors and with the Juniors close in their wake.

Shields Equals Record No college records were broken, although some record of last year's interclass meet were bettered and Shields' record of 4 minutes and 11 seconds for the mile was a well fought race.

Charles M. Alexander and party made two visits to the college for the purpose of presenting the world-famed "Peace Testaments." The campaign resulted in the addition of more than a thousand new members, each making the pledge to carry a testament always and to read at least a chapter a day.

in the shot put and discus events, bettering his last year's distances by 1.1 and 6.1 respectively. Cubbage '18, threw the hammer 6.1 feet further than last year. Way '20, did 22.2 feet in the broad jump while the best jump last year, made by Palmer '16, was 21 feet, 9 1-2 inches.

Beck Leading Scorer Jeffries '19, Runyan '19 and Godfrey '19 tied for first place in the high jump at 5 feet, 3 inches. Beck proved to be the leading scorer with 15 points to his credit. Barron '18, was second with 13 points, followed by Runyan with 12 1-2. Hunter scored all of the Seniors' points.

The twelve pound shot and hammer had to be used as the regulation 10 pounders had unaccountably disappeared. The officials handled the meet without a hitch and ran off all the events in good time and the track management desires to thank them for their generous cooperation.

A DEAL SANITARY PLUMBING, STEAM, HOT WATER VAPOR AND VACUUM HEATING State College, Pennsylvania

JITNEY DANCE A SUCCESS The Jitney Dance held by the Red Cross Society last week proved to be very successful, the proceeds amounting to \$116. A feature of the dance was the covering of the tennis court near the President's house with a wooden flooring, thus giving ample room for the dancing.
