In Line

•••

If any one line of Student activity may be said to have had a greater de-velopment than any other during the year 1916-1917, it would doubless be the musical and dramatic interests. Not only has the student work along this line charged for the better, but a considerable amount of outside talent was brought to Pean State at various limes during the year. In the matter of outside representation of the state at various interesting the year. three major attractions there Miller, contraito, a celebrated ar-of New York; the Knelsel Quar-rand the Russian Symphony Or-tra The Knelsel Quartet was at 1 State Just year, but this was the appearance of Miss Miller and the dan Symphony Orchestra. None tess entertainments will be easily tten by music lovess of Penn
