FOREST CONSERVATION IS GREAT NEED OF COUNTRY

Conservation Associations of Nation Observe Forest Fire Prevention Week

In view of the fact that the timber lands of the United States are being destroyed at an alarming rate and that the once enormous timber supply of the nation has been so badly depleted in the last few years, the President of the United States designated the week beginning May twenty-second, as Forest Fire Prevention Week.

The work of this Association has not given the public it deserves for since its organization a large amount of work has been accomplished. Over one hundred sixty thousand forest trees were planted in Centre County last spring and plans are nearly completed for doubling this planting next year.

Fire is the greatest enemy of growing timber and its devastating powers are well known in Pennsylvania. Over five million acres of land that once supported hardy American trees have become a barren desert.

This problem is not only a national one for local conditions have been especially depressing during the last spring. On two or three occasions the students of the Forestry Department have been called upon to fight the spread of some forest fire in the near vicinity.

MANY GROUPS TO MARCH IN PARADE

(Continued from first page)

led by a company of co-eds representing the young women of the college, the Federated Men's Bible Class, the local School Board, school children and their teachers, the Boy Scouts, the Parent-Teachers' Association and the Woman's Club.

The parade will start promptly at ten-thirty a. m. The cadet regiment and the various other participants will form in lines at ten and at ten-fifteen will receive the order to close ranks. A bugler at the head of the line in charge of Major Walker will sound the command that will start the column in motion.

The parade will be reviewed by President Thomas, Dr. Pattee, Burgess Holcomb and several others. When the first division has reached the Auditorium the bugler will sound "halt". The various units will halt in place and stand silent until the volley has been fired over the grave of President Sherman and "taps" have been sounded as a mark of respect to the soldier dead.

The parade will then continue its march as directed by the various Aides in charge of the divisions to the flag poles, at which place further appropriate ceremony will be held under the direction of President Thomas.

SALVATION ARMY TO HOLD TAG DAY

(Continued from first page)

er three million pounds of coal were given to the needy of the nation. Twenty six homes and hospitals are maintained by the Salvationists and these have an accommodation bordering upon two thousand in number of patients.

The Salvation Army has chosen a vantage ground that no other organization has ever disputed with it—the backyard of humanity. Through the out-of-door meetings held last year, thirty-three million persons were estimated to have taken some interest, whether it was singing a hymn, or to have accepted help of a practical nature.

The Salvation Army, through its Home Service program, extends its service to all communities and individuals hitherto untouched by any national organization in a systematic way. It brings to the doors of the smaller communities a service that has proved highly successful in the larger centers and which is supplemented by Homes and Institutions built as needed through forty decades.

PITT GIVES TWIRLERS TWENTIETH VICTORY

(Continued from first page)

failed to produce a run in its half of the seventh but came around in the eighth inning and took the lead by means of a single by Barrett and a two runner by Davies. Barrett began the inning with his hit and rested on second, until Davies connected for the double. Davies tried to stretch his hit into a triple while Barrett was going home but was caught by Killinger on an assist play by Lightner.

once more. Ullery fanned but Koehler followed by connecting for his second hit and was driven in by Lightner's wallop. The next two batters grounded to the infield and failed to get on base.

Penn State Wins In Tenth

With one man out and Mellinger resting on first, the Nittany diamond men opened a fierce attack in the tenth frame and secured three safe blows that spelled defeat for the Panther and gave Penn State her twentieth victory. Mearkle advanced Mellinger to third with a clout that was good for one sack and then Killinger pushed both runners over the plate with a scorching three-bagger. Ullery, who was the next man up, also swatted a triple but neither Koehler nor Lightner could connect safely and "Bill" died on third.

PENN STATE INVITED TO ENTER LAWN TENNIS MEET

(Continued from first page)

be computed as follows: one point for a representative winning in the singles; one point for a winning in the doubles and one-half point for the runner up in the singles.

- The following rules govern the eligibility for the tournament:
1. Freshmen are not eligible.
 2. An unclassified student must have one year's resident in the college which he represents.
 3. A year must elapse before a player who has represented one college can play for another.
 4. A player is only eligible as an un-

dergraduate, except that he may play in the Intercollegiate Tournament the summer after graduation. A graduate of one college cannot represent another, even though he becomes an undergraduate of another college.
5. Players are eligible for three years only.
6. The Executive Committee shall decide any question of eligibility that may arise.

PITT TENNIS TEAM TO PLAY HERE TOMORROW

The varsity tennis team will play the Pitt racquetters tomorrow at one-thirty on the armory courts. The following men will represent Penn State: S. Y. Boggs '22; A. K. Wilson '22; W. D. Guthrie '22 and G. M. Watts '21.
