

SENIORS VOTE NOT TO PETITION FOR CHAPEL EXEMPTION

(Continued from first page)

The opponents of the petition made no apology for the daily chapel as conducted but held the view that efforts to improve chapel should be supported and not hindered by petitions. They said that good chapel services should form an important part of our life here at Penn State and that Dr. Thomas should be supported in his efforts to make the necessary alterations. The vote was unusually close, showing how widely the class was divided. Those opposing the petition numbered 102 and those favoring it, 94. Some favored the petition in order to show the Trustees how chapel is regarded here.

Change of Hour Proposed

It was then said that the hour of chapel was poorly timed and that as long as the present hour held, the services would continue to be a failure. He proposed that some other time be set near the middle of the morning as in some other colleges and universities. The motion passed and a committee consisting of M. L. Shields, E. Hansman, C. T. Douds, F. M. Litis, W. S. Weizel and P. D. McElfish were appointed to investigate the possibility and to confer with the college authorities.

Swimming Pool as Memorial

The class memorial committee headed by C. L. Mellinger reported that after an exhaustive study of all the possible and suitable memorials and their financing, that it recommended the donation of a swimming pool, the money to be raised by the taking out of notes by all the members of the class promising to pay one hundred dollars in five annual installments of twenty dollars. It reported that every possible effort had been made to investigate all proposals and that the swimming pool was the unanimous selection of the committee. The financing of the gift through insurance policies was not feasible because they did not mature for twenty years and at the expiration of that period, a swimming pool might not be needed here. With the insurance also, profit is made by the companies that should go to the college.

President Overholser elaborated on the report of the committee and asked the class to give the matter careful consideration. Action will be taken on the class memorial at the next meeting of the class after the Christmas holidays.

Endorse Debating Finance Change

The weakened condition of debating through lack of funds was brought up and a motion passed endorsing the withdrawal of the debating funds from the inter-class budget and the adding a few to the incidental fees, and the boosting of the fee from fifteen to twenty-five cents, as recommended by the Student Council.

The class also voted to have a class history pocket-size book containing a resume of the class doings and a directory of the members of the class. A fifty-cent assessment will be added to next semester's class dues to provide the funds for the book.

A committee consisting of S. B. Gregory, R. R. Burtner and R. S. Adams was appointed to handle the caps and gowns needed at graduation.

C. L. Mellinger reported the progress being made by the football reception committee appointed by Student Council to arrange a suitable welcome for the football team and to select some trophy with which to commemorate the successful football season of 1921. The committee reported that it favored a large shield containing the scores of the games played and the names of the letter men, the shield to be placed in a trophy ruse in the new Track House. To raise the necessary funds, the committee proposed an all college dance and reception to the team.
