

The Real Tobacco and Confectionery Store

A salesman just discharged from the service and meeting five of his old mates in our store said, "Well you sure meet them all here." Yes, you will meet them here. Nearly all of them. When you make an engagement just say meet me at Gorgos. They will know.

have already been made. There are eight classes: the first class is made up of the largest colleges in the country and is represented by Oxford and Cambridge of England, and Yale, Harvard, etc. of the United States; the second, third and fourth classes include the western, mid-western and Canadian institutions; Penn State has been put in the fifth class, in which are also the University of Pittsburgh, Columbia, Syracuse, Massachusetts Institute of Technology, Ohio State, Northwestern, Purdue, Notre Dame, Kansas and Indiana. The remaining thirteen classes are made up of the smaller colleges. The Blue and White will probably enter teams in all of the following races, each of which is an American championship event: sprint medley relay, distance medley relay, one mile relay, two mile relay, four mile relay, and one mile Freshman relay. In the events last year, the Penn State team showed up particularly well, as it won the intercollegiate one mile Freshman championship, the javelin throw, tied for place in the high jump, finished in the one mile college relay, took third place in the sprint medley, second in the 100-yard dash, and sixth in the pentathlon. This year's event is a test of skill and endurance along varied lines and decides the all around intercollegiate championship.

NOTED AUTHOR TO BE SUNDAY CHAPEL SPEAKER

Dr. Edmund Vance Cook, of Cleveland, will be the college speaker for next Sunday. Dr. Cook is a poet and author of wide reputation and his poems and articles have appeared in many of the leading periodicals of the country. He has also published several books of verse.

Dr. Cook will speak at the Freshman and upper class chapel on Sunday morning and will also speak at the Y. M. C. A. Vesper Service at 6:30 in the Old Chapel.

NEW UNIT AUTHORIZED FOR ENGINEERING GROUP

At a meeting of the Board of Trustees held in Harrisburg at the time of the governor's inauguration, the Board decided to proceed at once with the construction of a new unit for the Testing Laboratory. This unit will occupy the rear portion of the burned building and will be the same size and form as the unit just completed. The Testing Laboratory was in the basement of this building and plans had been made for the Testing Laboratory to keep this place when the Industrial Shops were removed. While the unit will be permanently devoted to mechanics and testing of materials it will provide for the Mechanical Engineering equipment until the latter has a permanent building.

Interfraternity League

The Interfraternity League opened its season on Monday night when six games were played. The results were as follows: Lambda Chi Alpha 12 Kappa Sigma 3 Phi Delta Theta 10 Phi Delta Theta 9 Sigma Nu 23 Beta Samach 4 Alpha Delta Sigma 10 124 Burrrows 2 Sigma Alpha Epsilon 26 Alpha Zeta 10 Iota Chi Delta 17 Sigma Chi 3 The schedule for the remainder of this week is now posted on the Co-op corner. The committee has arranged the schedule for next week and it is hoped to publish the schedule at least a week before the games take place. Each team in the league should have a manager and the managers of the teams should confer concerning the referees for the games. Each team should also have a timekeeper and score keeper. Each team is asked to see that these details are attended to before each game, thus

BOXING PRACTICE CONTINUES

Several new men have reported for boxing during the past week and the intensive training which the candidates are receiving is showing up some very good material. As yet no definite dates have been set for the tournaments which are being planned but this will be done as soon as the baseball and basketball schedules have been completed. The announcement of the dates is being delayed so that they will not conflict with other athletic events for which plans are being made.

Y. M. C. A. "MOVIES"

POPULAR AMONG STUDENTS

The Y. M. C. A. has apparently found a way to entertain the student body by means of the free movies, shown every Tuesday and Thursday evenings in the Old Chapel. In addition to the movies, a short feature act is usually given which serves to add variety to the performances. Another feature which adds greatly to the evening's show is the singing of popular songs by the whole audience to the accompaniment of one of the college "jazz" bands.

The Secretary wishes to say that the pictures shown are not of the educational type but are modern dramas in which the most popular stars appear. The attraction for Thursday night is Herbert Rawlinson in "The Bruce-Up". Everybody is cordially invited to come and have a good time.
