A STORE FOR PENN STATE STUDENTS

Owned by a Penn State Man

Since January 1st, 1919, we have added many new improvements to our rapidly growing store. We have had a new front added which cost \$700, in order that we could show our large stock to better advantage. In addition we have installed new steel shelving, and a new show case. All this was done to better our SERVICE to you.

We believe our store is doing a Service to the students of Penn State, or our business would not have doubled over the preceding year. It is our aim to again more than double our business over 1919. To do this we intend to add several new lines to our store--announcements of which will be made later.

Should you not be able to secure any article you wish, tell us, we will order it for you, no matter how small the order.

After leaving Penn State send us your mail order for anything you may need, such as text books, college jewelry, pennants, memory books, etc.; in fact, anything you may need.

Yours for Service,
"Metz"

The Point Makes the Pen

The Tempoint Pen has the point that won't weaken in the strongest hand or strongest ink--

Due to a special hardening process which also gives the gold pen a steel-like hardness and flexibility.

Writes at first touch. The famous Wahl Comb Feed automatically regulates flow of ink for any speed.

Air-tight chamber prevents "sweating" and keeps pen moist for instant writing.
