FRESHMEN CLASS WINS ANNUAL "TIE-UP" SCRAP

First Year Men Are Victors In Exciting Struggle—Many Amusing Incidents Occur

The Freshmen won the second annual "tie-up" scrap held last Saturday afternoon on New Beaver Field by a score of 177 to 146. The scrap was closely contested and proved that class spirit was still strong among the two lower classes. The desire to take part was prevalent on both sides and the referees were kept busy keeping those who were not participating in the scrap from entering.

The Freshmen left the Armory at two o'clock and appeared on the field after running the Sophomore's gauntlet which brought back memories of the last poster night. Athletes had no advantage over their smaller participants in the scrap for the old motto, "Union Gives Strength," was used and proved fatal to some of the prominent strong men. The Freshmen seemed to take delight in scoring on the larger men and in several instances after the dust had cleared away the majority of those tied up were of the athletic type.

Fifty men were lined up at each end of the field in order to run off the first period. Both sides seemed confident and in a few seconds the field was turned into a wrestling arena. This, however, was not a man for man scrap for in some instances one man had perhaps three men to wrestle with. The period ended with a score seventeen to ten in favor of the Freshmen.

Sophomores Take Lead
The next period started with another rush, but this time the Sophomores proved the better side and emerged with a score for that period of twenty-nine to twenty-six. The third period ended with the Sophomores in the lead by a score of seventy-one to sixty-four. At this time, however, the Freshmen started to use a little team work and it proved successful in the fourth and fifth periods, raising their score to one hundred sixty against the Sophomores' one hundred and twenty-one points.

The last period was won by the Sophomores, but not enough points were obtained in this period to award them the scrap, and the final score was one hundred and seventy-seven for the Freshmen and one hundred and forty-five for the Sophomores.

The widow's son, accompanied by the Magistrate, are dining one night in a fashionable hotel, and find that in the adjoining dining room is a group, one of which is the Magistrate's wife. bin. The latter two bouts were won on a fall. Black, in the 175-pound class, won second place, losing to Manley, of Lehigh, on decision in the preliminaries, and defeating Pendleton, of Penn, in the finals.

Next Year's Prospects
As far as can be judged now, Coach Yeager should turn out a wrestling team next year which should win as many championships in the intercollegiate as the team did last year. Only two men will be lost by graduation, Babcock, in the 125-pound class, and Locke, in the heavy weight class. However, Garber will be back to wrestle in the 115-pound class, Mills will have charge of the 135-pound class, Mowrer and Brown, both champions, will wrestle in the 145 and 155-pound classes respectively, and Black will again probably compete in the 175-pound class. It is extremely probable that Detar, the star 125-pounder of last year and conqueror of the mighty Bevier, of Lehigh, will return next fall, and in that case, the 125-pound class will be well cared for. The unlimited division, and there should be enough material from the big men in college to develop a wrestler to take Locke's place.

Great credit for the season's success belongs to Coach Yeager. In his first attempt at coaching last year, he turned out a team upon which there were six intercollegiate champions, and this year this team, developed out of green material, again won the championship. There is every prospect of its winning again next year, and also avenging the two defeats which it suffered in the dual meet this season.

Summary of Scores
The summary of the scores in the season's meets is as follows: Penn State 24, Pennsylvania 4; Penn State 13, Lehigh 15; Penn State 0, Navy 20; Penn State 19, Lehigh 14. Score in the intercollegiate: Penn State 23, Lehigh 20, Cornell, 16, Pennsylvania 8, Columbia 7. Points scored during the season:

Sophomores Win Cross Country Run

The Sophomores won the inter-class cross country run over the three mile course last Saturday afternoon by having three men place in the first five men to finish, while the Freshmen took second place by placing two men. There were twenty-five entries, fourteen of whom were Freshmen, eight Sophomores and one Junior. Since no specified teams were entered from each class, only the first five counted in the winning of the meet. J. L. Romig '21 was the winner of the race covering the course in 20 54 minutes.

Newhouse, of the Sophomore class, was the first to appear over the hill followed closely by Romig. The finish for first place was exciting, since both men showed exceptional bursts of speed when they started around the track on Beaver Field. The last hundred yards turned into a dash and it ended by Romig crossing the line slightly in advance.

The first five men to finish were awarded their class numerals. The first ten men finished in the following order: first, J. L. Romig '21, 20.54 minutes; second, W. H. Newhouse '21, 20.55 minutes; third, S. D. Seem '22, 21.47 minutes; fourth, F. D. Snyder '22, 21.48 minutes; fifth, J. R. Maxwell '21, 22.17 minutes; sixth, J. Young '21, seventh, E. H. Berman '22, eighth, D. G. Richardson '22; ninth, H. Revoe '22; tenth, G. M. Morrison '21.

PROF. CARYER TO RETURN
Dr. W. S. Dye, Jr., of the English Department, has received a letter from George Caryer, a former instructor in English, who is with the 6th Pioneer Infantry of the Rainbow Division at Coblenz, Germany. In his letter, Mr. Caryer states that he will return to this country in about a month. It is probable that he will resume teaching next year. He will also be remembered as one of the authors whose short stories were published last year in "The One Hundred Best Short Stories."

Soccer Team To Play Penn Soon

The numerous attempts on the part of the soccer management have at length produced results, and a game has been arranged with the University of Pennsylvania, to be played at Franklin Field, Saturday, April nineteenth. Overtures have been made to Lafayette, but as yet no definite word has been received from them. However, practice has been begun and the call for candidates has been issued. The difficulty which prevented the management from scheduling games sooner was due to the fact that many of the colleges have closed their soccer seasons and are not playing spring soccer, while others have not replied to the inquiries sent to them concerning games. A call for candidates was issued Monday evening and new men are urged to come out, Coach Bowman and Captain

Capt will pay especial attention to the new men, as well as to perfect the team play of the older and more experienced candidates. Many of the veterans reported for practice Monday, and the remainder of last fall's squad is expected to come out within the next few days.

What Did SHE Do

IN AMERICA? What kind a story will Cutie Beautiful, the cabaret girl, tell HIM to make him love her more than the day he left?

D. W. Griffith's great story of the home-coming tells it all. It takes you through trenches defended by women's souls and answers the question of the moment, "Did they win the great fight against temptation while HE was gone?"
