A WELCOME AT THE "Y" HUT
The Y. M. C. A. Hut, adjoining the Main Building, will be open during the Summer Session for the convenience of the summer school students and all are invited to make full use of it. In addition to acting as a general bureau of information, the Y. M. C. A. will be glad to aid in securing rooms, board or employment for those desiring the same. A file of Pennsylvania newspapers is always on hand, so students can read their home news. The game table and piano are also at the service of the summer students. Everybody is welcome at all times.
