Those Athletic Teams Sure Are Cleaning Things Up This Year

Are You Preparing For the Eddy Campaign?

VOL. XV. No. 20

STATE COLLEGE, PA., WEDNESDAY, FEBRUARY 25, 1920

PRICE FIVE CENTS

PLANS COMPLETED FOR EDDY CAMPAIGN

Student and Faculty Leaders Selected to Canvass Members—Meetings Next Week

Definite plans for the Sherwood Eddy campaign have been completed and will be put into effect on Saturday. The plans divide the preparatory work among the students and faculty. The work by the members of the faculty has been arranged to include many phases of this important campaign, particularly for the latter. Announcement was made at a meeting for the members of the faculty to be held next Sunday afternoon, at which some speaker on religious subjects will be present. It is not definitely known who this man will be, but it will be some out-of-town speaker of note, a man of the calibre of Dean Brown. One of the first meetings of the campaign will be held at the time at which Sherwood Eddy will outline his plans and make known his principles and ideals. The aim of this meeting is to invigilate the spirit of the campaign into the hearts of the members of the faculty is reached.

CORNELL FAILS TO STOP PENN STATE

Ithaca Wrestlers Win First Two Bouts But Lose All Others—Score 24 to 8

That the Penn State matmen have fully demonstrated last Saturday by the manner in which the shoulders of the Cornell wrestling team were pinned down to the mat. The final score was 24 to 8, but this does not in any way show the skill and the fierceness with which each contest was fought. The bouts were fast and clean, and were full of fight until the moment they were called.

115-Pound Class—McKay, of Cornell, was a decision from Garber, Penn State in fifteen minutes. Both men were on their feet for the first nine minutes in the first extra three-minute period. Garber took his man to the mat and got to his feet in about two and a quarter minutes. In the next three-minute period, McKay was under and recovered his feet on an arm roll in about thirty seconds. Shortly before the time was called, Garber took his man to the mat again, but the Cornellian had had enough advantage to win the decision. Score, Penn State 6, Cornell 0.

145-Pound Class—Lapina, Penn State, threw Smoley, Cornell, with a body hold in five minutes, six seconds. Deat took Smoley to the mat in the first two minutes, but Smoley secured his feet. Smoley pinned Lapina several times, but Deat retained the advantage each time. The Cornell man recovered his feet, but was taken down again, and the same act occurred with a clean body hold. Score, Penn State 6, Cornell 0.

165-Pound Class—Lapina, Penn State, threw Conroy, Cornell, with a chancery hold in five minutes. The Blue and White leader had the advantage all the time, taking Conroy down in the first two minutes, and holding him there until he picked his shoulders down. Score, Penn State 10, Cornell 0.

185-Pound Class—Mower, Penn State, won on decision from Moler, Cornell, in nine minutes. Both men went to the mat on the top in the first few seconds, but both recovered their feet. A short time later, both again went to the mat with first Mower and then Moler, on top, but again both came to their feet. The handy Penn State wrestler then picked up his man and carried him down, retaining his advantage until time was called. Score, Penn State 11, Cornell 0.

220-Pound Class—Brown, Penn State, threw Melville, Cornell, with a chancery hold in seven minutes, forty-six seconds. This bout opened fast and furious. Brown several times rushing his man off the mat. Brown took Melville down, but the latter secured a head scissors hold. The Penn State man, however, worked free, and a few seconds later secured his fall. Score, Penn State 10, Cornell 0.

Heavyweight Class—Black, Penn State, threw Hutchinson, Cornell, with a scissors hold in eight minutes, forty seconds. Black in the first two minutes took his opponent down and retained his advantage until just twenty seconds before the time limit, when by means of a scissors he forced his opponent's shoulders down. Final score, Penn State 14, Cornell 0.

NEXT WRESTLING MEET WITH PENN SATURDAY

The wrestling team representing the University of Pennsylvania in the meet here next week will undoubtedly be the best that Penn has been able to produce in years. Although being defeated in the majority of the contests this year it has nevertheless been handicapped and seems to be in the best condition of the year at this time. The Penn team put up a stronger defense against the Navy than did Lehigh, winning two contests. Several men who were in the inter-collegiate last year and made their opponents hustle are back again together with several men who have been out of college for several years.

In the 115-pound class the Penn State representative will have his hands full with Hovey, who has been wrestling in the state all year and looks better than in other years. Captain Gerson in the 125-pound class is the best bet on the team and proved this by winning his bout in the Navy meet. Trautman in the next weight is practically a new man on the team although he has been on the squad for several years. Bishop in the 145-pound class is a new man while Pendleton who is a weight lifter made a fine reputation for himself last year. Wolfe and Meyers in the 165-pound and heavyweight classes respectively are new at the game but have progressed so rapidly that they have been able to defeat men of with more experience and skill.

The Zoellner String Quartet

VARSITY RINGMEN TO BATTLE NAVY

Cocher Harlow's Men Preparing for Gruelling Contest With Annapolis Team

The main slogan now in vogue among the "Navy" boys is "Get it!" and they are being put forth by Harlow's men to get in shape for the Annapolis contest. The men who will likely battle for the Blue and White are Kahlby, McPherson and Friedman for the 115, 125 and 135 pound classes, respectively. The 115-pound class is in doubt, Welch and Cooper battling for positions, while in the 125-pound class, Allen is the best bet. McPherson will come down in the 135-pound class, which will put Welch in line for the next two weeks. For the heavyweight class, the heavyweights Branch of Livingston will hold up the Navy's side.

DELEGATION TO ATTEND VOLUNTEER CONFERENCE

The Annual Conference of the Eastern Union of Student Volunteers will be held at Juniata College, Huntington, Pennsylvania, the latter part of this week. The delegation from the University of Pennsylvania is now being organized. The members of the delegation are: G. W. Weidman, G. W. Groff, and G. W. Groff. The conference is being held at Juniata College, Huntington, Pennsylvania, the latter part of this week. The members of the delegation are: G. W. Weidman, G. W. Groff, and G. W. Groff.

ZOELLNER QUARTET HERE ON SATURDAY

Excellent Reputation Precedes String Artists Who Appear in Auditorium Saturday Night

The local hit of the Zoellner String Quartet in the Schuylkill Auditorium will be their concert on Saturday evening. This quartet is considered in musical circles as one of the best string quartets in the world. During the past few years it has played in practically every city in the United States and prior to that played in nearly all the important centers of art. After many appearances at the Royal Academy in London they were decorated by the order of King Albert of Belgium.

The Musical Courier of New York proclaims this quartet as "something unique in the annals of chamber music organizations." They have an "unparalleled ensemble, exquisite perfection of tone shading, and marvellous unity of spirit." All this is undoubtedly due to the fact that the organization consists of a father, two sons and a daughter.

From the Los Angeles Express it is learned that "The record of the Zoellner quartet in selling tickets in ten consecutive years in Los Angeles is one which doubt has been equalled in any city in this country. In the series just closed twenty-two composers were represented in thirty-one works. Two of the works called for a pianist and Joseph Zoellner Jr. responded with a virtuosity which gives him a high place among pianists, though he principally is known as a violinist."

The program which will be played is as follows:
 Allegro Moderato Mozart
 Andante Mendelssohn
 Allegretto non troppo Beethoven
 Allegretto Borodine
 Scherzo Allegro Scriabin
 Serenade, No. 2 Sinding
 "An der Hellung und piano"
 Nocturne Andante Chopin
 Allegretto Schubert
 Adagio Brahms
 Allegro non troppo Skilton
 Dolly on the Shore (Irish reel)
 Serenade Op. 7, No. 2 Haydn

CAGE TEAM LEAVES ON WESTERN TRIP

Mountaineers and Panthers To Be Met On Home Courts—Hard Contests Expected

With a record of eight victories to one defeat, the Blue and White cage team will leave State College this Thursday on their annual western trip. The team will visit the University of Montana at Missoula, the University of Idaho at Moscow, and the University of Washington at Pullman. The team will play a total of ten games during the trip.

As far as indication can be obtained from the balance of the season, the Blue and White cage team will undoubtedly be one of the best in the West. The team has a strong squad from which to choose their team. Captain Morrison and Dawson seem to be fixtures at forward. Although Hill and Hawkins may lead in scoring, Hill and forward in Kiger and Galt's coach Stuppel has wonderful nuclear material both in having played good games thus far, displaying keen competition for the ball, and will undoubtedly provide worthy obstacles to Bigelow, Purcell and Cutright also seem likely for a chance in the contest although the lineup of the Mountaineers is not known at this time. Captain Wolfe, Mullin, Replege, Killinger and Haines, and Wilson and other players of the Blue and White will undoubtedly accompany the first sitting man on the trip.

Attention is called to this fact that the cage team will be on the road Saturday, March 6th, from State College. The team will be on the road Saturday, March 6th, from State College. The team will be on the road Saturday, March 6th, from State College.

PHI KAPPA CLUB DANCE

The Phi Kappa Club will hold a dance in the Old Fellows Hall this Saturday evening, beginning at eight o'clock. All members of the club, including freshmen, are invited.

RELAY TEAM WINS BIG JUNIOR EVENT

Penn State Defeats Classy Field in Race at Buffalo—Morrill Stars

The relay team from Penn State continued the athletic success of the present year by winning the Junior A. 4x400 Relay Championship of America in the first time of seven minutes and eight seconds at the meet held in Buffalo on Saturday night. The showing of the team in this meet is definitely such a success as the New York A. C. Buffalo A. C. St. Anthony A. C. and various clubs of N. Y. A. C. combine in Buffalo on Saturday night. The showing of the team in this meet is definitely such a success as the New York A. C. Buffalo A. C. St. Anthony A. C. and various clubs of N. Y. A. C. combine in Buffalo on Saturday night.

FAST PANTHER TOSSERS

Speedy Floor Work and Thrilling Shots Feature Contest—Mullan Stars

In the fastest and snappiest game witnessed on the home court this season, the Blue and White triumphed over the University of Pittsburgh representatives by the score of 47 to 32. The contest was intensely interesting throughout the team play of both teams being put on excellent while the fast passing and wonderful shots caused many thrills. Mullan led the scoring from the floor and also had the advantage over his opponent, Levine, in scoring from the foul line. Shots from the floor by Mullan and Killinger, many times touching the rims of the baskets, were the chief feature of the contest. The second half game was kept going scoring by the excellent guard displayed by Mullan the Pitt star.

Mullan broke the tie in the early minutes of the game with a foul goal and followed with two wonderful field goals. Reesgen scored Pitt's first field goal in an equally brilliant manner. On the other side, Captain Wolfe and Replege's superiority over the Pitt man, Blue and White, through Killinger and Haines to Wolfe and Mullan, made a scoring record for superiority over the opponents.

The second half opened with a decided awakening in the Pitt team play, their fast work for a few minutes, as the spectators' "floor goals" by Robinson, Laughlin and Levine, coupled with fouls registered by the latter sent their score soaring. Not to be outdone the Blue and White also took a decided snap and several beautiful shots by Mullan added to a field goal by Wolfe and Haines put the game safely on Penn State's side. The line-up and score were as follows:

Penn State 47
 Pitt 32

Mullan forward
 Wolfe forward
 Replege center
 Killinger guard
 Haines guard
 Field goals, Mullan 6, Killinger 4, Wolfe 2, Haines, Robinson, J. Laughlin 1, Replege, Levine 1, total 20. Levine, 9 out of 12 substitutions, Kelly for Laughlin, Replege, P. J. Staff Time of halves, 20 minutes.

DR. SPARKS TO SPEAK AT SUNDAY CHAPEL

Owing to the cancellation of the engagement of next Sunday's speaker, Doctor William A. McKeeve of the University of Kansas, Lawrence, Kansas, President Sparks will speak at both services.

INSPECTOR TO ADDRESS MEN

Mr. W. McKeeve, who is Chief Inspector of the British Coal Commission, will address the students registered in the school at 4:30 this Friday, February 27th.

"CHINA MUST CO-OPERATE WITH WEST IN AGRICULTURAL DEVELOPMENT," -- GROFF

Interesting Article Written By G. Weidman ("Daddy") Groff '07, in Which is Shown the Great Need of China for Technical Men to Keep Up With the Agricultural Work

(NOTE: The following article will appear in the issue of the Penn State Collegian of January 3rd on Penn State, inasmuch as it was written by G. Weidman ("Daddy") Groff '07 who is at the Canton Christian College in China. "Daddy" Groff sends along the following comment: "The article I wrote yesterday for Millard's Review in Shanghai. The boys might be interested in this or parts of it. It shows the trend of affairs in China now and more for the technical men to keep up with the agricultural work. This will present to our institutions great opportunities and I am sure we shall be looking for men for study out here in China." The following is the article as it is getting ready for this service.)

BY G. WEIDMAN GROFF '07
 Co-operation between China and the West in the Agriculture Development of China

Mr. Hollman is Tong's article in the "Review" of January 3rd on "Co-operation between China and the West in the Agriculture Development of China" is the result of an interview with Mr. Yih Kung-cho, former Vice-Minister of Communications, in a special interview at the end of the present time. That one key to the success of the world's manufacturing and food products now so badly needed for world reconstruction, is the Chinese people has been evident since the closing days of the war. That China is the only key that will unlock the door will not be admitted by other nations for the world still continues to be a vast undeveloped mass. But that China holds the most key, in economic and labor, is now keenly felt. It remains to be seen if China can so organize her agriculture as not only to give her own people better clothing and food but also to export those products which the world needs by so doing China can bring great blessings to herself and to the world at large.

China's past history is replete with her achievements in agriculture which is the foundation of her stability. And the industrial industries must also be the corner stone of the superstructure she is now building. Her vast domain and undeveloped areas, her past and present agricultural knowledge and her resources of which are still unknown in the West, and the industry of her people all point to the

PENN STATE SENIOR DIES OF PNEUMONIA

James Lovell Chaso '20 of Centerville, Crawford county, died at 2:30 o'clock in the college infirmary on Thursday morning after an illness lasting about three weeks. His death was due to pneumonia which developed after he had contracted influenza. His body was removed to his home by his father, L. W. Chaso, who has been here for the past few days, and interment was made on Sunday afternoon.

Chaso was born in Centerville, December 18, 1895, and prepared for college at the Centerville High School from which he graduated. Chaso was a member of the Chi Alpha Pi fraternity and entered Penn State as a freshman in 1915. He was taken the Commerce and Finance course and would have graduated this year.

PROFESSORS ELECTED TO ASSOCIATE MEMBERSHIPS

Professors D. L. Markle and E. B. Staveland, of the Electrical Engineering Department were recently elected to associate membership in the Eta Chapter, the honorary Electrical Engineering Fraternity.

CLARIFIELD CO. CLUB MEETS

All persons from Clarifield County are urged to be present at a meeting at six o'clock Monday night in room 114 Old Main to decide whether the club should be continued or not.

C. W. HEPPENSTALL TO DELIVER LECTURE IN MARCH

Mr. C. W. Heppenstall, who is General Manager of the Equipment Company of Forge Company, will speak before the Mining Society some evening during the week of March first. The exact date will be announced later. Mr. Heppenstall's plant has some very interesting problems arise in some of its work on munitions contracts during the period of the war.

NEXT WEEK'S PROGRAM

The program for next week includes a series of prayer meetings held daily at noon, arranged according to the departments and schools of the college. Classes will meet at the following times: Rooms 11 L. A., 121 Main; 100 Hort; rooms 14 L. A., 1221 Main, 100 Hort; 10 Chem Annex, 101 Min. A., and 210 Eng. C. Classes are being conducted only that week for the purpose of holding these meetings, which, if delayed until after classes close, would conflict with the lunch hour of many.
