

Penn State Battles Pitt

Pitt's heavier team certainly had somewhat the best of it on the soggy field, and had the place been dry it would doubtless have been better for the light State backfield which many times slipped and fell in the slime.

Get Way and McLaren A peculiar fact in the game, and one that was more or less to be looked for, was that State men concentrated their efforts in stopping McLaren, while the Pitt players did their best to "get" Way every time he started with the ball.

But State had failed to reckon with Easterday, just as Pitt failed to give much attention to Robb and Pond. Easterday was undoubtedly the stellar performer for the Panthers, his end runs entering as no small factor in Pitt's victory. He was their best ground gainer and Gougler made a close second. Pond comes into the line light for his work in stopping Easterday in the many times that he failed to get away.

Pitt Surprised Penn State's tricky advance got its start at the beginning of the second quarter. Pitt lost the ball on downs on the first play and State started from her own 48 yard line in the first period when State's half back only three plays were tried; they were "old stuff" and didn't gain any ground.

Some more of the over formations that baffled the Pitt players were brought into play, and Czarnnecki took the ball from guard position and gained four yards through the line. Then came the triple pass. Gross received the ball from Griffiths, dashed to one side, threw it to Robb, who in turn dropped it into Way's waiting hands and "Pie" heaved it over the line to Conover who carried it to the 20 yard line.

State received and after carrying the ball to the 41 yard line for two additional first downs, Pond punted to Pitt's 39 yard line. Easterday broke loose and attained State's 30 yard line. A forward pass to Gougler showed the ball to State's 27 yard line, and the next play was a forward pass over the goal line, spilling Pitt's chances for a score in that period.

Luck played into State's hands at the beginning of the second half. State had received the kick-off, Way returning it 17 yards to the 37 yard line. Pond punted to Easterday on Pitt's 28 yard line. For the first time in his football career the Pitt half fumbled the punt and Conover was right there to pick it up.

Pitt Comes Back Pitt could not gain and both teams were penalized for off side play before McLaren punted to Way who returned the ball two yards to the Pitt 32 yard line. Gross was injured in the scramble and following the next play he was removed from the game, Wolfe taking his place. Pond punted and Pitt could not gain and McLaren's punt was blocked by Rauch, Czarnnecki recovering on Pitt's 45 yard line.

The next period was all Pitt, just as the first had been, and just as the second and third had been "all State." Pitt was held for downs and McLaren punted to State's 19 yard line. Pond

returned the punt and Pitt held the ball on State's 40 yard line. Gross, who had entered the game again at the beginning of the period, weakened again and McLaren came through the line for 14 and 7 yards. Ullery went in for Gross and intercepted a forward on his 33 yard line. Way fumbled a pass and fell on the ball only a few inches from the goal line. Pond punted to the 25 yard line and a series of line plunges and end runs by McLaren, Gougler and Easterday sent the latter over for Pitt's third touchdown.

State received the kick-off but could not gain. Pitt worked the ball down from middle and Firsching intercepted a forward pass on the five yard line. Way was thrown back to the one yard line and Pond punted 65 yards to State's 45 yard line. Captain Carlson, of Pitt, got into the fray at this point, "water on the knee" having kept him out of the last game of the season. Gougler made 17 yards around end and later, a double pass, McLaren to Gougler, gave the latter a free field to a touchdown. This score came with only about half a minute to play, for there was but time enough left for a kick-off and one play, Pond gaining five yards around left end, before the final whistle blew.

Pitt won the toss, and Conover kicked off to McLaren on the 20 yard line. He was downed by Griffiths after gaining two yards. Here Pitt opened up her wonderful attack and swept the Penn State team completely off its feet. McLaren and McCarter made two first downs through the line while Easterday circled the ends for runs of 15 and 13 yards respectively, placing the ball on the Blue and White 27 yard line. McCarter carried it to the seven yard mark, and after McLaren had made two yards at center McCarter went around end for the first touchdown. Sies kicked the goal. Score—Pitt 7, Penn State 0.

Conover again kicked off, and McCarter brought the ball back to the 37 yard line. McLaren and McCarter hammered the line for a first down, then Pitt penalized 15 yards for holding. Easterday circled left end for 20 yards, but the State line then held and McLaren was forced to punt. Way signaled for a free catch on the 15 yard line, but he was interfered with and Pitt was penalized 15 yards.

Pitt Scores Again Penn State could not gain, however, and Robb punted to McLaren on Pitt's 21 yard line. Gougler replaced McCarter for Pitt and made two yards, but holding again cost Pitt 15 yards putting the ball on their eight yard line. But again the Panthers opened up their attack. Short gains took the ball to the 34 yard line and then Easterday got loose for 35 yards. Then a double pass from McLaren to Easterday to Gougler enabled the latter to score the second touchdown. He also kicked the goal. Score—Pitt 14, Penn State 0.

McLaren took Conover's kick-off on the 20 yard line. Short gains took the ball to Pitt's 42 yard line, when the quarter ended. Here Penn State held for the rest of the period, and then gave its first indication of an attack. Way, Gross and Robb carried the ball to Pitt's 19 yard line, where the Panthers held for downs, Gross just missing a first down by inches.

Triple Pass Scores The Blue and White, however, stopped Pitt dead when they attempted to advance the ball and McLaren kicked to Way on State's 35 yard line. Robb cut loose for a run of 35 yards and then the Blue and White began their aerial attack. A triple pass, Gross to Robb to Conover was good for a first down, and after Way had lost seven yards, a complicated pass, Gross to Rauch to Way to Conover enabled the latter to score the first touchdown against Pitt in four years. Pond punted out the ball, but failed to kick the goal. Score—Pitt 14, Penn State 6.

State received the kick-off, but after gaining several first downs, Pond was forced to punt. Pitt's attack carried the ball to State's eight yard line, where a pass from McLaren grounded behind the goal line giving Penn State the ball on a touchback. The half ended before the teams could get into action.

Miscellaneous Scores Following the kick-off, Penn State could not gain, and Pond kicked to Easterday. He fumbled and Conover recovered the ball on Pitt's 20 yard line. A triple pass to Rauch just the ball on the nine yard line, but an intercepted forward pass gave Pitt the ball. Easterday gained 12 yards and fumbled and Griffiths fell on the ball. Again the Blue and White had a chance to score, but lacked the punch and Pitt took the ball on downs.

Punts were exchanged and neither team seemed to be able to gain. Conover blocked McLaren's punt and Czarnnecki fell on the ball on Pitt's 45 yard line. The State attack carried the ball 20 yards but an intercepted pass gave Pitt the ball. The next quarter began with Pitt again exhibiting her irresistible attack and straight line plays soon enabled McLaren to carry the ball over for a touchdown. Gougler kicked the goal. Score—Pitt 21, Penn State 6.

Gougler Again Scores Following the kick-off and an exchange of punts, Pitt got the ball on State's 45 yard line. End runs by Gougler and Easterday carried the ball to the 22 yard line, and a double pass from McLaren to Gougler gave Pitt her third score. Gougler again kicked the goal. The line-up following the next kick-off: The line-up: Penn State—L. D. ... Pittsburgh—39 Rauch ... L. D. ... Fourman ... L. C. ... Sutherland ... Griffiths ... R. O. ... Seldel ... Czarnnecki ... R. State Will Not Debate in League

The inability to decide upon a suitable question caused the withdrawal of Penn State and Swarthmore from the Pennsylvania State Debating League. Both colleges refused to do business on the question set forth by Professor A. V. Helmer, of Franklin and Marshall College. Resolved, that the successful prosecution of the war requires that all citizens of Germany, Austria, Italy, and Turkey now residing in this country should be interned until peace is secured.

As a result, a dual, or possibly a triangular meet, with Princeton as the third party, is now being arranged between State and Swarthmore matters are practically settled and negotiations are being conducted with Princeton. For the dual meet two questions are under consideration. "Resolved, that a permanent and a more definite centralization of power in the national government should be established for times of peace." and "Resolved, that the terms of peace at the close of the war should prohibit economic warfare, or discriminating tariff among the signatory powers." The former question was suggested by Penn State and the latter by Swarthmore.

CZARNECKI ON SECOND ALL-EASTERN ELEVEN

With the close of the football season, sports writers throughout the country will begin to select their mythical All-American, or All-Sectional eleven. Two of these All-Eastern eleven have already been announced, one by R. W. Maxwell, sporting editor of the Philadelphia Evening Ledger, and the other by Ross Kauffman of the Philadelphia North American.

While no Penn State men are placed on either of these first All-Eastern teams, it is a notable fact that Czarnnecki, Penn State's veteran guard, is placed as first choice for guard on the second team. This honor is justly due for throughout the entire season, Czarnnecki has played wonderful football on a comparatively weak team. The North American also picks an All-Southern team, and as left end on this eleven we find the name of Ben Cullage, former Penn State star. O'Donnell, another Penn State man, is placed at left guard on the second team. Both these men have been playing great football on the strong USAAC team this season.
