GREAT LEADER TO BE AT PENN STATE FOUR DAYS

Opening Convocation to Be Held Friday Morning and Closing Meeting Will Take Place Monday

OTHER COLLEGES TO SEND LEADERS HERE

With the coming of Sherwood Eddy but a few days off, the students of Penn State are looking forward with considerable interest to the messages which this leader will bring. The interest daily increases and from reports coming in through the various committee chairmen, the campus as a whole is ready and waiting for the campaign to begin. Mr. Eddy is expected to arrive on Friday morning and will make the opening address of the series in the Auditorium at 11:15 Friday morning. While no definite subject has been announced for this session, it is quite probable that he will use the subject, "The Challenge of the Present World Situation" as a basis of his discussion. At the meeting for men on Friday evening at 8:15, he is planning to use the subject "The Challenge of Moral Issues." Further than this, no definite subjects have been selected for the meetings. Mr. Eddy preferring rather to select the subject which he feels will most adequately meet the occasion.

Program of Meetings

The following schedule has been arranged as the most logical and least conducive to conflicts.
Friday, 11:15 A. M. Convocation
Friday, 8:15 P. M. Men Only.
Friday, 8:15 P. M. Women Only. (Mrs. Eddy, Old Chapel)
Saturday, 6:15 P. M. Student Meeting (Men and Women).
Sunday, 10:00 and 11:00 A. M. Chapel Services
Sunday, 6:00 P. M. Student Meeting (Men and Women)
Monday, 10:10 A. M. Closing Convocation.

In connection with these larger meetings which will all be held in the Auditorium unless otherwise noted, there will be numerous smaller meetings held in the boarding houses, fraternity houses and other places where groups of men can be gotten together.

The plan of these smaller meetings will be of this nature: Faculty men and students will meet in the morning during the campaign will be as many of the boarding and fraternity houses preceding the meetings in the Auditorium as possible with the object of giving the men whom they address some ideas to think about and thus lead them to make their own decisions. These meetings will be held in the morning and will be held in the boarding houses and other places where groups of men can be gotten together. The object of securing this early action is to give the men a chance to make their own decisions before the larger meetings. The meetings will be held in the morning and will be held in the boarding houses and other places where groups of men can be gotten together.

and follow-up work in leading Bible classes and discussion groups, reports that many are willing and anxious to serve in any way at all to make the campaign a success. The exact number of men that has been secured has not been definitely determined as yet but at least twenty men will be available for group meetings and interviews at various times during the campaign. The faculty has from the very beginning done everything in the power to make the campaign a success. About three weeks ago attempts were made to establish prayer groups in various sections of the town with the result that at present there are many such groups about the town and campus, even in the infant room. Powerful than ever estimated. Sherwood Eddy will maintain that for an effective and permanent campaign there must be adequate preparation in the form of prayer with this end in view. There has been a central prayer meeting held at noon last week with very gratifying results. This week the meeting has been divided up into a number of smaller group meetings in the various buildings about the campus. Classes are being dismissed at noon so that more men may attend without suffering any inconvenience with the lunch

RECORD BROKEN BY RELAY TEAM

Penn State Runners Lower Intercollegiate Medley Relay Record by Two-fifths Seconds

At the Fifteenth Annual Indoor Track Meet held under the auspices of the Johns Hopkins University in Baltimore last Saturday the Penn State runners showed their prowess by winning the Medley Relay Race in record time. The meet was held in the Fifth Regiment Armory in Baltimore before a crowd of four thousand people and was considered the most important meet since the South Atlantic States. Many southern schools and such eastern colleges as the University of Pennsylvania, Princeton, Yale, Lafayette, Washington and Lehigh Hopkins etc. were represented. Penn State's representatives were Taylor, Domning, Morrill, Shiklis and Newcomer.

The Medley Relay Race was to have been run under the usual conditions but following Penn State's recent victory over Syracuse, these schools dropped out, and Lafayette was chosen as the logical opponent for the Blue and White team. The Medley relay team broke all college records and came within two-fifths of a second of surpassing the world record. The team consisted of Taylor, Domning, Morrill, Shiklis and Newcomer.
