

BEZDEK IS OPTIMISTIC AT NAVY MASS MEETING

"Dick" Harlow and Dr. Dye emphasize importance of tomorrow's football contest

Unbounded enthusiasm marked the mass meeting held in Schwab Auditorium on Wednesday night to demonstrate to the team that they had the backing of the entire student body...

In a short humorous talk, Dr. Dye of the English Department indicated to the audience the necessity of backing the team "Killy," who is acting captain during Captain Snell's illness...

TRUSTEES MAKE CHANGES IN FACULTY RATING

Important business relative to adding the faculty was transacted at the meetings, promotions, and resignations in the Board of Trustees last Friday night.

Among the resignations accepted by the board are those of S. R. Black, instructor in Industrial Engineering, J. L. Folker, instructor in Industrial Education, W. V. Potchell, instructor in Civil Engineering, H. L. Reichelderfer, instructor in Engineering Extension, and Sara L. Patten and Elizabeth McMillip, Library Assistants.

Three members of the staff were advanced in rank as follows: O. A. Knight from Assistant Professor to Associate Professor of Metallurgy, W. O. Thompson from Instructor to Assistant Professor of Military Science and Tactics, and Kathryn Stanford from Assistant Librarian to Librarian of the School of Agriculture.

Several new additions were made to the faculty. Carl A. Benander, instructor in Mathematics, Jane Himpfroy, instructor in Domestic Science, Philip K. Rice, instructor in Electrical Engineering, A. L. Soube, Research Assistant in Poultry Husbandry, P. H. Sprengle, County Agent in Bucks County, H. T. Hamel, Student Assistant in Engineering Drawing, and Margaret T. Parker, Library Assistant.

THEY MEET THE NAVY TOMORROW

for in Mathematics, Jane Himpfroy, instructor in Domestic Science, Philip K. Rice, instructor in Electrical Engineering, A. L. Soube, Research Assistant in Poultry Husbandry, P. H. Sprengle, County Agent in Bucks County, H. T. Hamel, Student Assistant in Engineering Drawing, and Margaret T. Parker, Library Assistant.

DARTMOUTH FACULTY BARS FLUNKOUTS

After making an exhaustive study of the scholastic records made by men who have been readmitted after having been previously dropped from the college, the Dartmouth faculty has decreed against continuing this practice. With a few exceptions the men who had flunked out previously failed to earn a diploma or were dropped again.

WEARING OF CLASS HATS IS REVIVED AT SYRACUSE

This year, an ancient custom of the sophomores and upper classmen wearing distinctive headgear has been revived at Syracuse. Tradition requires the freshmen to wear their green lids until the snow falls. At the present time there is a movement on foot to have the frosh, sophomores, and upper classmen wear knitted toques during the winter months.

Out-of-Doors

On Wednesday evening, November sixteenth, a very important meeting of the Outing Club will be held, at which all those interested in the club and its activities are asked to be present. The time and place of the meeting will be announced by means of signs posted on the campus.

Under the new system the activities of the club are divided into several classes or groups and there will be an opportunity for any member to take part in the club activities by aligning himself with the work which he likes best. The new Outing Club will have no room for non-active members.

The following statistics concerning the Outing Club's competition hike last spring were compiled by Dr. Overholtz and will be of interest to those who participated and others. Entire distance hiked by members who turned in cards was 13,300. 124 students turned in cards, making an average of 107 miles per man for the semester. The longest single trip was 76 miles.

FROSH SELECT CANDIDATES FOR TRIAL PRESIDENTS

The members of the class of 1925 held their third class meeting Thursday evening for the purpose of nominating candidates for president C. Hare '25, president of the class, opened the meeting and spoke on the freshman attitude in relation to the observance of customs.

FROSH SELECT CANDIDATES FOR TRIAL PRESIDENTS

The members of the class of 1925 held their third class meeting Thursday evening for the purpose of nominating candidates for president C. Hare '25, president of the class, opened the meeting and spoke on the freshman attitude in relation to the observance of customs.

Mr. Pratt in his address told how every man of the 1925 class should work for Penn State and said that this would get them further than anything else.

close of each meeting Mr. Hare then outlined the procedure for the election of the Class President and mentioned that a new system of balloting would be put into effect at the time of the election and would be explained in detail at that time.

E. D. Overdorf '25, president of the Senior Class and A. G. Pratt '25, Editor-in-Chief of the Collegian were in attendance and gave the first of a series of talks of the "Get Wise Froshman Movement."

It is important that any changes in the spelling of the above names be corrected before the next class meeting. All changes should be reported to C. Hare '25 or at the COLLEGIAN office.

Mr. Pratt in his address told how every man of the 1925 class should work for Penn State and said that this would get them further than anything else.

ARMY INSPECTOR PLEASED WITH LOCAL R. O. T. C. UNIT

Major E. H. Metzger U. S. A., who is stationed at the Headquarters of the 2nd Corps Area, Fort Howard, Maryland, visited Penn State on Pennsylvania Day, and inspected the R. O. T. C. unit and the Military Department. He was very well pleased with the condition of the R. O. T. C. unit here and praised the general appearance of the cadets on Pennsylvania Day.

The showing made by the local unit at its annual review and inspection last Saturday is especially commendable. In view of the fact that the military Department was handicapped in its preparation by the lack of time available for instruction. Inclement weather and the large number of "bookies" served to hinder progression.

The personnel of the Department at the college at the present time is to be congratulated on the showing of the underclassmen and officers of the regiment. Major Metzger was able to perform double duty at this time since he was able to inspect the regiment, and also able to visit his Alma Mater. He was graduated in 1911.

PROF. WHITE RETURNS

J. W. White Professor of Experimental Soil Technology, has recently returned from a vacation trip in North Carolina.
