**STAG DANCE IN ARMORY TOMORROW NIGHT'S FEATURE**  
 (Continued from first page)

getting-acquainted movement is still in evidence. The evening was certainly a musical one, with the mandolin club, the 'varsity and Freshman quartets, and the assembled singing of the student body. And of course, the "Pajama Parade" of the same evening was an added feature! The "Stuck Together" headed by Harry Hobbs '19, is working hard to arrange a series of events for the students. The Stag Dance tomorrow night will be the second of the series, but even better things—if such be possible—are to come. While all arrangements are not complete as yet, the committee is ready to announce the following attractions still to come.

**Future Events**  
 On Wednesday of next week, or March 13th to be exact, the committee expects to have "movies" in the Auditorium. Efforts are now being made to book a high class picture for that night and there is no reason why they should not be successful. Every one who witnessed the former pictures expressed favorable comment and it is hoped to make the coming show even better if possible.

The attraction for the following week will be on Saturday night, March 23rd, when "Zarney" will again bring his circus to town. However, the show will be completely revised and many new features are being added so that there will be no danger of repetition "Zarney" has proved himself a clever "ring-master" and as he will have full charge again, great things can be looked for.

Other plans are on foot for later dates, but the committee is not ready to announce them as yet. In addition to Hobbs, the "Stuck Together" committee is composed of the following: H. A. Billig '18, C. A. Nickle '18, Gilbert Watts '18, R. W. Holt '19, A. E. Catmich '19, W. W. MacMain '18, G. C. Smith '19, J. H. Lucas '19, G. W. Sullivan '19 and Charlie Way '20.

The sole purpose of the entertainments which have been arranged for the coming weeks is to foster and encourage the "Penn State Spirit" which has been so splendidly shown since the institution of the get-together campaign, and it is the hope of the entertainment committee that the students will give their hearty and sincere co-operation to this movement for the remaining weeks of the semester.

**ATTENDS CONVENTION**  
 Professor David Allen Anderson returned on Sunday from Atlantic City where he attended the annual meeting of the National Education Association. He also attended the convention of the National Society for the Promotion of Industrial Education in Philadelphia.

**THE FRENCH SOCIETY**  
 The Cercle Francais, which will meet this evening, at 7 o'clock, in room 226 Mann Building, will be addressed by Prof. Leslie M. Burrage who will give the first of a series of short historical sketches; Prof. Leopold J. Lassalle will deliver the lecture of the evening entitled "Paris"; readings will be given by Messrs. Cope and Lehr. The parts of the plays, which are to be presented early next month, have been definitely assigned and rehearsals are continuing weekly.

**BLUE AND WHITE MATMEN DOWN NAVY IN HARD MEET**  
 Continued From First Page

present were two men well-known to the mat game at this place, Mills, who won the 'varsity "S" in the sport last season, and "Dick" Shirk, who was a strong contender for a 'varsity berth when he dislocated his shoulder at the beginning of last season.

**NOTED PUBLISHER TALKS ON AMERICAN MAGAZINES**  
 W. W. Ellsworth, formerly president of the Century Publishing Company, gave a very interesting lecture on "The American Monthly Magazine" in the Old Chapel on the evening of February 24th. From his intimate knowledge of the publishing business, Mr. Ellsworth was able to talk with good authority on the problems of the modern magazine and book publisher. He told many interesting incidents from his experience with the great authors and publishers of this and the last generation.

**TO PRESENT MYSTERY PLAY**  
 The students, members of the faculty and townspeople who attended St. Andrew's Episcopal Church are planning to present "The Resurrection," a mystery play, in the Auditorium on Easter evening. The staging of the play will be under the direction of Dr. W. S. Dye and Professor J. H. Prizzell, while Dean C. C. Robinson of the Department of Music Attendance will be open to everybody.

**ANOTHER ON TUSCANIA**  
 Word has just been received that another Penn State man, James C. McCormick '07, was on board the "Tuscania" and was rescued. He is a first lieutenant of engineers.

The college farms will need additional labor during the summer. Students who are interested will please confer with W. G. Murtoff in Dean Watts' office concerning terms.

Drop your COLLEGIAN in the box by the Old Willow. It will be forwarded to the camps.

**VOTE ON HONOR SYSTEM AMENDMENT**  
 The following proposed amendment to the Honor System will come up for a vote at mass meeting next Wednesday morning. All students should familiarize themselves with the new provision and be prepared to vote conscientiously on the same:  
 It is proposed to add a clause to Article 4, section 9 of the Honor System, which reads as follows:  
 "Punishment: For the first conviction of dishonesty the convicted student shall be suspended from college for one year with the privilege of returning according to the regulations of the college, at the beginning of the corresponding semester in which he was suspended."  
 The proposed addition reads:  
 "The Honor Committee shall have the power to compel a student to drop a subject in which he has been convicted of dishonesty, thereby requiring the convicted person to repeat the work in class, should the case, in its judgement not warrant suspension from college, as before prescribed."  
 Section 10 of this article reads:  
 "Upon second conviction a student shall be permanently dropped from college."

**NAVY IN NEED OF SPY GLASSES**  
 The college men and women of the United States can be of great service in getting the members of their families and other friends to contribute to the Navy, Binoculars, Spy Glasses and Telescopes. The number of glasses available today is wholly insufficient and the need must be met quickly.

That non-used pair of field glasses in your home or the telescope on some college laboratory shelf, if promptly given to the Government may mean the saving of a transport loaded with soldiers or the sinking of a sneaking submarine. Quick action in this matter means everything.

All articles should be securely tagged giving the name and address of the donor, and forwarded by mail or express to Franklin R. Roosevelt, Assistant Secretary of the Navy, care of Naval Observatory, Washington, D. C., so that they may be acknowledged by him.

Articles not suitable for naval use will be returned to the sender. Those accepted will be keyed so that the name and address of the donor, will be permanently recorded at the Navy Department, and every effort will be made to return them, with added historic interest, at the termination of the war. It is, of course, impossible to guarantee them against damage or loss. As the Government cannot, under law, accept services or material without making some payment therefore, one dollar will be paid for each article accepted, which sum will constitute the rental price, or, in the event of loss, the purchase price of such article.

**WHAT WAR-SAVING STAMPS WILL BUY FOR SOLDIERS**

**STUDENTS MAY TAKE COURSE IN TRACTORS**  
 Owing to the fact that there are quite a large number of students who desire to take the one week course in tractor running which is now being given here, a special course will be started immediately upon the close of the second semester. This will be open to all who cannot take it now on account of their regular classes. Those who desire to take this course should sign up at Professor Blasingame's office.

**Engineering News**  
 Captain J. J. Light, on leave from the Department of Mechanical Engineering, has sent word that he arrived in France with the Engineering Corps which he entered in September. Captain Light was in training at Camp American University and Deloit, Va. before sailing. Dean Sackett has received a sample of silk of exceptional quality from the Engineering Extension School at Allentown. The latter was designed by the textile classes, the loom was set up, the silk dyed and the fabric woven as a part of the regular work of the advanced class. This is the only school operating classes for textile designers except the one in Philadelphia. This design is of unusual beauty and quality.

Professor A. J. Wood, of the Railway Mechanical Engineering Department, gave an illustrated lecture last Friday afternoon to the Engineering Seniors and Ordinances men on "Railroads and the War." Films from the Pennsylvania Railroad Company were shown and the economics of transportation discussed. Prof. Wood gave some interesting statistics of the war tonnage over the railroads at the present time.

**Tech Loses Second Game**  
 Carnegie Tech was also defeated by the Penn State five for the second time this season, the final score being 51 to 35. The first half ended with Tech in the lead 24 to 22, but in the second half, State staged a spectacular come-back, and literally deluged the basket with two-pointers. In this period, Young, and three field goals, six, five, and of the Blue and White's twenty-three double-deckers, fifteen were obtained in this half. The guards, Wilson and East, were also aiding in the good work, for Tech was held absolutely scoreless from the floor in the second period, while Wilson also contributed two two-pointers.

While there were no individual stars for Penn State every man on the team aided in what was a well-deserved victory. In the scoring, the Blue and White center and both forwards made seven two-pointers each while Blakeslee was also successful in eight out of eleven tries from the foul line. Liberty, for Carnegie Tech did stellar work for his team, scoring four field goals, and shooting twelve fouls.

The line-up:  
 Penn State—51 Carnegie Tech—30  
 Mullan . . . . . Hamman  
 Young . . . . . Doherty  
 Blakeslee . . . . . Gietzler  
 Wilson . . . . . Lee  
 First . . . . . Cosgrove

Substitutions—Carnegie Tech, Holman for Hamman, Wue for Cosgrove. Goals from field—Mullan 7, Young 7, Blakeslee 7, Wilson 2, Hamman 4, Doherty 4, Gietzler 1. Goals from fouls—Blakeslee 8 out of eleven, Doherty 12 out of 17. Referee, Baugherty of W. & J.

**West Virginia Dejected**  
 West Virginia University proved to be the third victim of the trip, Penn State triumphing by a score of 35 to 26 over the mountaineers. In this game, the Penn State five again demonstrated its ability to come up from behind and secure the long end of the score. The close of the first half found West Virginia in the lead 17 to 11, but this small advantage was soon obliterated by the quick passing of the Blue and White aggregation. Mullan and East were stars for Penn State, the former scoring seven field goals, while the latter, besides his close guarding, also managed to get two double-deckers for West Virginia, the work of Latterner stood out prominently.

The line-up:  
 Penn State—35 West Virginia—26  
 Mullan . . . . . Latterner  
 Young . . . . . Rodgers  
 Blakeslee . . . . . Aikens  
 Wilson . . . . . Dawson  
 First . . . . . Whetsell

Goals from field—Mullan 7, Young 4, Blakeslee 2, First 2, Wilson 1, Latterner 1, Rodgers 3, Dawson 3, Aikens 1. Goals from fouls—Blakeslee, 3 out of 5; Whetsell 1 out of 6. Referee, Chenuweth, of West Virginia.
