For more than twenty years, Sims' has always been known as a store where one could find desirable merchandise at fair prices and be assured of exceptional service. Most Central Pennsylvania people know this and we doubt if any store has a more loyal clientele of customers—regular customers year-in and year-out—than ours. But hundreds of people come to State College yearly and we wish to emphasize the fact that Sims' is not only a very desirable place at which to shop but an economical place as well. Some folks have the idea that in a store such as ours prices are high. Such is not true. We do not handle cheap merchandise, but on trustworthy, dependable goods, one's dollar buys just as much or more than elsewhere. Our business grows steadily larger as more and more find out the advantage of trading here. Sim, The Clothier Correct Dress BELLEFONTE AND STATE COLLEGE - PA.
