BLUE AND WHITE RUNNERS PREPARE FOR PENN RELAYS

Trackmen Leave Friday For Annual Classic—Freshman Team Will Be Entered

MARTIN'S MEN GET EVEN BREAK ON SOUTHERN TRIP

Nittany Stars Beaten in Meet With Georgetown—Defeat Virginia Tech

Since the close of the Easter recess, Coach Martin has been directing his attention to the work of preparing the Nittany track and field stars for the Penn Relays which are to be held at Philadelphia on Friday and Saturday of this week.

Not only will the best teams of the East contend for honors but several foreign teams have signified their intention of entering the competition.

The distance medley relay team which Coach Martin is planning to enter on Friday afternoon will be composed of Moore, Heffrich, Enck and Shields in the quarter, half, three-quarters and mile respectively.

In the special events, Burton will enter the high hurdles while McMahon and Alvino will take part in the discus throw and shot put.

With the advent of spring weather the indoor-variety tennis tournaments have come to a close and the new outdoor tournaments begin today.

With the first inter-class game scheduled for May sixth between the Seniors and Sophomores, the class coaches will be putting the candidates through intensive practice each night.

OBEEDIENCE TO GOD IS CHAPEL SERMON TOPIC

Scranton Clergymen, at Sunday Services, Depicts the Folly of Ignoring God's Laws

The Reverend W. L. Saville of the First Presbyterian Church of Scranton preached the sermons at the chapel services last Sunday, his general theme being the justice of God's laws and the strict obedience that Man must observe in regard to them.

Clearly and skillfully illustrating in his talk the part that the college student plays in life, the speaker showed that it is ridiculous for common mortals to ignore the laws of God, since complete and just retribution will surely follow each offense.

CLASS TEAMS PREPARE FOR SOCCER SCHEDULE

With the first inter-class game scheduled for May sixth between the Seniors and Sophomores, the class coaches will be putting the candidates through intensive practice each night.

As far as the spring practice of class candidates has gone, it appears by the number and work of the candidates from the underclasses that the Freshmen and Sophomores will have teams which will give the upperclass aggressions a hard fight for the championship.

Daily workouts of the regular varsity men has been greatly hampered because so many of these are now occupied by baseball practice and other spring sports.

STANDARD TIME TO BE RESUMED MAY 28

The Council of Administration of the College, at a meeting yesterday morning, voted to change back from Daylight Saving to Standard Time on May twenty-eighth. At that time, all watches will be turned back one hour.

NAVY GRID GAME TO BE PLAYED AT WASHINGTON

The Penn State-Navy gridiron clash will take place in Washington, D. C., at the American League Baseball park next November.

This year's battle between the Navy and the Lion would regularly occur at Annapolis, since it is the Navy's home game, but was switched by mutual desire to Washington which can be easily reached by both teams.

Clark Griffiths, president of the Washington club of the American League, has been for some time desirous of having the larger colleges and universities play at the American League's field in Washington.

The distance medley relay team which Coach Martin is planning to enter on Friday afternoon will be composed of Moore, Heffrich, Enck and Shields in the quarter, half, three-quarters and mile respectively.

TENNIS MEN START OUTDOOR CONTESTS

Varsity Candidates in Good Condition Through Workouts in Indoor Tournament

CLASS RACKET WELDERS WILL ENTER COMPETITION

With the advent of spring weather the indoor-variety tennis tournaments have come to a close and the new outdoor tournaments begin today.

The indoor tournament has been a decided help in getting the varsity candidates into good condition, and they are now anxious to get out of doors for spring work.

A tentative schedule for the Freshmen has been arranged and includes Bellefonte Academy and Dickinson Seminary, but the dates have not been announced yet.

Class Teams To Be Organized. Manager Shoemaker is arranging for the organization of class teams for tennis. The classes have heretofore exhibited but little interest in tennis, and the sport has lain dormant for several years as far as inter-class games were concerned.

FRATERNITY BASE BALL LEAGUE BEING FORMED

The first step in the organization of an inter-fraternity baseball league was taken at a meeting of all fraternity baseball managers held in Old Main last Friday evening.

The Department of Physical Education has announced that four diamonds—two on the Drill Field and two on Holmes Field—will be available for the inter-fraternity games.

Daily workouts of the regular varsity men has been greatly hampered because so many of these are now occupied by baseball practice and other spring sports.

VARSITY QUARTET VISITS PRESIDENT

Chief Executive Commends Penn State Group On Growth Of The College

EXTENDED BEST WISHES FOR COMING CAMPAIGN

President Harding received Dr. Thomas, Alumni Secretary E. N. Sullivan, and the members of the varsity quartet for a few minutes last Saturday during their stop in Washington, where they attended the Pennsylvania Society dinner and the meeting of the Washington Alumni Club.

The Varsity Male Quartette which began its trip shortly after the end of the Easter vacation period is about to return to school after the completion of a very successful tour.

Recent indications point toward the representation of a large number of colleges at the Student Y. M. C. A. Conference to be held at Silver Bay, on Lake George, New York, beginning June fifteen and ending June twenty-three.

CONFERENCE AT SILVER BAY ATTRACTING MANY

Large Number of Colleges To Be Represented at Nine Day Gathering of Students

The cost of attending the conference is small in proportion to the good that will be received. The fee for the nine days is five dollars and the twenty-dollar fee for the twenty-day conference will amount to thirty or less.

Pointing out the mutual connection between the Commonwealth and Pennsylvania State College and the immediate need for a closer relationship to the benefit of both, Attorney General George H. Alter, candidate for Republican nomination for Governor, spoke last Saturday afternoon before an audience of students and townspeople in the Auditorium.

Following is a list of names of the men who will make the trip together with the positions which they will fill: Morgan, coal, Coulter, point, Captain Brown, cover point, Gatchell, first defense, Yocum, second defense, Brish, third defense, Yost, center, Briner, third attack, Rowe, second attack, Hegarty, first attack, Elster, out home, Trout, in home, Banks and Eddy, substitutes.

Inspection Trips Hinder Practice. Elster, Brown and Trout are on inspection trips at the present time and will meet the team at College Park, Md., on Friday morning.

The approach of the varsity tennis season and the necessity of making special provision for the large number of candidates that are striving for positions on the team makes it imperative for Manager Shoemaker to reserve the use of the upper tennis courts for the exclusive use of varsity tennis candidates.

Another meeting is proposed for May when the undergraduate study will be discussed.

BATSMEN IMPROVE IN FOURTH GAME

Diamond Men Lose Both Games on Southern Trip

RAIN PREVENTS MEET WITH NAVAL ACADEMY

Rain and inclement weather prevented the Nittany diamond athletes from playing two games of their four game card on the annual Southern trip during the Easter holidays.

The first game of the trip was played with the York team on April fifteenth, and the comparatively inexperienced Penn State team was compelled to bow before the veteran in Chain Company's combination by a score of 10 to 2.

The Blue and White hurler opened his season's work by striking out the Gotschberg captain. The next two men grounded out to Sparks and the visitors retired with a hit to their credit for the first inning.

After the contest with the University of Maryland, the Blue and White stickmen will leave for Annapolis where they are scheduled to compete with the Navy Inshore team which has an enviable reputation for speed and aggressiveness.

LIONS CLUB ENDORSES STATE UNIVERSITY PLAN

President Thomas Explains State University Idea Before Lions Club At York

Evidence that the state is beginning to take an active interest in the program of President Thomas for making Penn State a large Pennsylvania State University received noticeable support in the recent action of the Lions Club of York, Pa., at their meeting held on April eleven.

At that time, the Club adopted a resolution which states clearly and emphatically the future program of the college and the reasons for this program.

Whereas we believe that the Pennsylvania State College has a curriculum of such a broad scope and a student body of such a size as to entitle it to be called a University to promote the best interests of this institution and thereby the best interests of the people of the Commonwealth of Pennsylvania.
