OTIS ELEVATOR COMPANY

Play these selections when you feel blue, tired, nervous, mean—

Now—at last—you can use the marvelous power of music in a practical way. Noted psychologists have just completed, for Mr. Edison, a two-year research into the effects of music. They discovered that certain selections,—when RE-CREATED by the New Edison, the perfect instrumentality of music,—actually change people's moods. Some are wonderful for soothing ragged nerves. Others supply more energy. Still others bring cheerfulness. This better, finer kind of music—
