## DIAMOND MEN TO CLASH WITH PITT NINE WEDNESDAY

Pittsburgh to Be Scene Tomorrow Of First Game Between Pitt And Nittany Nines

**HAINES IS INELIGIBLE**  
Smoky City Aggregation Has Made Good Record-Trimmed Yale On Eastern Jaunt

The Nittany diamond stars, with the extraordinary record of fifteen victories in their possession, will invade the western part of the state on Wednesday and attempt to trim the University of Pittsburgh in the Smoky City. This game will undoubtedly prove to be one of the hardest of the season for the Blue and White nine and will test it to the limit. The Panther team is much stronger than that which faced Penn State last year, having defeated many of the crack nines in the east, and has lost only three or four contests out of about fifteen starts. After hanging up an excellent record on the home grounds, Pitt went on her annual eastern jaunt last week and finally broke even in games, wallowing Yale and Rhode Island State College on the first two days and then losing to Holy Cross and Brown by close margins. The Pitties handed the Bulldogs nine a 6 to 3 defeat. "Beze" baseballers trimmed Yale on the same field by 9 to 3 while taking their eastern trip two weeks ago.

**The Panther's Strength**  
Coach Eberly was well satisfied with the showings made on the road and his nine is now busy grooming the nine for the battle with Penn State. He is paying special attention to his pitching staff because of the hard hitting reputation which the Nittany batsmen have and will probably start his ace, Townsend, on Wednesday. Townsend has been working at a great rate this season and has let the opposing teams off with only a few hits. He appeared in the box against Yale. Captain Barrett, Bloom and Noble are the other hurlers of the Pitt nine. Bloom pitched his first game against Rhode Island and gave the eastern outfit only five scattered hits, while Barrett, who pilots the Panther team, twirled well in the Brown game, and is quite dependable.

The players of Blue and Gold grid-iron fame appear in the Pitt line-up and lead off for the Panthers since they are the heaviest sluggers on the team. Eberly plays middle field as second base and has been in almost every game while Laughran and Davies, hold down the positions of second base and shortstop respectively and play bang-up ball. The remainder of the line-up will probably be as follows: Catcher, E. Clawson-first, Barber-right field, Cooper-third, and Sapper-catcher. Clawson was injured in the Holy Cross game when hit by a pitched ball and may not (Continued on last page)

## COLLEGE ORCHESTRA HAS PART IN MUSICAL COMEDY

Theatricals Have Selected Unusual Musical Program for Novel Commencement Number

The musical comedy "King Pomponius" which will make its initial appearance before the Penn State public on Monday evening, June the thirteenth contains many catchy and scintillating melodies. Practically all the numbers used in the show have been composed by undergraduates of the College. E. W. Knapp '21 and J. H. Hayes '22 have each contributed a number, and the majority of the other numbers are the product of H. Fishburn '22. One of two of the original numbers used in the Cornell Show have been revived and will be used by the Theatricals.

Another outstanding feature of this year's show will be the orchestra, accompanying all the numbers. This orchestra as usual is the selection of the best in the College orchestra, and under the excellent tutelage of Bandmaster W. C. Thompson, will be one of the main factors in the success of the show.

The success of the show is practically assured, due to the fact that this year's offering is the first invasion by musical comedy after several years of straight comedy. The cast includes many capable performers and musicians. The dancing numbers of which there are several, have been directed by W. T. Shockey '22 and Jack Meyers '23 and are on a par with many of the choruses of professional musical comedy.

Many new and novel features have been worked up along the lines of scenery and costuming, and no pains are being spared to make this offering the best ever produced before a State College audience.

**RAILROAD MODELS GIVEN TO ENGINEERING DEPT.**  
The T. H. Symington Company, Baltimore, has announced the presentation of a special set of models to be used in the Railroad Mechanical Engineering work at the College. These include a full size mounted draft gear, coupler and draft gear attachment set-up, a small working model of the coupler and gear, and a model of a passenger car used in freight and passenger service. The working model will be adapted for class room demonstration. This gift was made after a careful inquiry into the work of the Railroad Mechanical Engineering course and is a part of an educational program adopted by this company.

## BATSMEN TAKE BOTH GAMES FROM DETROIT

Varsity Nine Makes its Nineteen Straight—Second Game is Won By Close Margin

The varsity batmen, minus the services of Captain Haines, ran their string of victories up to nineteen straight last week end by making a complete sweep of the two game series with the University of Detroit, defeating the Michigan team on Friday and Saturday by the respective scores of 8 to 2 and 4 to 3. The Detroit men proved to be easy victims in the first contest but put up a strong fight in the second and almost tied the score in the ninth inning, a double play by Meerkle and Killinger ending the fray when two Detroit runners were resting on the bases. Friday's game was the more exciting of the two contests and was featured by the sensational sliding of Penn State, reckless base running by the visitors, and heavy hitting by both teams. Three Detroit men were caught at the plate trying to steal home or reach it on short hits. Killinger, hurling for the Blue and White, did not prove as effective as he has in other games this season and yielded nine hits to the Michigan nine, two of them being triples. John, who pitched for Detroit, was pounded hard by the Nittany sluggers, the latter securing fourteen safe hits. On Saturday, the westerners held Penn State scoreless after the first inning. In the fifth frame and played a scintillating ball game on the preceding day. Thomas pitched exceedingly well for the Blue and White, keeping the Detroit hits scattered and fanning fourteen batsmen while Klinton, the opposing moundsman, was touched for ten hits but twirled good after the first inning.

**Penn State Wins by 8 to 2**  
Each nine lead off in the first inning on Friday by annexing a run before either pitcher had a chance to really settle down. For the visitors, Mattie drew a walk, moved up to second on a grounder toillery by Nichols, and started home on Kenny's single. Meerkle trotted off for Penn State by grounding out, Killinger was issued a free trip to first, advanced to third through a hit by Dillery, and the game in with (Continued on last page)

## TENNIS TEAM HITS RUT ON EASTERN INVASION

Penn. Lehigh and Swarthmore Trim Blue and White—Score at Lafayette Tied

The varsity tennis team has returned from its eastern trip with a record of three defeats and one tie. Although the results of this trip are rather disappointing it must be remembered that the team faced an exceptionally hard schedule and was greatly handicapped by the loss of "Glen" Beard '21 and "Andy" Wilson '22 who were not permitted to go on the trip on account of scholastic standing. The men who took the trip were Captain S. Y. Boggs '22, C. J. Parsons '22, C. M. Watts '21, W. D. Guthrie '22 and Manager C. F. Ottemiller '21.

Four meets made up the complete schedule of the eastern trip. The first of the series was with Lehigh on Wednesday where the Blue and White lost every match, the final score being Lehigh 6, State 0. In the singles, Beck, Lehigh defeated Watts Penn State 6-1, 6-2, Meale, Lehigh, defeated Boggs Penn State 2-6, 9-7, 6-4, Church, Lehigh defeated Guthrie Penn State, 3-6, 6-1, Wente, Lehigh defeated Parsons Penn State, 6-2, 6-0. In the doubles, Beck and Church, Lehigh, defeated Boggs and Guthrie, Penn State, 7-5, 6-1. Beale and Laughlin, Lehigh, defeated Watts and Parsons Penn State 6-3, 6-4, 8-6.

Following the Lehigh meet the team left for Lafayette where they played the strong Lafayette team to a draw last Thursday. In the singles Mona of Lafayette, defeated Parsons of Penn State 6-1, 6-1. Shumway, Lafayette, defeated Boggs Penn State 4-6, 6-3, 6-4. Watts Penn State defeated Mitchell of Lafayette 4-6, 6-3, 6-2. In the doubles, Boggs and Guthrie Penn State defeated Shumway and Woylitt of Lafayette 7-5, 17-19. Mona and Mitchell, Lafayette, defeated Watts and Parsons Penn State 6-1, 6-1.

On Friday at Swarthmore the Blue and White team was again defeated by a score of 6 to 0. In the singles, Dudley Swarthmore defeated Parsons Penn State 6-1, 6-1. Brown, Swarthmore, defeated Boggs Penn State 3-6, 9-7, 6-0. Taylor Swarthmore defeated Watts Penn State 7-5, 6-2. Linton Swarthmore defeated Guthrie Penn State 6-3, 6-4. In the doubles, Fisher and Marguin defeated Parsons and Watts 6-2, 6-2, Boggs and Guthrie, defeated Moran and Glynn 6-2, 6-1.

The next tennis meet will be held at State College on Saturday when the strong Pitt team is expected to try conclusions with the racket men.

**Vote On Athletic Association Amendments Tomorrow Morning**

## WILL 1921 STOP AT 25 PER CENT?

Every Senior, who really has the interest of the College at heart—who appreciates what the last four years at Penn State have meant—who feels that time spent here should mean something for him in the work of the world—cannot be other than desirous of taking his share in this great work for the advancement of the College—regardless of the personal cost.

College first—Class next—Self last  
**LET'S HELP TO MAKE IT 100 PER CENT**

## A. A. ELECTIONS TO OCCUR TOMORROW

Large Student Vote Expected on Amendments and Selection of Officers for Next Year

**FIVE POLLING PLACES NAMED**

Students From Each School Must Vote at Their Own Booth in Their Building

A large student vote is expected tomorrow-morning for the Athletic Association elections which take place from eight until twelve o'clock to choose the officers for the coming year and to decide on the proposed amendments to the Athletic Association Constitution. Each of the five schools has its own polling place and students must vote at the one in their own school according to R. J. Williams '21 president of the A. A.

The method of voting will be similar to that employed during the vote taken recently in the Honor System, tables being placed in the halls of Engineering, A. A. the Ag. Building, the Chemistry Building, New Mining and Liberal Arts Building. Two students will be in charge of each table during the morning, checking the names of the voters and distributing the ballots.

**May Vote on Each Amendment**  
The amendments which were presented at the mass meeting last week and voted on at the meeting of the A. A. COLLEGIAN will all appear on the ballot. If students approve of all the proposed changes they may vote for the amendments as a whole. However, provision has also been made on the ballot so that a person may vote for or against each separate suggested change, if he does not wish to accept all of them.

No amendments have been made in the provisions of the constitution, and the by-laws since 1916, and as a result the governing rules have become out of date in some instances and are in need of changes. Many student conditions have become altered since that time and it is highly necessary that some amendments be made to meet these new situations. All of the proposed changes have been carefully considered and have the approval of the student body, the coaches and the Athletic Association officers. These people have been observing the conditions for some time and consider that the suggested alterations will make the constitution a real governing instrument.

Students are urged to consider these amendments seriously and to decide for themselves if they are the best for Penn State. They will govern the affairs of the college for some years to come and the voters must judge if the changes would be beneficial to the student body. Of course, as is readily seen, a great number of the proposed changes are necessary to bring the constitution up to date and voters should not hesitate to approve of these.

**Officers Chosen at the Same Time**  
Together with the vote on the amendments will be the selection of officers for the Athletic Association for the college year of 1921-22. The following men were nominated at the recent mass-meeting and appear on the ballot: President, C. L. McChapin '22, R. B. Baer '22, L. D. Mellinger '22, C. R. Beck '22, vice-president, T. H. Ritter '22, secretary, F. L. Watson '22, C. K. Williams '22, A. C. Oehre '22.

## COLLEGE PHOTOGRAPHER AIDS AUSTRIAN RELIEF

C. B. Noblett, the photographer of the Agricultural school, under the auspices of the Red Cross, has been instrumental in raising a fund of forty dollars, the proceeds of his own work. Noblett wished to aid the Vienna Photo Relief Fund Commission in carrying on its deserving work, and with this idea in mind, he wrote a technical article on photography and sent it to one of the many magazines devoted to this art. Expecting to receive at the most a ten or fifteen dollar check, he was surprised to receive a check for forty dollars, in recognition of his article. This sum, Mr. Noblett immediately turned over to the relief fund.

## BULLETIN

- TUESDAY**  
6:45 p. m.—Women's Student Government Association, Old Chapel.  
7:00 p. m.—Campus Singing, Flagpoles, Front Campus.  
7:30 p. m.—Recital by pupils of the Department of Music, Auditorium.  
8:00 p. m.—Lecture on Metallurgy, Mr. Knight, Old Chapel.  
9:00 p. m.—Old Main Students, Old Chapel.
- WEDNESDAY**  
8:00 to 12:00 a. m.—Voting in the various buildings for Members of the Athletic Association for next year and also on Proposed Amendments to Athletic Association Constitution.
- 7:00 p. m.—Glee Club, Auditorium  
7:00 p. m.—Sophomore Class Meeting.  
7:30 p. m.—Summer Session Meeting, 206 Main.  
7:30 p. m.—Domestic Arts Exhibit, Women's Building. Everyone invited.
- THURSDAY**  
7:00 p. m.—Electrical Engineering Society, 200 Eng. D.  
7:00 p. m.—College Choir, Auditorium.

## BUYERS TURN SELLERS IN SENIOR FUND DRIVE

Subscribers to the Endowment are Now Active in Making the Campaign a Thorough Success

Following a meeting of about fifty boosters last Sunday evening at the Phi Kappa Sigma House indications are that the Senior Endowment fund drive will reach and pass its quota. More and more members of the class are falling into the line of subscribers and the closing week of the drive should make a grand success. The last call-and was a regular land slide with the salesmen in selling the insurance policies and in gaining new recruits as backers and boosters from the graduating class for the coming year.

At the meeting last Sunday evening, non-salesmen, who had subscribed to the fund met to discuss the campaign and to join in planning the final drive which ends this week. These men endorsed the campaign and offered their aid in the final round-up. Those members of the class who have not subscribed to the endowment will be seen by the meet of this group during the week in the final effort to make the number of endowers from the Seniors as near the one hundred per cent mark as possible.

**Subscribers Are Salesmen**  
The idea to have those members of the class who subscribed to the fund to become salesmen has met with unlooked for results. These Seniors who backed the fund by taking out policies have shown enthusiasm in seeing that the classmates should become subscribers. To this is largely responsible the successful turn which the drive is now taking. These men see the advantages of an endowment and are heartily in favor of it.

**Physical Exams This Week**  
Those Seniors who take out policies in the final drive will be scheduled for a physical examination during the latter part of this week. These examinations will be conducted by Dr. Glenn, since the doctor for the insurance company has returned to the city. Those who subscribe will be notified when to report for this.

## ACADEMY NINE HANDS FRESHMEN BAD DEFEAT

Bellefonte Batwielders Pound Out 13 to 3—Yearlings Use Two Moundsmen

Bellefonte Academy came back strong on Saturday, after losing to the Blue and White yearlings over a week ago, by 9 to 8, and administered a severe beating to the Nittany Freshmen at Bellefonte, by a score of 13 to 3. The Academy batsmen pummeled two Fresh pitchers at will, securing twenty safe wallops of which three were triples and another was a home run, and piled up nine runs in the first three innings while the Penn State Freshmen were trying in vain to score. The first man for Bellefonte connected for a swat that got through the Fresh right fielder and counted for a circuit clout. Fixter twirled for the Blue and White for six long innings, yielding eighteen hits, and then gave way to Kelly, who finished the game. Staffed by the Academy nine pitched much better than he did against the Freshmen the previous week and kept the hits well scattered with the exception of the seventh frame. He fanned six men.

**Bellefonte Gets Good Start**  
The Bellefonte men jumped into the lead in the first inning when Rigby knocked a home run and then they increased their lead by collecting four tallies in each of the next two frames. On the second inning, the Academy nine pitched to a single to right field, King was hit by a pitched ball, Fleming scored Steffen by securing a safe hit and the next two batters grounded out. Foreman, Hillard and Parshall counted for a rapid succession, bringing in three more runs and then Webb fanned, completing the inning. The first man up in the third frame was thrown out at first but Rigby was walked and Fleming and Rigby connected with the horseshoe for a single and double respectively, King coming home. Irwin struck out and then Foreman's second hit of the game brought in both men on bases while Hillard's third single scored Foreman with the ninth run for Bellefonte.

After being idle for three innings the Penn State Freshmen came around with a flash of form and garnered their first tally. Mahoney hit to left and came across the plate when Reed walloped a two-bagger. Reed however died on the bag, the next three men failing to connect safely.

**Freshmen Get Two In Seventh**  
Rennette's crash to center field for the yearlings in the seventh inning took the Bellefonte fielder, became lost temporarily in the tall grass and the same home fielder had found it. Rennette had rounded the base paths and crossed the home plate, with the Freshmen's second tally of the game. The Nittany Fresh also pushed over another run in the same period when Palm, following Rennette, got a single, stole second, and tallied on Hollman's safe clout. The yearlings failed to score in the eighth and ninth frames.

## TRACK TEAM WINS PITTSBURGH MEET BY WIDE MARGIN

Blue and White Runners Score a Total of 104 1/2 Points—Almost Double Nearest Rival's

**PITT RECORDS LOWERED**  
Barron, Demming and Shea Feature in Contest by Establishing New Time in Three Events

Penn State trackmen had things very much their own way last Saturday afternoon at the Intecollegiate Track and Field Meet held under the auspices of the University of Pittsburgh at the Schenley Oval in the "Smoky City." When they massed a total of 107 1-2 points, almost double the number secured by their nearest rivals, the Panthers, who managed to score 51-2 counters. The meet was attended by one of the biggest crowds that ever viewed a track carnival in Pittsburgh, thousands of persons, being on hand to be thrilled by the intercollegiate track stars. In addition to the intercollegiate, an inter-school track meet was held which attracted much attention. The biggest thrills of the afternoon, however, came when the Blue and White runners lowered their records by a wide margin. The records which were lowered, had been standing for some time, and the first one to fall was that of the 120 yard high hurdles, which Barron, the American Champion and Olympic star, lowered to 15-5 seconds. Captain Demming also established a new record on the Pitt field when he novel out Newcomer in the half and won in 1 minute, 48-2 seconds. The other record to fall in this meet was the quarter mile run which Frank Shea, Pitt's star sprinter and Olympic man, lowered to 48 seconds.

Grimes won the 300 yard dash in 10-1-5 seconds, but in so doing pulled a tendon, making it impossible for him to enter any other races. "Buck" Williams finished second.

Penn State had more or less of a walk-away in both the hurdles events, Barron winning both and filling finishing second in the 220 and 440 second in the 120. It was in the 120 yard high hurdles that Barron lowered the Pitt record. He finished third in this race, while Parent and Kaufman finished third and fifth respectively in the 220 low hurdles.

Shea, of Pittsburgh, had to run a very fast race to finish ahead of Demming in the quarter mile, and in doing so, he lowered the Pitt record to 48 seconds. Shea drew the inside, while Demming was unfortunate enough to have to take one of the outside lanes. At the end of the first hundred yards, Shea had about a ten yard lead on the Penn State captain, however ran a wonderful race and soon had the Olympic runner trailing at a rate that was sufficient to cause him (Continued on last page)

## FULL REHEARSALS BEGIN ON PLAYERS' JUNE NUMBER

Directors of Various Features on Program Take Personal Charge of Week's Work

This week will see full rehearsals for the Players' Commencement production, "A Thousand Years Ago." Mr. Cloetingh, Director of the Players, has carefully worked out each phase of this extravagant phantasy by Percy Mack-nave and this week he is planning to organize them into the spectacle they will present on June tenth.

The stage has been set with the idea of capturing a bit of Oriental atmosphere. In assisting, Mr. D. H. Porterfield '23 has done some very splendid work. As typically it will be the supreme triumph of the Players.

An Oriental dance is to be a feature of the performance. The dancers will be in Chinese costume and their steps have been worked out realistically from an old Chinese Court Masque. Miss Ruby White has personally taken charge of this particular phase of the attraction.

The music is also now on hand for the performance. The whole production is set to special music, carrying out in every detail that mystic appeal of the Far East. Nut Crackers Suite by Tschakowsky and Scherzando by Rimski-Korsakow are being adapted to the lines.

The cast under Mr. Cloetingh's personal supervision is individually working into his part very well. W. C. Shultz '21 and Miss Alec M. Fell '23, who take the leads, portray very well the Oriental characters about whom the romance of "A Thousand Years Ago" is woven.

The performance will be a red-liner in the annals of The Penn State Players. The date is Friday evening, June tenth and the place is the outdoor theatre. Seats may be reserved through Mr. D. D. Mason.

**NEWS FROM COUNTY CLUBS**  
**NEEDED BY PUBLICITY DEPT.**  
With but three weeks of college remaining, the Publicity Department would like to urge all County Club reporters to hand in a final story for the year. With Commencement coming a-flo, many columns of valuable local news can be sent to the papers if the various county organizations will see that the material is brought to the Publicity office, 175 Old Main, as soon as possible. This will be an important bit of service to Penn State.
