

FRESHMEN TOSSERS CRUSH W. VIRGINIA

Mountaineer Yearlings Unable to Stand Pace Set by Blue and White Dribblers

In a rather dull and very poorly attended game the Blue and White Freshmen vanquished the yearling team from West Virginia University last Wednesday evening in the Armory. The Nitauw Frosh had control of the contest the entire game and never for a minute was there a doubt as to the victor. The only uncertainty was the question of the size of the Penn State score.

The prowess of Coach Davis played a good hand of basketball but did not have the kind of opposition that is needed to draw out the best that they are capable of. Turner and Frank tied for honors in the field goal line, each caging four shots. Cornwall was a close second in this competition and made three baskets. Wilson and Pike played a good game, although not adding to the score by field goals. The team as a whole played well.

More Competition in Second Half

The first half developed into a walk-over for the Penn State aggregation as the Mountaineers were unable to get only one field goal in the entire twenty minutes and altogether piled up only four points. In the same time, the Blue and White combine scored continuously and, at the half, were fifteen tallies to their credit. However in the next period, when the game was resumed, the visitors seemed more at home on the Armory floor and played an all-round better game. The shooting improved and for a time, the opponents seemed headed for the leadership, but this was quickly squelched by the Penn State quintet, and the game ended 29 to 19 in favor of the Blue and White Freshmen.

The line-up was as follows

Penn State Frosh: W. Virginia Frosh: Cornwall, forward; Miller, forward; Turner, forward; Miller, forward; Flato, center; Hawley, guard; Frank, guard; Burke, guard; Wilson, guard; Holton, guard. Penn State goals: Cornwall 3, Turner 4, Frank 4, and Loeffler 1. W. Virginia University—Battell 3, Barone and Hawley. Four goals Turner 5 out of 10, Bartell, 9 out of 15. Substitutions were for Cornwall, Bott for Wilson, and Loeffler for Bott, Barone for Miller, Krosenoff for Burke, Referee Way, of Penn State.

SUNDAY CONCERTS HAVE BEEN CHANGED

Due to the unforeseen circumstances that have recently arisen in connection with the Sunday afternoon concert schedule recently announced by the Department of Music, it has been found necessary to make a few minor changes in the date for two of the concerts. The Glee Club concert that was originally scheduled to be given on March sixth will be given on March the twentieth while the program to be rendered by the College Chorus on this date will be given at the chapel service on March third. This concert will demand the entire time of the chapel service so that no speaker will address the students on this Sunday. The subject of the concert is "God, Thou Art Great" and like all of the compositions of Spohr, ranks high among the musical works in this line.

The recital to be given by students of the Department of Music has been postponed to take place soon after the Easter recess. A conflict in the use of the Auditorium made this necessary and at the same time provides for more ample preparation so that the recital when given should prove to be of exceptional merit.

MINING NOTES

Professor C. A. Knight of the Metallurgy Department recently returned from New York where he attended the annual meeting of the American Institute of Mining and Metallurgical Engineers. While there, he made arrangements with the Bureau of Mines to obtain moving picture films showing the manufacture of iron and steel and these will be obtained and shown by the Metallurgy Department in the near future.

Arrangement was also made with the Ordnance Department, Washington, whereby the Metallurgy Department here will cooperate with the Ordnance Department in conducting certain researches pertaining to the erosion of guns. Professor Knight has worked on this problem several years.

PAUL BLANSHARD TO SPEAK ON "LABOR"

Next Sunday afternoon in the Auditorium, immediately following the musical recital, Paul S. Blanshard, founder and one of the promoters of the Industrial College of Rochester, New York, will deliver an address on the labor situation. Mr. Blanshard is very well qualified to speak on this subject as for the past six years he has devoted his entire time to social work among the Amalgamated Garment Workers of America, and is thoroughly familiar with the treatment of the members of this organization receive while on duty in the cotton and woolen mills. It was while in college that Mr. Blanshard first came into prominence as a speaker, being considered the best orator that was ever graduated from the University of Michigan. Immediately after his graduation from the above institution he won the National Peace oratorical Contest and decided to enter the ministry. As assistant pastor of a large Boston Church, he first came to be recognized as a labor leader, sympathizing with the strikers during a large industrial strike that led up to the commerce of Boston. He was forced to resign his connection with this church as a result of his attitude on the strike question and decided to devote his entire time toward the betterment of the condition of the garment workers in the East. Selecting Rochester as the center of the garment industry, he secured the aid of several of the leading philanthropists and succeeded in founding the school for the garment workers.

Mr. Blanshard will present only the laborers' side of the issue between capital and labor and will attempt to prove that it is the employer who is at fault and not the workman. The speaker will point out the conditions that exist in the leading clothing factories and show how these conditions may be remedied with but little or no expense to the employer. A little later in the year a representative of the employer will be secured to present their side of this same situation. This will be the first of a series of lectures that have been planned by the Y. M. C. A. to be given throughout the next three months. All of the speakers who have been secured will talk on labor problems and both the laborer's and the capital's side of each question will be brought before the student body. In this way it is hoped to familiarize the college man and woman with the labor situation.

SIRLOIN CLUB HOLDS INTERESTING MEETING

The Sirloin Club held a booster and get-together meeting last Tuesday evening in Room 206, Agricultural Building. President Blaney presided and many suggestions for the building of a better club were discussed. The chief business of the evening was the reading and adoption of the new constitution and by-laws. Several new features were added that will be of interest to all men in the Animal Husbandry course. The most important of these was a definite night for meetings, namely the second and fourth Tuesday nights of the month. Definite arrangements were made for a regular program for each meeting. Men prominent in agriculture and animal husbandry production as well as the instructors and upper-classmen will address the club from time to time on vital problems.

A committee was appointed with T. H. Battillon '21 as chairman to make arrangements for the annual Sirloin Club banquet and committee on membership with W. M. Douglass '22 as chairman was appointed to get new members and interest the underclassmen in animal husbandry.

Professor Grimes gave a very interesting and helpful discussion of the purposes of the club and what its accomplishments should be. He also announced that the medals won by the Freshmen and two-out agricultural students in their recent judging contest will be awarded at an agricultural mass meeting Wednesday night, March the second.

The recently elected officers of the club are as follows: President—R. C. Blaney '22; Vice-President—S. M. Fieck '22; Secretary—M. T. Simmons '22; Treasurer—K. G. Bailey '22; M. F. Grimes and E. M. Christman were unanimously voted honorary members of the club.

MISS CHACE AND MISS SIMMONS ARE ATTENDING CONFERENCE. Miss E. P. Chace, Head of the Home Economics Department, and Miss Y. T. Simmons, Head of the German Department, are attending the National Educational Association, at Atlantic City, this week.

LOCAL Y. W. C. A. HAS BEEN REORGANIZED

The local Y. W. C. A. has been completely reorganized during the past month, and is planning a well rounded program of activities which will put it among the more active service and religious agencies of the town. The organization has been practically defined during the past six months, but the need of some centralizing agency has been recently felt among the girls employed in the town and on the campus, so that the new movement is meeting with hearty support on every hand.

The scope of the new program is reflected in the variety of committees which have been appointed and which are already actively at work. The committees are as follows: Social, Educational, Athletic, Social Service, Membership, Financial, Religious. A membership roundup is scheduled for the week beginning February 29. It is expected that close to a hundred per cent enrollment will be secured. The live and varied program which is planned will offer something worth while to every girl in town. Opportunities for self-education along educational, social and physical lines will attract many, while a practical community service program and Bible study courses will appeal to others.

All who are interested, whether they have joined or not, are invited to attend the next monthly meeting, March 11, at the home of Mrs. I. L. Foster.

AGRICULTURAL NOTES

Professor J. A. Ferguson of the Forestry Department spoke at a meeting of the Huntingdon County Conservators Association on Thursday. It has been largely due to the activity of Professor Ferguson that the Centre County Conservators Association has been making such rapid progress, and several other counties are becoming interested in the movement.

The snow shoe rabbits from Maine, which were liberated in the large wood lots of the college, are thriving and apparently enjoying their Pennsylvania home. All hunters are requested to protect the animals and to report to the House of the District Game Committee any harm which may be done by hunters on or by wild animals.

SENIOR GIRLS TO HOLD SUBSCRIPTION DANCE

Final arrangements have been made for the subscription dance which the Senior girls are to hold in the Armory March 4. The dance is to be an all-college affair and all students are invited to attend. By special permission of the Student Council, the dance is permitted to attend and a ruling has been made so that the women students can attend without their counting as a social function. Programs will be on sale at the Athletic Store Wednesday night, March 3, from 7 to 8 o'clock. The price of admission is \$1.50, plus 15 cents war tax.

LENT St. Andrew's Episcopal Church The Little Church Over the Hill Services this Sunday 10:45 A M and 7:30 P M. The morning service will be in charge of the Rev. Malcolm Marnard, of Bellefonte. Mrs. Haywell will sing at this service.

"I smiled—and he shot me" AFTER MONTHS and months MY WIFE persuaded me. TO HAVE it done SO I went around. TO THE photographer AND GOT mugged. WHEN THE pictures came. I SHOWED them to a gang OF AMATEUR art critics AND PROFESSIONAL crabs. DISGUISED AS friends. WHO FAVORED me WITH SUCH remarks as. "DOESN'T HE look natural?" "HAS IT got a tail?" "A GREAT resemblance." AND THAT last one. MADE ME sore SO WHEN friend wife. ADDED HER howl. I TRIED again. THIS TIME they were great. FOR HERE'S what happened. THE PHOTOGRAPHER said. "LOOK THIS way, please" AND HELD up something. AS HE pushed the button. AND NO one could help BUT LOOK pleasant. FOR WHAT he held up. WAS A nice full pack. OF THE cigarettes. THAT SATISFY. They Satisfy! Chesterfield CIGARETTES
