**NEW YORK CLERGYMAN WILL SPEAK SUNDAY**

Those attending chapel next Sunday will have the pleasure of hearing an able and distinguished speaker, the Rev. Plato T. Jones, pastor of the first Presbyterian church at Moravia, N. Y. Reverend Jones is a man who has enjoyed a wide and exceedingly interesting experience. He was born in Wales where his family was very prominent. His father, Mr. Rhys Gwynn, was a widely known minister in Wales and in this country, having been pastor of the Welsh Church at Utica, N. Y. for forty-five years during which time he published a large number of sermons. His father's brother was to convey greetings to the Ter-Centennial Anniversary of the Landing of the Pilgrims. Rev. Jones was brought to America when he was eight years old and was educated here. He is an alumnus of Hamilton College, Clinton, N. Y., having graduated with the class of '85 and also a graduate of Auburn Seminary. During the earlier years of his life he did evangelical work in the logging camps of Canada. As can be imagined he had some very interesting experiences while engaged in this work. Besides his work in the Canadian forests he has acted as a telegraph operator in various positions and as an operator for the Associated Press. Later he was pastor of the First Presbyterian church at Easton Pa., and is now acting in the capacity of pastor of the church at Moravia. Rev. Jones has published many sermons, is one of the most prominent men in his section of the state, and has had wide experience in college preaching, although he has never addressed chapel at Penn State. Mr. W. K. Jones who is an instructor in Spanish at this college is a son of Rev. Jones.

**ALUMNI NOTES**

Alumni Secretary E. N. Sullivan is attending a conference of Alumni Secretaries at Ithaca, New York. He left Wednesday morning and expects to be back Sunday. Various phases of alumni work will be taken up at the conference. There will be a meeting of the Alumni Council Friday evening, June tenth in Old Chapel. At this time reports of the various branches of the state will be heard and concrete plans for the coming year will be discussed. The annual business meeting of the Alumni will be held on Saturday morning, June eleventh in the Auditorium at ten o'clock. Amendments to the constitution for increased dues and members will be discussed.

and then trotted home when McCandless singled to right field and Koehler fumbled the ball. McCandless also attempted to come home on the same play but was caught Brill struck out. Eleven Runs For the Varsity. In the following inning, the Nittany diamond men annexed three runs by means of an error, singles by Rintz and Koehler, and a sacrifice fly by Brumbaugh, and in the sixth they secured three more tallies. Mearkie was hit by a pitched ball for the second time. Killinger rounded out, Ulley fanned, and then successive singles by Haines, Rintz and Koehler accounted for the three runs. The lucky seventh brought a run for the visitors and two for Penn State. For the Collegians, McCandless led off with a single, was followed by Brill who also hit safely, and reached the plate on a wild throw by Mearkie, who had bungled Rooney's drive. The next man up fanned and Brill, who had bungled Rooney's drive, having taken too big a lead off third, was caught in the same play. Killinger was slightly injured in the play and was replaced by Sparks. The Nittany men scored their two runs in the seventh on singles by Sparks and Haines and a triple by Brumbaugh. In the next frame they annexed their last three runs by means of successive singles by Koehler and Korb and another three-bagger by Brumbaugh. Sparks also hit safely, but did not get home.

**MORE MONEY NEEDED FOR WAR MEMORIAL**

calls for the best of engraving and a tablet of inferior quality of workmanship will not be considered. Since it will require nearly one month to make this tablet, it is now practically impossible to secure it in time for commencement but the committee in charge will not let this fact detract from their work, for the money needed must be raised during the next school semester. Due to the fact that only a few weeks remain before commencement, the next best thing to do is to unveil the tablet at some opportune time in the future such as next Alumni Day. As yet no arrangements have been made in regard to the time of the unveiling so it is merely conjecture as to the date when this will take place.

usually be counted upon for a hit. They have acted as pinch hitters in two games so far. The change will also strengthen the defense and probably makes the best possible combination that can be had. A new pitcher, Sassaman, has been uncovered recently and may start the game against Edinboro, since he performed in good style against the varsity in practice the other day. Coach Klorer has been handicapped by lack of a sufficient supply of bullets and it may be that Sassaman will solve the shortage. In case he does not pitch tomorrow, Fixter will in all probability appear in the box.

**NITTANY TRACK MEN LEAVE FOR PIT MEET**

(Continued from first page)

Both these men finished third in the events mentioned in the Navy meet. Pitt enthusiasts are counting on Herman to make a good showing in the weights. This year Carnegie Tech is represented by one of the best teams that it has ever had. Kelly, their star sprint man, ranks among the best 100 yard dash runners in America. He won his heat in the 100 at the Penn Relays. Several other men made excellent showings at the Penn Relays. Stutz, their pole vaulter, finished clearing the bar with ease at eleven feet and Schillinger has been throwing the discus a distance that is out of the ordinary.

Last Saturday afternoon the Washington and Jefferson track team entered the meet of the Middle States Conference, which was held under the auspices of Johns Hopkins University at Baltimore. The participants in the meet represented the pick of the minor colleges of the country. The Presidents did not make a wonderful showing, as compared with the work of Rutgers, Lafayette and Delaware who finished in the order mentioned. West is the best man on the Washington and Jefferson team. He finished fourth in the quarter and fourth in the javelin. At the Penn Relays he entered the pentathlon, where he threw the javelin 185 feet and jumped considerably over 20 feet in the broad jump. At the same time the President's one mile relay team finished third in their class at the Philadelphia track carnival several weeks ago. Gibson is at the present time running very well in the hurdles and Kauter recently broke the Washington and Jefferson two mile record. Penn State is sending over twenty men to take part in the Pittsburgh meet. Grimes, Taylor and Williams

will run in the 100 yard dash and also the 220. Domming, Taylor and Newcomer will run the quarter and Domming, Taylor and Edgerton will be entered in the half. Carter and Strickler will run in the mile and Snyder, Cooper and Romig will take part in the two mile while Way, Rice, Grubb and Green will be the Blue and White representatives in the broad jump. Barron, Ellis, Kauffman and Parent will of course be on deck for the hurdling events and in the high jump Penn State will be represented by Way, Parent and Green. Tice and Green will pole vault and Beck, McMahon and Vandling will throw the discus and put the shot. Vandling and McMahon will also throw the hammer.

the conference. Following "Bez" speech at eight o'clock, Mr. George Irving is scheduled to address the gathering. Mr. Irving is now with the Canadian Y. M. C. A., and was formerly editor-in-chief of "Association Men" the official paper of the "Y." Sunday morning will be spent by the delegates in attending some church of the chapel service. In the afternoon, at two o'clock, James J. Coale, Secretary of the Home Mission Board of the Presbyterian Church will speak on home missions. An hour later, Mr. John Elder is scheduled to talk on foreign missions. He is traveling secretary of the Student Volunteer Movement, and has gained much experience by his three years service in Russia and Armenia during the war. The conference will come to a close Sunday evening with

a student meeting at seven-thirty P. M., which will probably be held in the Auditorium. Rooms Secured for All. The various fraternity houses at Penn State have generously answered the request to house the delegates and the response from them has been exceptionally gratifying. Residents of the town have also offered rooms for the delegates. John Bell '19 who is in charge of the entertaining and housing has been greatly responsible for the good results. The general committee is headed by C. C. Galley '22, who is assisted by J. W. Allen '23, A. Hay '23 and C. E. Finley '24. Boy Scouts of the town have been secured to act as guides during the conference.

Artist Recording an Edison RE-CREATION

Same Artist proving the RE-CREATION by Direct Comparison

**Only the NEW EDISON sustains the Direct Comparison Test**

This means that the New Edison is the only phonograph that gives you exactly what the artist or artists sing or play into the recording horn when making a RE-CREATION.

This means that no other phonograph or talking machine can give the life-like realism you have a right to expect for your money—the absolute realism that Mr. Edison spent three millions of his dollars to develop.

And finally, this means that, if you are interested in buying a phonograph, your good judgment should bring you to this store to ask us to prove the above claims. We shall welcome your visit.
