TO HONOR PENN STATE MEN WHO SERVE COUNTRY

Huge Service Flag To Tell of Undergraduates And Faculty Who Answer Nation's Call

NAMES TO BE STITCHED ON INDIVIDUAL STARS

In order to honor the undergraduate students and members of the faculty of Penn State who have gone, or will go into the service of their country during the present war, President Sparks, with the cooperation of the women students and faculty, is planning to make an enormous "service flag" to be hung over the front of the organ in the Auditorium. It is thought that no better method of honoring the Penn State soldiers and sailors could be devised.

The plan is to make the flag on the plan of the service flags that are being distributed to every home that sends someone to war, only on a much larger scale. There will be the border of red, with the great white center, and in this field of white will be the blue stars. Each man will have a star and his name will be embroidered upon it, and in order to distinguish faculty from students, it has also been

Each man will have a star and his name will be embroidered upon it; and in order to distinguish faculty from students, it has also been suggested that the stars of the former be outlined with a red border. Then as each new name was added to the Penn State Roll of Honor, a new star would be placed in the flux. It is thought that almost 500 stars could be put in The women students have volunteered to do the necessary as sening and emboidering if the material can be obtained. The latter question seems to be the chief objection to the plan, for at present it is well-nigh impossible to obtain it has material that would be necessary. However, efforts are being made to purchase the cloth needed and as soon as this is obtained the flag will Probably Be Held November 24

the men of having an honor toll of some kind has been considered for some time. The question of bronze tablets was brought up, but the objections to these were the expense and the great amount of room they would take up. The present plan will not require so much room, and no more convenient place for the flag could be found than over the organ. No alumni names will see on the flag, as it will be consined to undergraduate. In facility members Of course it will be impossible to get data on all the men who have gone, but it is hoped that in the course of time, the names of the majority will be obtained.

STIFF GAME WITH DIES AT HIS HOME DARTMOUTH COMING

But New Englanders Will Use Freshmen In Line-up

i two yeans, while Myers was an end on Dantmouth's championship Yreshman, team last season. The temninder of the line, Holbrook, Muphy, Ross, and Shepheted, are all new names on Dattmouth's line-up.

The team was afforded its first real test of the season Saturday, a week ago, in the game with West Vinginia. Although greatly outwelped, the Green won by a 5-0 score. In the previous preparation yames, Datmouth defeated, the Smingfield Y. M. C. A. College and Middlebury College, by A. College and 32-6, respectively.

Dattmouth's probable line-up for the Street ame includes Myers at left end, Headisy at left tackle, Noeley left guard, Shephend center, Youngstrom light guide Muphy (ight tackle, Ross light and Cuptain McDenough quarter back, S. W. Holbrook left half, C. P. Holinook light half, and Lehman full back. The above line-up is the one which plaved the enthe game as that West Vilabla, and the men appear to be dweed at Hanote of the State rame, as many house pattles me scheduld for that occasion.

WAY'S TOUCHDOWN WINS FOR BLUE AND WHITE

Sensational Run Near Close Of Game Turns Apparent Defeat Into Victory

WESLEYAN SWEEPS STATE OFF FEET IN OPENING QUARTER

A sensational run of forty yards by "Charlie" Way with less than a minute left to play, scored the touchdown that snatched victory from the jaws of defeat and sent the Penn State rooters home singing the praises of the diminutive quarterback who piloted the White and Blue varsity for the first time, in the game with West Virginia Wesleyan last Saturday. The final score was 8 to 7, Penn State's remaining points being scored on a safety.

With the score 7 to 2 in favor of the visitors, with the ball in their possession on their own 20-yard line, and with the end of the game practically in sight, there were few spectators who thought that Penn State had one chance in a thousand to win out. Moreover, a heavy downpour of rain had set in during the second half and the ball and field were decidedly slippery. And it is to this same rain together with the ability of Way that the Blue and White owes its final victory.

Cornell, Lehigh, Navy And Possi-

Itom present indications, the high spots of Ivan State's 1918 'varsity wrestling season will be meets with Conneil, Lebigh. Navy and the intercollegiates 'The first three me definitely certain, but there is still a lack of positive knowledge about the Intercollegiates Other meets are still being sought by manayer Johnson, and there is a possibility that Columbia and Pitt will visele on the Aimory mat this white. So far the various members of the Intercollegiate Wrestling League have failed to definitely decide about the holding of champlon-ships this year Indications are, however, that they will be held at Columbia on March 22 and 23 Due to the unsettled condition in arranging their schedules and this accounts for the indeels/on about the champlonship meet.

The meet with Cornell will be a return one for the meet held here last year when the Blue and White was victorious, 21 to 9 Those who were fortunate enough to witness hast vent's meet were treated to a wonderful display of westling ability by both teams, and Penn State only won out after a keen situagie No date has been finally set as yet for the meet this vent The Leidigh meet will be held in the Armory from all indications, since the White and Blue went to South Bethlehem last winter Navy will of course he meet at Annapolis, due to the fact that the mid-shipmen are not able to Schedule anything but home meets flot hense contests will be haid ones for Penn State
