REGARDING EXAMINATIONS FOR STATE CERTIFICATES

The State Department of Public Instruction, at Harrisburg, has informed the Director of Summer Session that in case a sufficient number of summer session students desire to take the examinations for special certificates, an examination will be given at State College August 8th and 9th. DR. ELI MAYER WILL SPEAK NEXT WEDNESDAY

Dr. Eli Mayer, a Jewish Rabbi of Philadelphia, will give a lecture in the Open Air Theater next Wednesday evening at 7:00 o'clock on the subject: "Judahism—Its Faith and Practice." Dr. Mayer scarcely needs an introduction to summer session students as he has been here and spoken to the teachers for the past several years, so that he will be assured a warm welcome and a large audience on his visit this time. Dr. Mayer has attracted quite a bit of attention from religious leaders of America, in that he has gone on record as opposing the Zionistic movement to establish a colony for Jews in Palestine.

About eighty students took the excursion trip through the agricultural buildings and grounds last Saturday. About 45, under the chaperonage of Prof. White, went to Bear Meadows, walking eight miles of the way. Quite a large number also autoed to Penns Cave.

REHEARSALS FOR SUMMER SESSION PAGEANT BEGIN

The annual pageant, presented by the students of the summer session will be given in the Open Air Theater a week from tomorrow. The title is "The Legend of the Gate." Rehearsals are being held regularly and every indication points to a successful presentation. The prologue will be spoken by Miss Ruth Jackson, professor of public speaking at Ohio Wesleyan University, at Delaware, Ohio, who is assistant to Miss Dunham for the summer.

The meeting of the Executive Committee of the Board of Trustees will be held on August 2, and it is the plan of the members to attend the pageant in a body.

"STUNT NIGHT" TONIGHT

"Stunt Night" which had been scheduled for Friday, July 12, but which, was postponed on account of the lecture by Captain Schwab, will be held this evening in the Auditorium at 8:15 o'clock.

NATIONAL MILITARY TRAINING CAMP OPENS

Enrollment on Opening Day Was 100—Many Prominent Men in Attendance

The first volunteer military training camp conducted by the college opened on Monday of this week. Actual work was begun Tuesday morning at 5:50, and will be continued for the next four weeks. The preliminary registration of over 100 will be doubled and perhaps trebled. Nearly every county in the state is represented by registrants. Many of the men are subject to draft call in the near future, but their are also many officers of the Pennsylvania Home Defense Guards.

The camp thus far has been very successful and promises to continue so. On Monday evening, an assembly was held and addresses made by Major Baylies and Dr. Sparks, who explained the purpose and nature of the work. The number enrolled will be increased from time to time, as there is a large number that was unable to be here for the opening. The whole camp is under the charge of Major Baylies, who has several assistants; among these is Sergeant Murray Barr, U. S. A., of Boalsburg, who is on leave after having been gassed in France. He has a complete trench outfit with him for demonstration purposes. Next week, several officers of the British army are expected to be here to aid in the instruction. Trenches will be dug as soon as the men are far enough advanced, and the weather conditions are favorable.

Among the men in camp who have been prominent in military affairs of the state are: G. L. Weaver, of the Polk Institution, who is in charge of the Home Defense Police of that place; Sergeant F. B. Hazlett, of Oakland; George B. Jobson, the big game hunter, of Franklin; Judge Albert L. Heck, of Coudersport; P. E. Miller, formerly Company M, Lebanon Reserve; Louis X. Ely, secretary of the Monessen Foundry Company; R. R. Stewart, of the railroad department, Y. M. C. A., Philadelphia; Major C. W. Burd, in charge of the military training, Erie High School; Dr. William L. Keller, of the Harrisburg Reserves, and Sergeant W. S. Haight, of the Johnstown Reserves.

The ministry is represented by the Rev. David Lockhart, of Altoona, and the Rev. J. W. Long, of State College.

William Patterson, of Coalport, and Gail Norris, of Huntingdon, who attended the boy scout camp, have been retained as buglers for the training encampment.

REV. HENRY E. JACKSON TO LECTURE NEXT WEEK

The summer session faculty and students will have the privilege of hearing another noted lecturer next Thursday evening, when Dr. Henry E. Jackson, Special Agent of the U. S. Bureau of Education at Washington, D. C., will speak in the Open Air Theater on the subject: "Community Centers for National Service."

Rev. Henry E. Jackson was for several years pastor of the First Congregational church of Montclair, N. J. In 1913 he resigned his pastorate to accept a lectureship in Peking, China, under the auspices of Princeton University. The outbreak of the war made it impossible for him to carry out the plans of the University and he engaged in community organization work under the direction of Dr. P. P. Claxton of the U. S. Bureau of Education. At present he is Special Agent in Community Organization with the U. S. Bureau of Education, appointed to represent the Bureau in the plan of co-operation with the Council of National Defense to organize local communities. Dr. Jackson comes to State College from Chautauqua, N. Y., where he has been giving a series of lectures.

REV. ROBERT REED TO SPEAK SUNDAY EVENING

Rev. Robert Rush Reed will be the speaker at the union religious service in the Open Air Theater next Sunday evening at 7:00 o'clock. Rev. Reed is pastor of the McKinley Memorial Church at Champaign, Illinois. He is a graduate of Princeton, and was formerly chaplain at the Pennsylvania State College.
