BOXING TOURNAMENT RESULTS IN DRAW
(Continued from first page)

is an experienced boxer and while at Wisconsin barracks made a name for himself by beating all contestants. Stein loved remarkably well during the bout, but only Henne's good sportsmanship prevented him from ending the bout in the first round, for he had Stein at his mercy from the very word "go", and a knockout would have been as easy a thing for him to put across. The bout was ended in the early part of the third round due to the fact that Henne's opponent was entirely worn out. The heavyweight bout did not even last the first round, Alken '21 showing his superiority over Emory '20, by hammering him at will and completely bewildering him. Emory has had very little practice with the gloves and Alken pursued him over the ring maiming blows at every angle, and causing the upper-classman to give up the fight.

The meet was as a whole very gratifying to those who have watched the progress of the sport and the contestants during the past few months. The novices have showed that they have the right stuff in them, and only practice and experience is needed to make first class boxers of them. The bouts were refereed by "Doc" Wheeling and Hart '19, acted as timekeeper. The judges for the meet were Neil Fleming and Coach Hurlow.

VARSTY FIVE MAKES CLEAN SWEEP ON TRIP
(Continued from first page)

team ahead, with the score 29 to 30. Wolfe tied the score by a foul shot, but A. Bremen again put the Panthers in the foreground by another foul shot. Wolfe again tallied one of the one pointers which made the two scores tie, 31 to 31. With but fifteen seconds to play, Sullivan, the speedy Penn State forward, tallied one of the two pointers which gave the contest to the Blue and White. It can be said that this game made the Blue and White five work harder than any contest this season and the score indicates a contest which was similar to that in which the Panthers met Penn State last winter, when the Blue and White won by a 23 to 21 score.

The extraordinary feature of the game was the sensational foul shooting of A. Bremen. During the game on Washington's Birthday, the Pitt shooter was sadly off color but in Friday night's game he was the most potent factor in helping along Pitt's score. He managed to register 23 points out of 27 trials, which is much better than he was able to do a week ago last Saturday in the Armory. Wolfe was out of form in this game and was only able to register 17 points out of 34 trials.

Geneva Five Defeated

The last game of the trip was played at Beaver Falls with the Geneva College five, where the Blue and White five defeated the Western State Champions for the second time this season by a score of 32 to 27. This contest was similar to the one with Pitt in that the Geneva five led by a score of 21 to 16 at the end of the first half. The Beaver Falls five was able to pierce the defense of the Blue and White team during the first half but after the second half started the Penn State combination played stellar ball and the only

ing from an abscess on his leg, and Teegan, who competed against Penn. has an injured rib. The remainder of the team will likely be the same as that which wrestled against Lehigh last Saturday.

Lehigh on March 16th
The Lehigh University wrestling team will be met on the Army floor on March fifteenth in a return meet. In this, however, there is little doubt but that the result will be somewhat different than it was in Saturday's contest. The team that represents Penn State in this meet will be considerably stronger than that which was defeated at South Bethlehem.

Tickets for this meet will be on sale at the Co-op store, Monday, Wednesday, and Thursday of next week. The price of admission will be announced later.

Varsity Comes Back

With the start of the second half the varsity combination uncorked a brand of basketball which completely bewildered the Geneva team. Five field goals were registered by Coach Bezdek's proteges in this period while the stellar guiding of Killinger and Wilson made it impossible for the Geneva five to tally a single goal from the field. During the end of the period Wolfe replaced Replige at center and Ritts filled in the forward position while McMillin replaced Killinger at the guard position. Ritts managed to tally a goal from the field during the end of the period.

Wolfe scored twenty-two points during this contest and Mullan was next with three field goals to his credit. Aclika, for Geneva, managed to score ten free throws besides tallying one goal from the floor.

FARMERS' WEEK PROVES SUCCESS
(Continued from first page)

treated by the faculty and students of the college that they expressed a desire to come back for another Farmers' Week in the near future. So insistent was the desire for another Farmers' Week among the visiting friends of the college that a faculty meeting was held on Thursday night and a committee was appointed to prepare for another Farmers' Week to be held June seventeenth to nineteenth. According to present plans this will be different from any meeting of this kind ever held here before. The work will be divided into sections as usual but instead of meeting in the agricultural buildings, all the lectures will be given out of doors if weather conditions will permit. This will allow a larger number of visitors to be accommodated than was ever here before. The campus and the college farms will be covered with signs which will explain the work which is being
