BELLEFONTE FIVE WILL BE MET IN RETURN GAME

feat idministered to the Bellefonte five has only added to their desire for vic-tory on Saturday and they will go on the floor confident of taking the meas-ure of the Frosh. Since their initial game with the Yearlings, they have improved wonderfully, having wallpoed other teams which they have met, and are rated as one of the best scholastic teams of, the district.

COMMENCEMENT CHANGES APPROVED BY TRUSTEES

Expect to Announce Name of College's New President Within a Week ---Several Fine Gifts Received

ALUMNI' EVENTS WILL BE FEATURE OF FESTIVITIES

Tentative plans for one of the great-est Commencement Weeks ever held at Pron State in June were adopted by the Board of Trustees at their meeting in years, approval of the Budget for Ap-liarrishurg last Tuesday. The program propriation from the State Legislature for the werk will of course be similar to occasions of this kind held in former to occasions of this kind held in former to the werk will of course be similar to the next two years and the choice to occasions of this kind held in former to the next in several changes have been transacted at the meeting of the board made whereby it is housd that the fea-tivities will surpass previous ones. One this line is the rearrangement of the to the most important changes along ithe site for Alumni Day which was formerly held on Tuesday but which by the new program will fall on Sturday. Another great change to be made is day. day.

The festivities for the week will begin on Friday, June tenth. On that evening the Freshmen will stage their usual rit-ual connected with the burying of the "dinks." Immediately following this Penn Satte Players will present a play, the name of which has not been an-nounced, in the Open Air Theatro-Campus singing by the Senior Class at ten otlock will complete the program for the first day. ten o'clock war . for the first day.

ten o'dock will complete the program for the first day. Saturday promises to be the big day o' the whole week inasmuch as it has been designated "Alumin Day." In the morning at nine o'clock the College Dand will start things off bright and early with a band concert which will in all probability be held on the front campus. This event will be followed by the annual busnless meeting of the General Alumani Association in the Aud-itorium and then by an Alumni Lunch-con in the big tent which is a liviays raised on the front campus as head-quarters for the alumni who return to their Alma Mater for the festivities. The alumni will be conspicuous in al-most every part of the day's program from this time on. They will attend the track meet in case the lunchen ends before the time sot, for the former affair and will take part in a big alumni par-ade which is to form on the front cam-pus. The baseball game will also claim their shore of attention and it is ex-pected that they will be as strong in their snare of attention and it is ex-pected that they will be as strong in their support of the baseball team as they were of the Youball team at the Alumni Day celebration last October ninth. In the evening, the alumni will attend an informal dance and recep-tion to be held in their honor at the Armory.

On Sunday morning the Baccalaur-ente address will be made by some man of note whose name has not been given of note whose name has not been given out as yet. In the afternoon or even-ing the College Military Band will ren-der an instrumental and vocal program in the Auditorium. It has also been planned to have Y. M. C. A. and Y. W. C A meetings in the Open Air Theatre this same evening

Class Day Exercises at ten o'clock in the morning will be the opening event on the program for Monday. The An-

SEVERAL FINE GIFTS

PRESENTED TO COLLEGE

The move which was perhaps watched with most interest was that of the choice of a leader for the college. This however, was referred to the executive committee of the Board of Trustees with power to act. It is expected that a definite selection will be announced with. with a week.

The program for June Commence-ment week was approved and the chang-es regarding cmomencement day and Alumni Day may be noted elsewhere on this page.

The board also placed its final ap-proval on the Budget for Appropriation from the State of Pennsylvania, the most important items of which are as follows:

General Maintenance Summer Sessions...... \$2,800,000 Extensio 100,000 575,000 2,885,000 Buildings

.\$6,460,000 Total . Authorization was given for the pres-entation of a bill to the legislature for \$2,83,000 to cover the deficiency incur-red during the current bienhum, the principle item of expense being the in-creases in the salaries of faculty mem-bers which were granted last July.

An important change in the operation of the college summer session was also effected the courses offered being great-ly strengthened and the work facilitated by lengthening the period from six weeks to nine weeks.

Dr. E. S. Moore, Acting Dean of the school of Mines was officially made Dean of that school at Penn State.

Gifts Received

The college became the recipient of a very fine gift by W. S. Elliott of Pitts-burgh, a former stude.tt, when the Board of Trustees accepted the fund of \$10,000 which is to effect the establish-(Continued on last page)
