FRESHMEN WIN IN BASKETBALL SCRAP

Interclass Champions Defeat Sophomores in Spirited Game—Wilson Stars for Yearlings

The champions of the inter-class basketball league lived up to their record by defeating the Sophomores in the scrap game on the Armory floor last Wednesday night by a score of 41 to 12. The game was a fight from start to finish and fouls were frequent for both sides. Although the yearling team came out of the contest with the long side of the score, the Sophomores nevertheless played a fast game.

The contest opened with a rush and at the end of the first half the Freshmen had to their credit ten field goals while the Sophomores were unable to register any of the two pointers. Among the spectacular parts of the first half was a field goal by Wilson, of the Freshmen, from the center of the floor. The second half started with the same split as the first, the Sophomores this time determined to score. The ball was constantly around the Freshmen's goal, but inaccuracy of shooting on the part of the 1221 men kept them at the close of the game with only two field goals to their credit.

Wilson Leads Scoring

Wilson topped the list of Freshmen for securing the most points, tallying nine goals from the field and five free shots. Capt. in Whiteman followed Wilson with five field goals, while the other points were distributed among the other members of the team. The Freshmen won their last game of the interclass schedule by defeating the Sophomores last Tuesday evening in the Armory by a score of 62 to 8. This game completed the schedule and makes the Freshmen, champions, since they have not lost any scheduled games. The summary for the scrap game:

Freshmen 11 **Sophomores 12**
Whiteman 5 Nyeum 1
Gauthier 3 Maures 1
Houston 2 Maures 1
Wilson 2 Brownlee 1
Ludwick 2 Gensbigler 1
Field goals: Wilson 9, Whiteman 5, Gauthier 2, Fulkerson, Houston, Nyeum, Maurer. Free goals: Wilson 5, Haines 3. Substitutions: Sophomores, Stevenson, Ershman. Referee: Fulkerson for Gauthier, Lynn for Ludwick. Referee, Wolfe 20. Time of halves twenty minutes.

About forty candidates were out to try for the various parts last week and judging from the talent shown at that time there is little doubt but that "The Fortune Hunter," which is to be presented during commencement week, will prove a big success.

The men on last year's squad who will all report within the next few days are Farley, MacKerle, Hays, Landberg, Shaffer, Rader, Campbell, Hunter, Hesperstall, Henry, Williams, Kohb, I. Brown, Grimes and Ryan. With the successful culmination of these six weeks of preliminary spring training under the instruction of Coach Harlow, and then the intensive work under Coach Bezdok next fall, Penn State should put on the gridiron one of the strongest teams that has ever represented this college and one that should be capable of going through the 1919 season without a defeat.

FRATERNITY BASEBALL LEAGUE ORGANIZED

(Continued from first page)

As being the best hour. The league will continue until the middle of May, when the trophy cup will be presented to the team winning the championship. As yet, no regulations have been issued, but it is understood that no men on the varsity squad will be eligible for these teams. Each team must supply its own equipment in the line of gloves, bats and balls, and the managers of the various teams should see to the outfitting of their teams. The athletic association had planned to provide this material, laying an assessment on each team to defray the expenses, but it was found that the cost would be too great, and the idea was therefore abandoned.

This inter-fraternity league will probably be followed by another. The idea proposed is a novel one, and calls for a league composed of a team from each school in the college. Nothing has been done in regard to this matter, but it is probable that, after the close of the inter-fraternity league, this new league will be started.

BOXING SEASON PROVES SUCCESS

(Continued from first page)

The next attraction and the battle was even for the first six bouts, but the heavy weight class decided the meet, which the Sophomores gained by scoring a near knockout. The bouts were all well contested and feeling ran high. For the first time this season there were some near knockouts. The all-college championship meet ended the boxing season for this year. The contestants for this meet were not chosen by the usual process of elimination, but by the men who were in the best physical condition. The largest crowd of the season was present and splendid examples of fist skill were put forth.

Those who have been in charge of boxing this year have had cause for special gratification owing to the splendid way in which the sport was received. As a result, plans are being laid whereby Penn State will have a varsity team next year to compete with several other colleges for state preeminence in the ring.
