NOTED SOCIOLOGIST TO SPEAK SUNDAY

Professor Harry F. Ward, secretary of the Methodist Episcopal Federation for Social Service, Boston, Massachusetts; professor of Social Service at the Boston University School of Theology, and instructor in course, Union Theological Seminary, New York City, will be the Sunday speaker at both chapel services and the Y. M. C. A. meeting in the evening. Professor Ward is also an associate secretary of the Social Service Commission of the Federal Council of Churches.

He has had long and close contact with social service movements throughout the United States, acting as chairman of the Committee on Labor Conditions of the City Club, of Chicago, organizer of the Industrial Committee of the Church of Chicago, chairman of the Committee on Church and Labor, and he has aided in securing needed social and labor legislation in Illinois.

Two years after completing his studies at the University of Southern California, Northwestern University and Harvard, he became head resident of the Northwestern University Settlement, Chicago. In 1899 he was ordained a minister in the Methodist Episcopal Church, and for thirteen years held pastorates in the city of Chicago; ten of them in institutional churches in downtown, industrial neighborhoods, the Polish quarters and stockyard districts.

He is a noted sociologist, and was one of the speakers at the recent Northfield Conference. He has also addressed audiences at Ford Hall Meetings, Boston, Melrose Community Meetings, Melrose, Massachusetts, Brookline Civic Forum, Brookline, Massachusetts; Calvary Forum, Buffalo, New York, and Cooper Union, New York City, as well as a score of others. He has written many books on social service.

Freshmen Reporters

(Continued From First Page)

add greatly to this phase of the work. By earnest newspaper work one learns to see things in their proper light and regard them at their proper value. The U. S. Army has found that trained newspaper men are invaluable as scouts, because of their ability to quickly and thoroughly "size up" a particular situation and report faithfully upon it. There is a great demand for such men in the army.

Best of all, the college newspaper work develops in a man a clearer understanding of that intangible "something" which is termed "College Spirit." The college newspaper man is instinctively endeavoring to look to the best interests of his college and his fellow students, and in this way his positions offers him great power of influence and responsibility with respect to the conduct of college affairs.

Those men getting in on the "ground floor" of this work stand the best chance, and all who desire to compete for positions as reporters should report TONIGHT. No other call will be issued this year.

PROHIBITION LEAGUE ACTIVE

At the last meeting of the Prohibition League a lecture course was arranged, and it is expected that in the future at least one lecture a month will be given by a prominent member of the faculty. These lectures will be given in connection with a campaign which is to be carried on throughout Pennsylvania for the election of "dry" representatives to the state legislature.

Varsity Defeated

(Continued From First Page)

going for 60 yards. Pond was also the hardest worked man in the backfield, and he was sent around end or through the line time after time. Ullery and Way also carried the ball well, and the former backed up the line in fine shape.

Tavener and Griffiths star.

Tavener was also a tower of strength on both the offense and defense. The big tackle was the Penn State man who was usually down the field under Pond's punts to nall the man with the ball. Griffiths shared the honors with the big tackle, the husky center playing a game that would have done credit to a veteran. Tavener also displayed a fine brand of end playing. McCright and Rubie accomplished the real gains for the Red and Black. In the first quarter Rubie tore around left end for a 35 yard run, and on the next formation McCright gained 22 yards around the same end. After a few minutes of scrimmage, the latter plunged over the last chalk mark for the only touchdown of the game and then kicked the goal.

The lineup:

Penn State—	W. and J.—
Rauch L E	W. Carroll
Tavener L T	Henry
Kraft L G	Wimberly
Griffiths C	Guy
Czarnecki R G	Staw
Black R D	Steh
Conover R D	Trossel
Woods H D	ojjola
Robb L H B	Smith
Pond R H B	Rubie
Gross F B	McCright

Touchdown, McCright Goal from touchdown, McCright Substitutions, Penn State, Clarke for Wolfe Ullery for Gross, Hills for Kraft, Way for Clarke, J. Brown for Hills, McKelvey for Ullery W and J. Garbisch for Wimberly, Wimberly for Garbisch.

Referee—Murtz, Brown, Umpire—Merriman, Geneva Head Linesman—Throppe, Columbia Time of Periods—15 minutes.

SELECT LOCATION OF INSTITUTE OF ANIMAL NUTRITION BUILDING

At the recent meeting of the Board of Trustees, it was decided to construct a building for the Institute of Animal Nutrition, to be located in the rear of the College Dairy Bldg. It will be 25 by 45 feet and will probably be of frame construction. This step has been made necessary on account of the cramped condition in the Agricultural buildings.

Duquesne Club.

President Sparks will address the students from Allegheny County at a meeting of the Duquesne Club in the Liberal Arts Assembly room at 8:30 tomorrow evening.

Freshmen Win

(Continued From First Page)

himself to be a powerful factor for his team and was in every play. He put up an excellent game and was a tower of strength on the defense. Ewing, Schwab, Cropper and Holleran played fine ball and fought to the finish. The generalship of Davies was plainly evident in every play, and his kicking was one of the strong points for the Salsburg aggregation. Ritter, for the Freshmen, deserves much credit as he was in every play and his kicking and handwork counted much toward the first-year victory. The entire Freshmen line played fine ball, but the work of Bossett and McCollum outshone the rest of the Yearlings. French, Ullery and Snell should also be mentioned for the class of ball they produced. The lineup follows:

Freshmen—	Kick—
McCullum L F	Ewing
Bossett L T	Contr
Garman L G	Schwab
Bontz C	Stein
Henry R G	Lawrence
Baer R T	Edgar
Snell R E	Cropper
Ritter R B	Davies
Yocum L H	Holleran
French R H	Dempsy
Gehring F B	Allstrand

Touchdown, Snell Goal from field. Daxler Goals from touchdown. Goal Substitutions, Freshman, Schledmante for Garman, Gum for French, Grimes for Yocum; French for Grimes; Kiski, Meyers for Cropper, Stein for Holleran; References, Smith, Penn State, Dougherty, W & J Umpire, Eaton, Goal by Head Linesman, Titzel, Assistant Linesmen, Holland, State, Snyder, Kiski Time of Periods 15 minutes.

JUDGING TEAM WINS FIRST HONORS IN GUERNSEY CLASS

At the Student's Stock Judging Contest of the National Dairy Shows, held at Columbus, Ohio, on October 19, Penn State secured ninth place. Missouri Agricultural College took the highest honors of the thirteen entries. The State team was composed of D. T. Hill, R. of the Animal Husbandry School, and S. Clark, Jr. of Good '18, and T. F. Nolan '18, of the Dairy Husbandry School.

In the Guernsey cattle judging, Penn State took highest honors. The cup and all trophies in this event went to Penn State. Hill took highest honors in this class.

225 IN PRIZES WILL BE AWARDED IN THE "COLLEGIAN" CONTEST. GET ONE OF THEM.

Red Cross Dance

(Continued From First Page)

possible route) All Freshmen out! Here's the big idea! The local Red Cross organization is in great need of money with which to carry on its humane work. (A visit to Mrs. Sparks' home will show one that the Red Cross in State College is doing things worth while). The "Jitney Dance" event on the President's lawn last spring made great things possible for the Red Cross here, and the coming entertainment is expected to outshine that in every way. If one took twenty dances last spring it cost him a dollar. The only difference this time is that the dollar is paid out all at one time, at the door, and chances are that more than twenty dances will be included in the coming program.

A student stringed instrument orchestra will furnish the music, and dancing will start at 4:30 in the afternoon, or as soon as the Dartmouth returns are over, and will continue until 9:30 in the evening. Doesn't that sound good?

'Round about 6 o'clock, or before, the "cats" will be ready to serve in the President's home, and for a few "jits" a good supper can be had. All kinds of sandwiches, including the "hot dog" variety, can be secured for a jitney each, and there will be home-made cake, pie, ice cream, cider and coffee at the same price. If you don't dance, go and eat. If you don't eat (?) go and dance.

Divide your capacity for cats by four, multiply the result by five and you have the exact amount that it will cost you to set your girl up to the jitney eats. Honestly, it doesn't cost much to feed a girl these days (if sundae is omitted—and they are this time) and besides, the investment might bring you a pair of the woolen socks some day when you get "over there." Is that not worth while?

The Red Cross of State College is doing a great work, but needs such help as this to maintain its high standards.

NEW MINING BUILDING OPEN

The museum in the new Mining building will be open Sunday afternoon, October 28. There will be an attendant in charge who will be able to point out and explain many interesting exhibits of the mining and mineral industries of the State. Visitors will be welcome.

OLD TIME MASS MEETING SHOWS COLLEGE SPIRIT

The Old Penn State spirit made itself evident at the Mass Meeting last Thursday night when the football team was given its final send-off to the W and J game. Practically the entire student body was on hand to hear the remarks of the coaches and players, and great enthusiasm prevailed. Coach Hatlow spoke of the ability of the Penn State team to fight to the last ditch against a heavier foe.

Conover, who just the night previous had been elected captain of the team by the old varsity members, was the first of the players to be called upon. Others followed as long as time would permit. The College Yell contest was explained and a vote taken by the classes on sending a band of thirty-five pieces to the W and J game. The next mass meeting will be held on Wednesday evening of next week to give the team a send-off to the Dartmouth game.

PRATERNITY DANCES

Pennsylvania Day festivities will start on Thursday night, November 8 when informal dances will be held at many of the fraternity houses. This night will be observed as "visiting night" and in accordance with a Pan-Hellenic action of several years ago, no formal invitations will be sent by one fraternity to another, or to members of the faculty, as an expense saving item.

Engineering News

Harrington Emerson, of New York, will lecture Friday afternoon, October 26th, at 4:30 in the Old Chapel on the subject "Phases of Efficiency." Mr. Emerson is the head of the Emerson Company of New York, and probably the most prominent man in industrial management and efficiency engineering. He covers a field of interest in all classes and presents his subject in an entertaining manner.

This is the opening number of a series of lectures designed particularly for Senior engineers. On account of the prominence of Mr. Emerson and the wide interest in his subject, the lecture will be held in the Old Chapel. In the evening Mr. Emerson will speak to the engineering faculty.

FRATERNITY DANCES
