**INDIANA ELEVEN  
BOWS TO FRESHMEN**

The Freshmen football team of Penn State opened its season with a thirteen to nothing victory over Indiana Normal School last Saturday afternoon. The field, due to the recent heavy rains, was in poor condition, but the feature of the game was the ability of the Freshmen team to carry the ball through the opposing team's line for large gains.

The Freshmen received the kick-off and by steady line plunges advanced the ball to the twenty-five yard line, but there the visitor's line stiffened and the ball was lost on downs. Neither side had the ability to push the ball over, although both teams had the ball dangerously near the goal line.

In the second quarter, the Freshmen by outgeneraling the visitors, carried the ball down the field and finally Hufford carried it over the line for a touchdown. Schuster kicked the goal.

The second half opened with a rush and the Indiana team was continually thrown for losses. The big red team was pushed back until the ball was on the three yard line. In the next play the ball was downed only a few inches from the line.

The yearling team again delivered the punch and pushed the ball over the line for the second touchdown. This time the goal failed, and the game ended with thirteen points piled up for the Freshmen.

The line-up was as follows:

Following the kick-off, on successive line bucks and end runs, Ullery and Robb carried the ball to the Ursinus 5-yard line, from which point Robb, on a fake forward pass, steamed around right end for a touchdown. Conover again ran true to form and booted the ball between the uprights for an accompanying goal. The half ended just after Robb had received the ball on the

following kick-off. Some Penn State 21, Ursinus 0.

With the opening of the fourth period, the Bobbevik team again took the field and in four plays succeeded in pushing the Ursinus outfit back over the goal line. The touchdown was made by Robb and the goal added by Conover. The kick-off that followed was received by Richards on his 10-yard mark and the Red and Black quarterback returned it to the 20-yard line before being spilled by the Penn State defense. True to expectations, the Ursinus attack once more broke down and Wood pointed to Robb, who received the ball in midfield and ran it back to the enemy's 10-yard line. Following this play, Howells replaced Brooke.

The smashing attack of the Bobbeviks was again brought into action and on straight, old fashioned football the Penn State representatives carried the play back over the goal line for the Blue and White's seventh and last touchdown, credit for the score going to Ullery. Conover kicked the goal.

On the kick-off, the Penn State warriors secured possession of the sphere and began anew their march toward the enemy goal. When the ball had been advanced to the Ursinus 20-yard line, Coach Bezelok called a halt, while he sent in an entire new team of third string men.

Ursinus Plays In Luck

The first play of the new team resulted in the fumble which gave the visitors their first and only score of the game. Following this tally, Wood once more kicked off, the ball going to Knabb, who returned it from his 30 to his 15-yard line. Lichtner and Kraft in two plunges made thirteen yards through the line, following which the Penn State possession on the visitors' 42-yard line. Final score, Penn State 48, Ursinus 7.

injuries result, make the trip to Philadelphia. Captain Higgins, Eric, Brown, and Smozinski ends, Baer, Cubbage, Black, Bentz, MacKenzie, Henry, Osborne, Conover, Rauch and Beck, line-men, while Hess, Snell, Rittner, Way, Killinger, Haynes, Ullery and Robb, will compose the backfield aggregation.

Over 3,000 tickets for this game have already been disposed of to alumni and students at the graduate-manager's office, and a considerable number have been bought at Philadelphia by Penn State supporters. New stands have been built at Franklin Field and the record crowd will be well taken care of. Never before in the history of the

two institutions has there been as keen interest taken in the contest and one of the hardest fought and closest contested games of the season will be presented. Moreover the prospects for a Blue and White victory are very bright and while not over-confident, Penn State supporters are predicting that Penn will finish Saturday's contest at the end of the score.

**Bellefonte Academy  
Next for Freshmen**

The second Freshman game of the season will be played on Saturday afternoon on New Beaver field at one o'clock, when Bellefonte Academy's team will line up against the yearling eleven. The Academy has rather a weak team this season, having been overwhelmingly defeated by both Pitt and Syracuse Freshmen. The former won by about a 65-0 score, and the points piled up by the Blue and White yearlings on Saturday will determine to a large extent just what the outcome of the game with the Blue and Gold Freshmen on Friday, November seventh, will be.

The line-up for the Academy on Saturday will probably be about as follows: left end, Douglas, left tackle, Calhoun, left guard, Cochran; center, Buchanan, right guard, Sides, right tackle Dunn, right end, Mahors, quarterback, Maxon; left half back, Fleming (Captain); full back, Voight. The average weight of the team will be about one hundred and sixty-eight pounds.

The Freshman eleven will probably

**ORPHEUS CLUB ELECTIONS**

The Orpheus Club, which now embraces the Women's Orchestra and Stringed Instrument Club, at its last weekly meeting elected its officers as follows: Miss Anne Morgan '21, director, and Miss Helen Bruckman '21, manager. Great interest is being developed among the women students, and the season promises to be successful.

NEW YORK CALL. "He has far exceeded the power of the written word. It would be impossible for the greatest master of language to picture the emotions as Griffith has perpetuated them in "Broken Blossoms"

NEW YORK TRIBUNE "While we always have been devoted to the pictures, we never really liked them nearly so well as the spoken drama, but "Broken Blossoms" never could be done so appealingly in any other medium."

McCLURE'S MAGAZINE. "For what you have done to make this picture the living thing that it is, I have no words to express my admiration. It is the greatest step forward that we have known. You have immortalized yourself. I feel that a new era has dawned. With "Broken Blossoms" a new art has arrived, an art as important as Poetry or Music".

MR MORRIS GEST, Brilliant Producer of Stage Spec-

tales. "You have given America an art of her own. "Broken Blossoms" is as important in the art history of America as was the creation of the Russian Ballet in my native land."

THE LITERARY DIGEST. "In one day the screen jumped five years."

CHICAGO DAILY NEWS "David Griffith has spread his wings out into the open theatre, into the very ether of dramatic adventure. Words, could they be made of spun silk and point lace, of poison fruit and foul vapors, never could have produced the storm of expression, the electrifying dramatic currents of the Griffith pantomime. IT IS AN ELOQUENT AND DECISIVE FLIGHT BEYOND THE SPOKEN DRAMA. Griffith is the most imaginative and sane American who ever revolutionized the theatre when it needed an emancipator."
