"The Fastest Growing Store in State College"

Text Books and Student Supplies of Every Description; Drawing Instruments

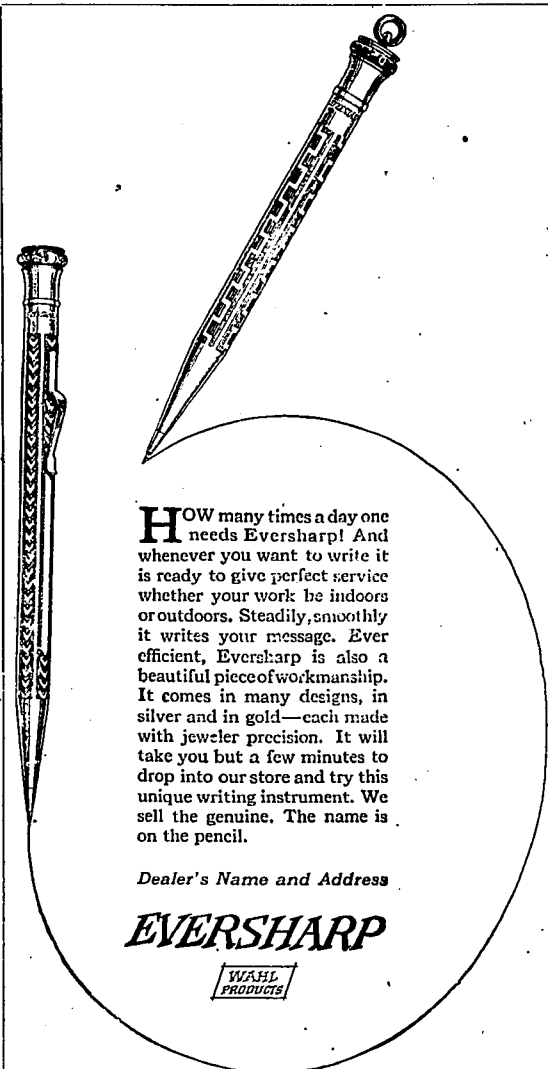

During the summer months we have made some extensive improvements to our rapidly growing store. We have installed two modern show windows of the very latest type, thus enabling us to show you our merchandise. The floor of one half our store has been dropped to street level, thus doing away with five steps into our cigar department. The store will be used exclusively for tobacco and sporting goods.

A complete stock of all kinds of Tobacco and Sporting Goods will be carried in stock.

Hunting Goods of all kinds, including Guns, Rifles, Shells, Cartridges, Coats, etc., will be added.

We are going to give State College a real store, with your kind continued patronage.

Tell us how to better our service to you.

HOW many times a day one needs Eversharp! And whenever you want to write it is ready to give perfect service whether your work be indoors or outdoors. Steadily, smoothly it writes your message. Ever efficient, Eversharp is also a beautiful piece of workmanship. It comes in many designs, in silver and in gold—each made with jeweler precision. It will take you but a few minutes to drop into our store and try this unique writing instrument. We sell the genuine. The name is on the pencil.

Is it SCHRAFFT'S!

Of course it is! Nothing is too good nowadays when the girl is sure to be well informed on chocolates. She may not know that SCHRAFFT'S CHOCOLATES represent the highest skill in present-day candy making, but she does appreciate the delicious taste of that rich chocolate coating and those tempting centers of creamy creams, nougatines, caramels, nuts, maple sugar and many other dainty confections.
