## VARSITY RING ARTISTS DEFEAT CARNEGIE TECH

### BLUE AND WHITE MITTMEN SHOW SUPERIOR ABILITY IN BOXING GAME—CAPTAIN KAHLEY OUTPOINTS MAN IN BEST BOUT ON CARD—CLARK WINS FIRST

Blue and white overwhelmed Pitt last Saturday night in the second intercollegiate boxing meet held here this year, winning by a 6 to 1 score. The Carnegie Tech boxers, while not displaying any sensational ring work, were nevertheless an aggregation of good fighters, but Penn State outclassed them in every bout fought and accordingly won the meet.

The Nittany men won their bouts in the 115, 125, 145, 160 and 175 pound classes, the other two weights on the card being divided between the two teams. In the 135 pound division the Tech man fighting at that weight was given a decision over Cooper because of a foul while the remaining three in the heavyweight class, was forfeited to Penn State due to the fact that the Sibkos did not have a man to fill the berth.

#### Clark Wins Opener

The first bout on the card was in the 175 pound class with Clark of Penn State facing McCarthy of Carnegie Tech. When the bell rang for the round, both boxers advanced with caution and effort to sound out each other's ability. There were several exchanges of blows but the bout looked as if it was destined to be a slow one until Clark, feinting with his left hand, delivered a right to McCarthy's jaw. The big Tattan staggered from the blow and fell to the floor, at the same time hitting his head with a third that could be clearly heard over the entire building. McCarthy got to his feet at the count of nine but he was in too dazed a condition to do any more fighting. The

decision was awarded to Clark, on the basis of a technical knockout. Time of round—1:54 minutes.

#### Kahley Shades Caraga

The next bout in the 115 pound division was one of the best attractions of the meet. Kahley, captain of the Blue and White team was pitted against Caraga in this weight. Both Kahley and the Tech man were fighters from the word go and as a result put on one of the finest exhibitions ever witnessed here. Caraga, it was announced, is the 103 pound amateur champion of Pittsburgh, and judging from the way in which the Smoky City lad boxed, he has a perfect right to the title.

Kahley started on the offense at the top of the song. The Nittany captain rushed the Tech representative to the ropes repeatedly landing blows which appeared to make an opponent of his size wince under them. Caraga took his punishment well, however, and seemed as if he had the ability of taking a lot more should the necessity demand it.

In the second round Caraga staged a strong comeback. The Pittsburgh fighter began to show his ability to a greater extent but it seemed as if Kahley's powerful punch was too big for Caraga to handle. Caraga continued to rain blow after blow on his opponent who covered up well but when the time came for Caraga to strike back he lacked the punch in back of his blow. When the round rang both men retired to their corners with traces of the slugfests match on. (Continued on last page)

## "JOLLIES" CAST IS IMPROVING RAPIDLY

### Frequent Rehearsals Being Held— Rehab Student is Composer of Principal Musical Number

Augmented by about twenty-five regular students, including the women, the entire membership of the Rehabilitation Club, has during the past week been concentrating all its efforts toward the preparation of a musical comedy which it will present in the Auditorium on February 13th and 14th. Just as Mr. G. G. Moyer, Director of the "Jollies" hoped that the club at Corner last Thursday, everybody connected with the production seemed to swing into a rapid stride—rehearsals were held at intervals to sell with an unexpected impetus. Each night rehearsals lasting three or four hours are taking place in Room 100, Horticultural building. Here the candidates for the cast are rehearsing thoroughly familiar with the music, dancing and libretto of the comedy.

All the music used in the play, with the exception of the opening chorus and one or two other numbers, was written by Mr. G. G. Moyer. Mr. Moyer is a composer of considerable note, having written the music for many of the best musical comedies that have been produced in recent years. Fifteen numbers ago he wrote one of the first rag-time pieces that ever made a hit—"I Don't Know Where I'm Going, But I'm On My Way." Director Moyer originally had the dance steps and wrote a considerable portion of the libretto. Mr. Caputo's song "My Georgian Rose" will also be featured in the play. When Mr. Moyer first heard this song he expressed the opinion that it is one of the prettiest waltz ballads of present day popular music. The majority of the lyrics, which are rapid and catchy, tunes, interwoven however by a number of waltz selections of a more dreamy and rhythmic nature.

The minstrel part of the production promises to be an interesting one. Instead of the old out and dried system that is generally used, where a few soloists sing ballads and the rest of the cast sit around and look pleasant, a new system will be used, whereby every member of the minstrel cast will be doing something to amuse the audience every second of the play.

The Director has been delighted with the ability which the chorus has been showing in the dancing. One of the features of the dancing part of the program will be a solo which will be rendered by Miss Ruby White.

## OUTSIDE DELEGATES INVITED TO WOMEN'S CONFERENCE

Miss Irene Richey '21, student director of the Vocational Guidance Conference for Penn State women, has issued invitations to Bucknell, Juniata and Wilson Colleges to send delegates to the annual conference which will be held here in the near future. It is hoped that hearty response will come from these neighboring colleges and that local women students will give enthusiastic support of the project.

## PLEASING ENTERTAINMENT WILL BE OFFERED SUNDAY

A most pleasing entertainment is anticipated for Sunday afternoon in the Auditorium when Miss Ruth E. Jackson of the English Department will present a reading of J. M. Barrie's famous play "Alice Sit by the Fire." Professor Leland Rhoads will also offer several selections on the pipe organ. The concert is scheduled to begin at three-thirty in the afternoon.

## OUTING CLUB PLANS PRIZES FOR HIKERS

### First Meeting of Year Will Be Held Tomorrow Night—New Policies to Be Discussed

Students who are interested in hiking, hunting, fishing, or any outdoor winter sport—in short, all those who are interested in the purposes of the Outing Club—are urged to be present at a meeting of that organization which will be held tomorrow evening in the old Club building. This will be the first general meeting of the year. At that time a committee composed of all the officers of the club will make a report on the work that has been accomplished so far this year and will announce the program for the rest of the semester.

#### Prizes for Hikers

One of the new ideas that will be championed at this time will be that of awarding prizes to the men who do a great deal of hiking during the remainder of the semester. The Executive Committee of the organization has practically decided upon that line of action and fifteen prizes will be awarded during the present term. The first prize will be a heavy white sweater, the second a heavy blue sweater, the third a hunting knife and the next twelve all loving cups. Those entering the contest must take out a membership card in the club. These cards can be obtained for fifty cents, the funds acquired in this way being used to purchase the prizes and to equip the Outing Club cabin at Charter Oak.

The contest will open immediately. The contest will be run in the following manner. Slips of paper will be issued to each contestant before he leaves on the trip. Upon his return he will sign the slip and give the rest over which he has traveled. A committee, appointed for that purpose, will then calculate the number of miles traveled. The longest distance traveled by a member of the club will be the one awarded at commencement time.

The Outing Club is backed up in its effort to secure better sports conditions at Penn State by both Hugo Bezdek and Dick Harlow. The success of the undertaking depends at present entirely upon the attitude of the students.

## TRACK MEN RUN AT NEW YORK TONIGHT

### Demming, Newcomer, Taylor and Helfrich Make Up Relay Team—Romig and Barron to Compete

In trials held last Saturday afternoon Taylor and Helfrich were picked to comprise the two mile relay team that will represent Penn State in the annual Midwest Indoor Track Meet which will be held in New York City tonight. The other two men on the team, who were selected two Saturdays ago are Demming and Newcomer. This quartet is a speedy one and should prove a dangerous contender for the first place in the two mile relay event at the meet in the metropolis. In the one mile tonight Taylor will be the lead-off man for the Blue and White and will hand the baton to Newcomer. Helfrich, a Freshman who ran a mile in 6:30 at the commencement of the present semester, and who showed up very well in the recent trials, will be the third runner, while Demming will be the anchor man.

One of the greatest events of the meet tonight will be the 3000 metre run, which Romig will be one of the most prominent performers. In a brilliant field there will be six entrants in this race, all of whom possess established reputations as distance men. They include such runners as Guillomot, the French runner; Brown, Joe Ray, Helm, Higgins of Columbia, and Romig.

Barron will compete in the twenty yard high hurdle dash. He will be given a chance to even things with Earl Thompson, of Dartmouth, who nipped him out in the Olympic Games last summer, and no one can predict who will be victorious in this second tilt.

The Buffalo team which will compete in the National Indoor Championships which will be held in Buffalo next Saturday was also picked in the trials last Saturday afternoon. The team that will be sent to the New York city will be composed of "Buck" Williams, 220 yards, Moore, 440 yards, Edgerton, half mile, and Carter, mile for his cohorts.

## CAGE TEAM ENCOUNTERS STIFF OPPOSITION ON WESTERN TRIP

### Varsity Cagemen Score Close Victories Over Pitt and Wash.—Jeff on Foreign Floors—Wolf's Foul Shooting Feature of Both Games

Penn State preserved its untarnished slate by coming through the western trip to Pitt and W. & J. with a clean record of victories, downing Pitt Friday night in a 21 to 20 game, 39 to 23, and worsting W. & J. Saturday evening by 25 to 23 score.

The first game of the trip brought the Nittany tilters face to face with the five representing the Pitt Panther, the traditions enemies of the Nittany Lion. The teams were heralded as being evenly matched and the results of the game showed that a terrific battle which was insufficient to stave the off of field goals from the Blue and White took the lead at the outset of the contest and held it at the close of the first half by a slight margin but which was insufficient to stave the off of field goals from the Blue and White tilters in the second half.

The Pitters attempted a come-back and tried to reach the Nittany score but a volley of field goals from the Blue and White tucked the game in the Penn State locker. Wolfe played a wonderful game against the Panther and besides scoring five field goals through the basket, thereby tying the Nittany aggregation its much needed points, he caged 11 out of 19 fouls. The whole team played well and all shared in the scoring except Ritter who substituted in the last period. Jordan played a good game for the Panther. He was the main point maker for his cohorts, making seven field goals, and shooting all the fouls with a percentage of 11 out of 22.

The Penn State five played a consistent game throughout the contest and showed a slight superiority in all stages of the game. The line-up was as follows:

|             |  |           |
|-------------|--|-----------|
| Penn State  | Pittsburgh   |           |
| Wolfe       | forward  | Rose      |
| Wilson      | forward  | Jordan    |
| Replogle    | center   | Clawson   |
| Haines      | center   | McCracken |
| Killingler  | guard  | Byers     |
| Field goals | Penn State—Wolfe 5, Wilson, Replogle 3, Haines 3, Killingler 2. Pittsburgh—Rose, Jordan 7, Clawson, Byers 2. |           |
| Fouls goals | Wolf 11 out of 19, Jordan 11 out of 22.  |           |

Wash-Jeff Falls in Fast Game

The second contest of the trip was played against the W. & J. quintet at Washington on Saturday evening against a team which the Nittany Lion had already defeated 53 to 20. The Presidents staged a wonderful game and played like a different team than the one that appeared here three weeks ago. While the contest ending 36 to 23 was fast and exciting, the Penn State tilters held a perceptible edge on the western opponent in the initial period. The Wash-Jeff five came back in the second half and nearly doubled their score while the Nittany five was only able to increase its tally through Wolfe's foul shooting. The big score only up by Coach Herman's protégés in the first half however retained the lead in the Penn State camp. Replogle featured in the game, and shooting all the fouls with a percentage of 11 out of 19.

## PLAYERS READY FOR FRIDAY PERFORMANCE

### Strong Team Selected From Fifty Candidates Will Meet Brown and White Grapplers Saturday

Everything is now in readiness for the Penn State Players' presentation of George Coban's "Seven Keys to Baldpate" on Friday evening in the Auditorium. After frequent rehearsals of the play have been held since the Christmas vacation and for his cohorts, who are now entirely new set of scenery has been built and a novel lighting system devised in order to accentuate the mystic elements in this popular farce.

The complete cast of the play follows: Elijah Quimby—J. L. Getz '21. Mrs Quimby—Miss L. M. Mather '22. Wm. Hollowell Magee—B. W. Knapp. John Blank—W. E. Romig '23. Mrs. Rhoads—Miss R. Sharpless '23. Mrs. Rhoads—Miss K. Ruth '23. Peters—W. C. Schultz '21. Myra Thornhill—Miss M. E. Mumford Lou Alax—J. L. Speers '23. Jim Cantor '22. Thomas Hayden—J. T. McClintock '23. Jiggs Kennedy—S. Levy '22. The Cop—J. A. Patton '24. Owner of Baldpate Inn—W. Jamieson '24.

The scale of seat prices will be the same used heretofore in Players' productions, twenty-five fifty and seventy-five cents. Tickets will be on sale at the Athletic Store tomorrow and Thursday nights from seven to eight o'clock, and also at the Auditorium box office on Friday afternoon.

The performance will begin promptly at eight fifteen o'clock, and in order not to spoil the effect of the play upon those already seated, a couple will be ushered to the seats while the acts are in progress.

In the 125 pound class the semi-finals were not completed last week. There still remained one bout between Matten and Garber, the winner to meet Evans for the berth on the team.

In the 135 pound class the place in next Saturday's meet rests between Captain Dettar and Williams. Both men have been going strong recently, and although the former has a lead on the latter in experience, Williams has had the advantage of more practice so far this season.

In the 145 pound class, McCool and Rumberger are not out of it, as their final bout when the rest were finished, and the one of these two who is successful will be pitted against Rose, who is a likely candidate for the berth.

In the 158 pound class either Moyer or Wieland will appear on the mats against Lett, with Moyer the favorite.

In the 175 pound class, Wetzel and Spangier were still in the running when the semi-finals closed and one of these will meet the light-heavyweight contender from the Bethlehem institution.

MacMahon will hold up the heavy-weight honors for Penn State in the first meet of the season. His only opponent in the trials was Sarson.

## FROSH CAGEMEN LOSE TWO GAMES ON TRIP WEST

By winning the game over West Virginia Freshmen last Thursday night at Morgantown by a 23 to 15 score, the Blue and White youths tilters assiduously opened their western trip, but the following games with the Frosh at the Smoky City broke the chain of victories and the first year men lost 19 to 50. The third contest of February, twenty-five to ten, Saturday afternoon netted the Nittany Frosh a loss by one point margin, 26 to 25 '2.

The yearlings held the upper hand through the first contest at the Mountaineer Freshmen from start to finish. The westerners played a hard game and were a menace to the Nittany Frosh, but the Blue and White Fresh kept a safe lead and seemed to have a better eye for the basket. This contest showed a decided weakness of both teams in their ability to shoot fouls, while the field goals as a whole were well earned.

The Panther Cubs waylaid the Blue and White first year men on Friday night in a desperately fought contest. It was the Pitts finally captured 46 to 50. The Pitt Freshmen took the lead in the first period before the Nittany Frosh got acquainted with their surroundings and looked to have the game safely sewed up for delivery to.

## LAFAYETTE CONFERENCE SPEAKERS ANNOUNCED

Indications are at present that the Student Volunteer Conference which will be held at Lafayette over the week end of February twenty-fifth will be the largest ever held by the Eastern Union of Student Volunteers. This Union includes fifty-seven institutions in the Eastern part of Pennsylvania and New Jersey.

The committee in charge of the conference has released the list of speakers among whom are such men as Dr. Robert E. Speer, of the Presbyterian Board of Missions; Dr. Isaac Foster of Muhlenberg College; Dr. W. D. MacKenzie, President of the Hartford Theological Seminary Foundation; Dr. Norman A. McMillan, a medical missionary, and Mr. M. C. A. work The Student Volunteer Board will be represented by Miss D. C. Hoyle, Mr. Jesse E. Wilson and C. Blaine Ryan, Secretary of the Union, known to many of the students from.

## NOTICES

Sophomores who wish to try out as Second Assistant Baseball Managers are urged to sign up at once at the Graduate Manager's Office in Old Main.

Managers of All Class Basketball Teams meet varsity Manager Myers as soon as possible at the Phi Delta Theta House. First game scheduled for Tuesday, February 15.

## ALUMNUS ENTERS SERVICE OF THE WESTINGHOUSE CO.

Mr. Roland E. S. Swan '20 who graduated from the course in Electrical Engineering at this institution last spring, has recently entered the employ of the Westinghouse Electric and Manufacturing Company at Pittsburgh. He immediately after leaving Penn State, Mr. Swan enrolled in the Graduate Student Course offered by the big concern and has just completed the work. His studies fitted him for the position of engineer in the Service Department of the organization, and he recently entered upon his duties as such. For the time being Mr. Swan will be located at the headquarters of the Westinghouse Manufacturing Co. at East Pittsburgh.
