LEHIGH MATMEN TO BE HERE NEXT SATURDAY
 (Continued from first page)

dependable men on the team. He made an excellent showing in the bouts last year and was a strong contender in the inter-collegiate. Captain Booth in the heavy weight class will make his opponents work hard for decisions. Turner in the 155-pound class is also new at the game. Good, 175-pound class completes the team. After an absence of several years he has returned to college and has assumed the position which he had several years ago when he held the inter-collegiate championship.

Penn State Ready
 The team which will represent Penn State in the first meet of the year with Lehigh in the Armory Saturday afternoon will be one which is the best possible to select and will have a nucleus of several intercollegiate champions. The preliminary Saturday afternoon and the final Monday night were as interesting as any meet inasmuch as the men who were matched were almost as equal in skill and experience as those represented in a dual meet. Captain Mills returned last week and will be a valuable asset to the team besides being a competent leader. Tegan, who was counted upon to hold down the position in the 125-pound class has not returned to college for the second semester and this position will be hotly contested throughout the year.

Penn State will lead off against Lehigh with Shirk as its representative. Garber was unable to compete in the finals due to sickness. The 125-pound class was not decided until Monday night when Williams obtained a decision over Gluehart. Detar in the 155-pound class did not have much competition, only one man opposing him. Captain Mills will hold down the 175-pound class although he was hard pushed by Rose. The bout in the 168-pound class in the finals was one of the best which could be given. Mover, obtaining the advantage over Spangler Brown in the 175-pound class, is looked upon to obtain another inter-collegiate championship but in remaining on the team will be hard pushed all year by Wetzel, who has come down from the heavy weight class. Farley, who has been making great strides in the sport, did not have a hard time

getting decisions over Emory in the preliminaries but Black obtained a decision over him Monday night in an extra six-minute period.

The next meet will be held with Cornell at this place on February twenty-first. Tickets for the Lehigh meet will be on sale at the Co-op Wednesday and Friday nights from six-thirty to eight-thirty and Saturday afternoon from one o'clock to the beginning of the meet.

YEARLING CAGE TEAM TO PLAY PITT FRESHMEN

The second game of the Freshman basketball schedule will be played with the strong team of the Pitt Freshmen at Pittsburgh this Saturday. This game is the crucial one for the Penn State Freshmen. Pitt Fresh has a strong team as usual and will put up a strong fight on its home floor. It has been defeated already this season by the New Brighton High school by a score of 20 to 16, while Penn State's Freshmen's only game resulted in a 21 to 17 victory over Mansfield Normal. This can not be called a test of their respective abilities however, and the game Saturday promises to be full of surprises. The Blue and White Freshmen will use the same line-up as in the last, while the Panthers Freshmen will use the following men: Ashlin, F. Mavis, F. Johnson, G. Sumner, G. Dohack, G. Dowler, F. Marshall, C. Coffield, G. Kochler, G.

VARSITY WINS TWO ON EASTERN TRIP

men took a decided spurt, and brilliant floor work by Mullan, Replogle and Killinger added further points to the Blue and White score. Captain Wolfe was closely guarded by Yarnall, the game's star defense man and was

permitted but a single two-pointer, that coming in the last few minutes of play. The line-up was as follows:

Penn State 25 Swarthmore 29

Mullan	forward	Yoder
Wolfe	guard	Benjamin
Replogle	center	Stow
Killinger	guard	Larkin
Haines	guard	Xarnall

Field goals—Mullan 2, Replogle 3, Wolfe 2, Killinger 1, Yoder 2, Xarnall 2, Larkin 1, Paul Louis, Mullan, 8 out of 11, Yoder 7 out of 9, Replogle 2 out of 3. Time of halves, 20 minutes.

Penn Is Victorious
 With the first two games of the eastern trip safely tucked away, the Blue and White five, next battled with the Penn quintet in Y eightman Hall and lost, by a 21 to 16 score, fastest and most beautiful basket ball game ever staged in college circles. The fact that the game was closely contested throughout is evident in the fact that neither side scored during the first ten minutes. Killinger starting the field goal tallying which opened the scoring list. The first half ended with the score ten all but in the second period, due to the numerous foul calls which were piled up against the Blue and White, and the fact that in the last ten minutes of the contest, the Penn State men were torn out because of the other two nights of strenuous work, the Red and Blue quintet succeeded in downing the Blue and White. The score was 16 to 21 at the end of the game. The Blue and White men were unable to even up Penn's lead. Penn State's men had gone through two nights of hard work, the previous game with Swarthmore proving more nerve-racking than supposed, but they kept up the fight with characteristic Penn State snap, winning from their opponents the heartiest commendation possible. Undoubtedly Penn State had won the contest had there not been so many fouls registered against them thirteen of the twenty-one coming in the second half. Several hundred Penn State footers were on hand and the hall was in continuous applause throughout the entire contest. The lineup and score is as follows:

Penn State 16 Penn 21

Mullan	forward	Sweeney
Wolfe	forward	Rosenast
Replogle	center	Gravo
Killinger	guard	McNichol
Haines	guard	Peck

Field goals—Wolfe 2, Killinger 2, Replogle 2, Sweeney, Rosenast, Gravo, Peck 1 out of 2, Mullan 6 out of 9, Sweeney, 13 out of 21. Referee, Boring. Time of halves, 20 minutes.

MURAD
THE TURKISH CIGARETTE

There is always a reason why!

MURADS are made of 100% pure Turkish tobacco—the world's most famous tobacco for cigarettes—grown about the Black Sea, in the Orient.

MURADS are also the world's largest selling high-grade Turkish cigarette—and their greatest increase in sales in any year was in 1919.

Now don't you agree, there is always a reason?

It is true that "ordinary" cigarettes cost a trifle less.

Judge for yourself—!
