INTER-UNIT CAGEMEN

PLAY THREE CONTESTS

The scheduled games of Unit Basketball were played on the Army floor of the gymnasium on Monday evening of all the teams. The contests, Unit 24 against Unit 23, and Unit 22 against Unit 21, were the probable contenders for the championship honors. The first game was with Unit 3 and the second with an 18 point victory over Unit 25.

VARISITY PASSERS MEET HARD FOE IN CREIGHTON

Penn State Shows Improvement
The varsity basketball team gave the varsity foot ball team a hard fight through the result of such a move. The varsity basketball team in the following nights of practice. Wednesday evening, the varsity basketball team showed that they have improved this year and would have a hard second and third teams with comparative ease. The passing of the ball was especially prominent. Time and again, a first-string player broke through his opponent and receiving a rebound shot under the basket, passed it cleanly through the rim. They had their own territory well guarded and controlled the subs to shoot all of their field goals from a distance.

The Nittany basketball mentor returned during the latter part of the season to the last week, to the same condition with him he originally opened the season with and in practice this week did exactly the same. It is very probable therefore that this same team, composed of Ford and Miller, forwards, Shair, center and Kowler and Loefler, guards, will cover the fray on Saturday, at the home of Creighton, Cornell, Wilson and Huston are still in the race and may be played in the line-up at the last moment. The strength of the Creighton outfit is well known to Coach Hermann and he will attempt to keep the Nittany five at the highest point of efficiency during the contest, making numerous substitutions if they appear necessary to prevent the Lions from losing their speed.

DIAMOND MEN MUST PLAY STRONG NINES

Daily workouts in the Stock Pavilion are rapidly improving the condition of the Nittany batteries and are whipping them into shape for the coming season. The squad of men who are out for the positions left vacant by the graduation of Thomas and Brumbaugh represent a wealth of material and no effort is being spared by the coaching staff to develop a set of batteries that will uphold Penn State's diamond reputation in the coming season.

Miller, Mellinger and Hunter, of last year's varsity, are out again for the pitching staff with Kelly and Fixter, of last year's Freshman team, also making bids for the mound position. Hunter is laid up at the present with an injury which he received some time ago, but it is not thought to be of a serious nature. In addition to the men mentioned above, Louchurst '23, Kelly '24, Dumbly '24, Shultz '24, and Corman '23 have reported for practice and should furnish no little competition for the available positions on the pitching staff.

GLEE CLUB LEAVES FOR CONTEST IN NEW YORK

(Continued from first page)
by as a musical treat to all who heard it, but it also helped to polish off the club before they strike the bigger contest with the program. It was the first presentation of the test number and the other two songs that the club will render at the contest before a foreign audience and the outcome was anxiously awaited by the members of the club. There was no doubt however as to the reception of the numbers. They were given in a finished manner and scored a distinct triumph.

One of the best features of the concert last evening was a solo by Miss Betty Croll '25, who accompanied the club as far as Williamsport. Singing alongside Miss Croll in popularity was the specialty number by Mr. Waring and Mr. Fishburn. Mr. Waring exhibited the other use of the saw besides producing sleep and cutting wood. Mr. Fishburn gave several piano selections.

EIGHT MEETS LISTED ON CINDER PROGRAM

(Continued from first page)
and at the present time, it is undecided whether or not the varsity will oppose some other team as a part of the program. Again on May twenty-seventh, the Blue and White stars will face teams of distinction at the Pitt Intercollegiate. This meet includes teams in the western conference and is an annual event in track circles. Although not so prominent as the Penn Relays, yet it is not to be underestimated as the best teams in this and adjacent states battle for recognition in a field of notable track stars. This meet will be followed by the eastern Intercollegiate at Cambridge, Massachusetts. The date for this affair has not yet been definitely decided upon but indications point to the fact that they will probably be held on the second and third days of June.

The last event on the card is the meet with the Panther runners when the team with the University of Pittsburgh will journey to State College on June twelfth. Last year, the Pitt runners were treated to an 85-2-3-40 1-5 defeat and they will doubtless attempt to reverse the tables when they visit the college at Commencement.

COUNCIL PLANNING TO CHANGE CONSTITUTIONS

(Continued from first page)
The outcome of the meet depends largely upon the possibility of Edgerton making the trip. Coach Martin has figured the possible scoring very closely and believes that Penn State would be able to defeat the Red and White if this man makes the trip and is in condition to run.

TWENTY NITTANY TRACKMEN LEAVE FOR CORNELL MEET

(Continued from first page)
hurdles, Barron will have as his running mates Hille, C. H. Kauffman '23 and Russell '24. The other Penn State entries in the high jump are J. G. Green '22 and Kauffman, while in the broad jump, Barron will have as his team mates Grubb, Ressler and Russell. Cornell has several excellent broad jumpers, the most noted of which is A. A. Doppelt. In the triangular meet yesterday, this Cornellian jumped a distance of 21 feet, 6 3/4 inches.

Another feature of tomorrow's contests will be the one mile relay race. This will be the first time during the present season that the coach has placed a one mile relay team on the track. Having already broken the record in the two mile relay and having defeated Lafayette, Columbia, Rutgers and the Navy in the medley relay races, the Coach is now seeking new laurels for his men and will put a quartet of speedy runners on the boards to give the famous Cornellians a fast race in the one mile relay. This Penn State team will be composed of Taylor, Moore, Hille and Edgerton or Sayers, each man running a quarter mile.

NAVY PUGILISTS OPPOSE NITTANY TEAM TOMORROW

(Continued from first page)
shown last week, when he staggered his opponent by a hard wallop. Oregon is a steady boxer and relies mainly on a left jab to reach his opponents.

Chapin Faces Old Rival

Captain Chapin of the Penn State team will face an old rival when he mixes blows with Schald of the Navy at the 125 pound class tomorrow. Chapin proved superior to the Middy last season when he won the decision of the judges after hitting Schald at will and avoiding the returning blows by his clever feinting and fast foot work. Schald won the decision against Massachusetts Tech last Saturday after three fast rounds.

A new representative appears in the 115 pound class for the Navy in Latta, a hard hitting fighter. Against M. I. T., he dropped his opponent twice in the three rounds of boxing. Several other new boxes on the Navy team, also won an exciting fight last week at the 145 pound class after a split decision. Kurtz was the only pugilist on the Midsouthmen team to lose a bout, and he was defeated in the 135 pound division only after an extra round had been fought.

Nittany Team Again Shifted

The probable mitt aggregation which will represent the Nittany fortunes tomorrow according to an early announcement by Coach Harlow is composed of Henze at 115 pounds, Captain Chapin at 125, Vasilio at 135, Borden at 145, Taylor at 160 and Black at 175. Penn State will forfeit the heavyweight class. Henze has recovered from his sickness and should put up a good fight at the 115 pound weight. Williams, who was also being considered for the position, received injuries in practice and is not now in the proper fighting condition.

DR. AND MRS. THOMAS SPEND SEVERAL WEEKS IN FLORIDA

President and Mrs. John M. Thomas have been spending the past few weeks in Deland, Florida, where the President has been taking a much-needed vacation. On his way home from the south, Dr. Thomas will speak to the Rochester, N. Y. Teachers' Association on the afternoon of March tenth, to the Buffalo Alumni Association on the evening of the same day, and to the Erie Alumni Association on the following day. These addresses will constitute but a small part of a series of talks which the President plans to give in the Eastern United States in the next month's time.

West and Griffiths have been giving Vasilio a lot of competition and the Nittany slugger was forced to put forth his best efforts to defeat the other candidates in practice bouts.

Bordner, Taylor and Black will all fight at a weight lower than the one in which they appeared at Penn last Saturday. This will greatly strengthen the team and these Blue and White boxers will now be able to compete with men of their same weights. Atar-jish only lost to Bordner by a small margin in the practice trials and both men have forced each other to display his best at the 145 pound weight.

Black, who will again represent Penn State at the 175 pound class, should have gained enough ring experience in his first two varsity bouts to show some real fighting when he goes up against Oregon tomorrow. A large amount of competition has developed at this weight among the Penn State candidates. Artelt, a member of the
