SIGMA NEWS

Since the opening of the session, the Sigma Nu girls have been kept quite busy with a varied program of activities. The first week was marked by an initiation ceremony, which the committee with Miss Nesbit and Miss Reynolds at the head. The Sigma Nu picnic, an annual institution, was held on the day following the dance but that did not deter anyone from hiking to Shingletown. During the third week, Miss Garland, Miss Farquhar and Miss Gilchrist acted as hostesses at a children's party, at which Miss Knight was guest of honor. An hour of games was followed by an amusing program of songs and recitations. "Huck Finn" was among those presented at the party, and several other "boys" tried to rival Huck in his popularity with the "baby dolls" who were there in large numbers.

The dance during the second week was a great success, largely due to the managerial ability displayed by the committee with Miss Nesbit and Miss Reynolds at the head. During the third week, Miss Garland, Miss Farquhar and Miss Gilchrist acted as hostesses at a children's party, at which Miss Knight was guest of honor. At present, the entire family is preparing a stunt for the big social and under the direction of Miss Harris, something quite novel will no doubt be presented.

TO TAKE VACATION

Miss Knight will leave for her vacation tomorrow, returning to State College about the first of September. After going by boat to Duluth, Minn., Miss Knight expects to spend the balance of the summer at Waquetonsing, Michigan.
