# **DEBATING TEAMS WIN** AND LOSE CONTESTS

#### Blue-and White Squad Victoriou at Bucknell but Lose Affirmative Here Against Dickinson

Here Against Dickinson The friangular debate which was held on Friday evening, between the teams representing Dickinson, Bucknell and Penn State resulted in a division of honors for the debates of this institut-ion. The contest of this institut-ion. The contest of this institut-ion of the debates of this institut-ion. The contest of the institut-ion. The contest of the institut-ion of the debates of the institut-ion of the debates of the institut-ion of the debates of the institut-ent of the institution of the institut-ent of the institution of the institution of one in their favor The debate held in the Auditorium resulted in a rev-ersed declared the Didges who de-clared the Red and Gray to be the win-er by a similar vote of two to one The subject debated in both contests was "Reson both di chart a rigid Jap-nesse exclusion haw." It is a coincid-fonce that to icams debating the nega-tive, side received the declaions in both-used line of John Binnehard, of Belle-fonte, Dr R. V. Cecil, of Juniata Col-lege, at liunthigton, and D R. Mc-Dugni, of Lock Haven Normal School The first speaker for the alimative was B.S Leathem '32, who outlined the undestubility of the Japanese in this country. Hi declared that Cal-ionia wants picce but that she wants the Commonwealth foi her own people. Ar. Leathen had, a spiendid deliveij and demonstrated his ability by the speech.

and demonstrated his ability by the presentation of his well-prepared speech R. H. Henderson '21, opened the case for Dickinson. He explained the Sentlemen's Agreement which was in-urgurated during the administration of President Roosevelt and explained the outling of this unvoltten law. His prech was well supplied with stath-les on Japanese innufaction and emi-travia in the United States supplied unitariant of the state of the state and the state of the state of the Root of the state of the state method in the state of the state and the state of the state of the state and state of the state of the state of the Japanese are already bolks gregation in the South with the situation in which he Japanese are already bolks gregation of the Japanese and laready bolks are state duestions all endy asked and who then proceeded to present the religious side of the Japanese situation. He gave a aluable meight into the work algready of the Japanese situation. He gave a aluable meight into the work algready of the Japanese situation. He gave a aluable meight into the work algready of the Japanese and the state of the open on the Doon the South with the Japanese of the Japanese of the Japanese of the of the Japanese situation. He gave a aluable meight into the work algready of the Japanese and the state of the Japanese of the Japane

d of this country and did so in a vincing manner. . D Sfoldard '21, summarized the unments already prover by Penn to and then showed the practicabil-of the proposed law He said that should do what we honestly believed uid be done and that'the exclusion would ald the economic and social (ionships between both nations. He followed by J A. Kinneman '21, blowed by J A. Kinnema '21, blowed by he told of, the untruthfulness journalism and of the effect sid enactment would have on constainations of Japan buttal was a compliment is us as they did excellent work r-was the first speaker and he the affirmative for dodging tion. Mr Leathem followed the numerative for dodging tion. Mr Leathem followed the immigration were stopped and of nt would
