HARVARD TRACK MEET TUESDAY

(Continued from first page)

Olympic fame, at the Relays Harvard considers him a winner. Coach Martin expects Hile and "Casey" Jones, the Penn State entries, to surprise Gourdin. Hile showed up very well on the southern trip and has been improving daily. Other Harvard entries in this race are likely to be R. D. Howard, V. Chapin, and C. H. Wankler, all fast sprinters.

Hiles and Grimes will appear in the 220 yard dash against Gourdin, Howard and J. E. Kennedy, the Harvard entries. Gourdin has covered the distance in 21 seconds, which is slightly faster than either Hile or Grimes did on the southern trip.

In the 440 yard dash, Penn State should carry off the honors. Harvard will most likely enter R. Chute, Kennedy, and Gourdin, while Penn State will be represented by Captain Demming Newcomer, and Taylor. Taylor in this recent trip, Demming covered this distance in 50 seconds flat. Chute of Harvard has done it in 51.3 seconds and the race should consequently prove to be very close.

Harvard's best men in the half mile are McCarthy, Doherty and Davis and Penn State's are Edgerton, Demming and Newcomer. Demming's record in this event during the southern trip was two minutes and two seconds.

The mile promises to be a real thriller. In it, Romig, Cooper, and Snyder will meet Harvard's captain, J. P. O'Connell, Fox and Reycroft. O'Connell has captained the Harvard team for the past two years. In 1919 he took first place in the mile, when he tied the Harvard record by completing the distance in 4:23.3. Romig's best time this year is 4:34. Cooper covered the same distance in the Virginia meet in 4:33.

Romig, Snyder, and Edgerton are Penn State's best prospects for the two mile run, in which they will compete against Bemis, Lutz and Mahon. In the meet at Charlottesville during the Easter vacation, Romig ran the two mile in 9:55.9.

In the hurdles, Barron, Hile, Pond and Kaufman have been showing up exceptionally well during the past week. Harvard, however, has two very good men in Witter and Pitts.

Harvard is depending upon Gourdin and Harwood to win first places in the broad jump and pole vault respectively. Gourdin and Way, both holding the broad jump record in the institutions from which they hail, will meet again and the match should be one of the most closely contested of the entire meet. Way's record at Penn State is 23 feet 5 inches, while Gourdin's at Harvard is slightly better, it being 23 feet 7 1/2 inches. At the Penn Relays last year, Gourdin took first place, with Way following a close second.

In the pole vault, Harvard will be represented by Harwood, who holds the

Harvard record and who was also a member of the American Olympic Team last summer. His record is 12 feet 6 inches.

In the other field events neither Penn State nor Harvard will be represented by any particular stars. McMahon and Brown who were strong on the mat here last winter and who battled with each other in the heavyweight tilt, will meet again, this time in the shotput. Tolmachev has an expert Harvard shotputter. Both he and Brown won considerable fame on the gridiron last fall. Schuster and Jacoby will be the other Penn State entries in this event.

Harvard has an expert high jumper in Goodell, who has been improving rapidly in the last few weeks. Way, who has been getting much better during the past week, should give Goodell some strong competition.

In addition to these men Coach Martin has "Bink" horses. "Hinky" Haines and "Bill" Ullery may start in the 100 yard dash and some other important changes in the entries may take place before the meet opens.

Team Will Occupy Fraternity

Through the generosity of its members the Phi Kappa Sigma house will be turned over entirely to the Crimson athletes, approximately thirty in number, for their accommodation at State College from Sunday to Tuesday. The members of the house will, during this time, move out of their home and find entertainment in other parts of the village.

position and either may fill it on Saturday. Carson is making a strong bid for regular catcher but Hynes has a slight advantage over him and will probably start as backstop in the Tech game. So far as the other positions are concerned, Hileman will appear at shortstop, Reed will hold down the second sack, Beltz will play third, and Anders and Russell will play the other field positions. The hurler for the Nittany Freshmen tomorrow has not been chosen, but will be either Fixter or Kelly since these two moundmen have been displaying fine form and stand out above the other contestants.

DELEGATES NOW AT M. I. T. CONFERENCE

(Continued from first page)

ties was made to conform to the arrangements which have been made by the executive committee for the schedule of the meetings forming the two-day conference. The meeting this afternoon will probably deal with problems concerning student government and athletics while the conference tomorrow afternoon will be devoted entirely to a discussion of publications, musical clubs, and dramatics. Following today's conference, a formal dinner will be held tonight for the entertainment of guests and the conference will end with a formal banquet to be given tomorrow night at the close of the meetings.

In the group discussing problems on undergraduate government and student activities the organization of the student governing body and problems relating to this will be fully discussed. Such subjects as authority, relations with the faculty and alumni, methods of aiding scholastic standing, the general finance system, relation to the students' social life such as proms, smokers, and dances will be considered as well as dormitory control, interfraternity relations, societies and clubs.

A consideration of control of athletics by students, by faculty, and by alumni, financial support, methods of establishing and maintaining college spirit, and of athletic trips will fall to the lot of the group discussing athletics. Business and news problems confronting the staff of college dailies, comic publications, and annuals will come before the group discussing college publication problems.

Y. ELECTS LEADERS FOR COMING YEAR

As a result of the elections held in the chapels Monday and Tuesday mornings to elect the Y. M. C. A. leaders for the ensuing year, C. T. Douds '21, was elected president with Ray Baer '22 and W. S. Wetzel '22 as the two vice-presidents. C. B. Dickelhoff '23 was chosen secretary and J. F. Noble '23 treasurer.

These men will take office immediately and President Douds will appoint a new cabinet in the near future. At the first meeting, the advisory Board will also be chosen.

DELAWARE LOSES TO NITTANY BATSMEN

(Continued from first page)

base and Killinger filed to McDonald, the Delaware first sacker. Delaware annexed her only tally in this inning by means of a base on balls, and a two-bagger by Marvol, Underwood scoring the run.

In the following frame, the Blue and White representatives increased their number of runs to five. Ullery tapped a bunt and beat out Collins' throw to first, stole second, and then came home on a single by Koehler, after Haines had fanned Lightner, who had previously secured a single, was caught at third base on the play and Korb retired the side by putting out to Robbins, the Delaware third baseman.

Penn State Gets Two More Runs

Bedeck's men completed their scoring in the seventh inning, annexing two more runs. Killinger was disposed of on an assist play. Ullery knocked a single. Haines filed out to Robbins. Lightner secured a walk and stole second and then Koehler batted a single between first and second base, tagging Ullery and Lightner home. Korb attempted to hit the ball on the nose but grounded it to Collins who threw to first and retired the Nittany diamond men for the inning.

MISSOURI EDUCATOR TO SPEAK IN CHAPEL

Dr. J. B. Work, Vice-President of Tarkio College, of Tarkio, Missouri, but a native Pennsylvanian, will address both chapel services this Sunday. For many years, Dr. Work has taken a very prominent part in the activities of the United Brethren Church, as both clergyman and educator. Through his associations with colleges and schools in many states, he has had a wide experience with students in general, and should prove an interesting speaker.

Graduating from Westminster College in 1882, Dr. Work studied at the Princeton Theological Seminary for
