GIRLS MAKE MERRY AT HAMILTON WOODS PICNIC

Last Wednesday evening the girls of the upper classes were the guests of the Freshmen at a picnic in Hamilton's woods. About one hundred and seventy-five girls left McAllister Hall after the last hour class in the afternoon and soon arrived at the woods fully equipped with first class appetites for the feast which had been prepared.

Bacon spits were soon dripping over the blazing fire and after the meal, eleven stunts were given by several Freshmen much to the amusement of the guests. A mock track meet was one of the features staged.

MANY CO-EDS TO REPRESENT PENN STATE AT CONFERENCE

More delegates than ever are to be sent this year to the Y. W. C. A. summer conference at Eaglesmere, which begins June 18 and lasts until July 1. The Women's Athletic Association of Penn State, which has never before been entered at the conference, will be represented by Miss Agnes Novman '22, the president of the organization.

The Women's Student Government Association will also make its first entry into the new field by sending its president, Miss Florence Allen '22, to Eaglesmere.

The Y. W. C. A. president, Miss Grace Youcum '22, and Miss Allison Foll '23, together with two other girls who will represent the Penn State association, but who have not, as yet, been chosen, will also make the trip.

Much effort has been put forth by the three lower classes to raise money to send an increased number of these delegates to the conference. The Junior class has chosen Miss Harriet Calvert and Miss Mary Cray as representatives. The Sophomore girls will send Miss Florence McKee, Miss Isabel Allen, and Miss Agnes Taylor. The Freshmen delegates, five of whom will probably attend the conference, are to be chosen next week. Several unofficial delegates will also go.

Delegates from the colleges of five eastern states meet at Eaglesmere to discuss problems of mutual interest and to gain added spirit and enthusiasm which they may transmit to their home organizations. During their stay the girls study definite courses along lines of Y. W. C. A. activities which are of benefit in making their local associations more effective.
