

Don't Forget Dad!

### COLLEGE NAMES COMMITTEES FOR COMING CAMPAIGN

Organization, Faculty, and Student Activities Committees Form Basis of Campaign

#### PLANS OF COMMITTEES TO BE EXPLAINED SOON

Organization of Alumni Through-out Country Reported Progressing Favorably

All headquarters committees have been appointed for the conduct of the campaign to raise \$2,000,000 among the Penn State alumni and friends for health and welfare buildings. The general committee on organization and campaign, the Faculty Committee and the Student Activities Committee have held preliminary meetings and have drawn up programs of procedure for the remaining weeks of this term. Later plans will be drawn up for work throughout the summer and for the autumn.

M. S. McDowell, Director of the Agricultural Extension Service, is chairman of the organization committee, and has with him as members C. L. Kinsler, David F. Kapp, E. N. Sullivan and E. K. Hilsbrand.

The Faculty Committee is composed as follows: Dr. S. W. Fletcher, Chairman, F. M. Torrence, W. R. Chetwynd, D. C. Duncan, Miss Luerdia V. T. Simons, Hugo Bezek and Miss Edith P. Chase.

The Chairman of the Student Activities Committee is Dean C. W. Stoddard, who will have with him Hugo Bezek, Dean A. R. Warnock, Dean Margaret A. Knight and Elliot E. Overdorf. These five will constitute in effect an Executive Committee and will have the power to add other members as may be necessary. The extent of the work which will be under the direction of this committee may be visualized when it is understood that every phase of student life is embraced in the scheme of procedure.

The Faculty and Student Activities Committees are arranging for meetings of various groups to be held in the near future, and at these complete explanations will be given of the detailed purposes of the campaign and of what is expected in the way of co-operation from all. In the meantime, members of these committees will be glad to receive and answer personal inquiries.

With the work of organization proceeding (Continued on last page.)

## TRACKMEN OPPOSE VIRGINIA TOMORROW

### Clash On New Beaver Promises To Be Hard Fought

#### MANY STARS ON SOUTHERN TEAM

Fourteen Events Listed on Program for Afternoon—Meet Begins at One-thirty

According to Coach "Bill" Martin, mentor of the Nittany track team, indications point toward a close and hard fought battle when the Penn State track and field stars are pitted against the representatives of the University of Virginia in the first home meet of the spring track season on New Beaver Field tomorrow afternoon. The meet is scheduled to begin promptly at one-thirty o'clock so that all of the events may be run off before the baseball game with the Blue and White.

The Charlottesville aggregation, known as the best in the South, is coming to Penn State with a line of victories and a few defeats. Neither team is confident of winning the meet, and as a result both will be primed to put forth their best efforts in the clash tomorrow afternoon.

Virginia Has Strong Team

The Virginia representatives who oppose Penn State are of high track caliber. This Southern institution is well known in athletic circles for the unusually speedy track teams which it has turned out during the past four or five years. That this year's team is up to standard and possibly even better, is indicated by the victories which they have scored this year and by the fact that a Virginia team, made up of Campbell, Talbot, Bohannon and Baker, broke the record by beating Georgetown in three minutes and twenty-three seconds in the race for the championship of the South Atlantic Intercollegiate Athletic Association's one mile relay.

Same Men in 100 and 200

The Penn State entries in the 100 yard dash are Grimes, O'Leary, Palm, Sayers and Mills. It is not known just who the Virginia sprinters in this event, but it is certain that he will run Baker, one of his most prominent stars, in the 200 yard dash. The five men who are scheduled to start in the 100 yard dash for Penn State will also represent the Nittany institution in the 200 yard event.

In the quarter mile, Penn State will be represented by Helfrich and Grimes while Baker will probably be one of the men selected for this event by the Southern track mentor as he has a record of doing the quarter in fifty seconds.

State Favorite in Half

Penn State is the favorite in the half mile with Helfrich. Edgerton and Shields entered in this event. Bohannon will likely be the chief contender for Virginia as he is exceptionally fast in this distance.

Shields and Enck are the Nittany entries in the mile run while Cooper, Snyder, Hamilton, Wendler and Sterrett will represent Penn State over the two mile course. Shields, who is rated as a state favorite, is expected to be the chief contender.

(Continued on last page.)

## DR. C. E. SEASHORE WILL SPEAK HERE

### Authority on Psychology of Music Will Address Three Meetings During Coming Week

#### FIRST PUBLIC LECTURE ON FRIDAY AFTERNOON

Dr. Carl E. Seashore, Dean of the Graduate College and Head of the Department of Philosophy and Psychology at the University of Iowa, is lecturing and meeting with Penn State students and faculty next week-end.

Dr. Seashore is chairman of the Committee on Anthropology and Psychology of the National Research Council. He is one of the leading psychologists of the present day, and is, without doubt, the greatest authority on the psychology of music.

Dr. Seashore will arrive on Thursday, and as representative of the National Research Council will speak to the local chapter of the American Academy for the Advancement of Science at its annual dinner Thursday evening.

On Friday, May twelfth, Dr. Seashore will address the students of the Department of Music and Education and Psychology of the subject, "Psychology of Music," in the Chem Amphitheatre at four-thirty. The meeting will be open to others interested in the subject. Dr. Seashore has spent years of research on this particular problem and has made great advances in methods of analyzing and testing musical ability. He has worked out principles and means for scientific educational and vocational guidance more completely in this field than has been done in any other field calling for special aptitude. His methods have proven of definite value in the teaching of music and many eminent musicians have consulted him. His results and methods have been utilized by the leading talking machine companies and phonograph records have been prepared for educational testing and guidance in music.

On Friday evening at seven-thirty in the Old Chapel, Dean Seashore will appear before the entire faculty to discuss graduate study. As Dean of the Graduate School at Iowa University, he has been unusually successful in building up one of the best graduate schools in America. In addition to these lectures, Dean Seashore will meet with various committees which are making investigations on special problems of the college.

## CLASS BOOTERS OPEN SCHEDULE TOMORROW

### Sophomores Clash With Seniors on Armory Field in First Inter-class Game of Spring

The first inter-class soccer game on the spring card will be played tomorrow afternoon when the Sophomore and Senior teams meet on the Armory drill field at one-thirty o'clock. The inter-class schedule has been put into force for several years as a means of unearthing new varsity material and also to prevent a lapse in the interest of the game until the fall practice.

As tomorrow's clash is the first on the schedule, the strength of the opposing teams is not known, and make the outcome of the game less certain for one team or the other. On the field during practice, the class candidates have been showing up well and Coach Pakenham believes that the men are prepared for the game tomorrow.

## PLAYERS ENTERTAIN AT UNIVERSITY CLUB TONIGHT

The Penn State Players will entertain club members and their guests in University Club this evening with two one-act plays, which will constitute the final repertoire production of the year. It has been the custom of the Players to present a program once a month at the University Club and these events have been very popular received during the past season.

The first play is "Modesty," which was coached by W. K. Jones. It is a very clever situation, adequately handled and sparkling with subtle wit and humor throughout.

The second play is "Suppressed Desires," which has been directed by J. Gordon Amend. "Suppressed Desires" was first presented in The African Night program last Friday night in the Auditorium and met with very popular approval. It is a skit in two scenes, which shows just how much difference two weeks can make in two women and one man.

## ARTICLES LOST AT PROM MAY BE EXCHANGED TONIGHT

An opportunity to exchange coats and hats that were taken by mistake or lost at the Junior Prom will be given tonight at eight-thirty in Room 314 Old Main. Anyone who lost an article at the dance is urged to be present and get his own articles.

This committee is made up of fifteen members who are very prominent people in different parts of the state. The Council itself is fostered by the college and has some very enthusiastic members, who are very much pleased at the attitude of the college. Dean Watts is the president of the association and Professor Ferguson is the Secretary.

## ARTICLES LOST AT PROM MAY BE EXCHANGED TONIGHT

Supervisor of Farms, C. L. Goodling, wishes to thank those students and townspeople who assisted in controlling the recent fire that destroyed his home on the campus.

## SENIORS! HAVE YOU ORDERED YOURS?

Seniors will have a last opportunity to secure commencement invitations and announcements at the sale which will be held at the "Camp" from 7:30 to 8:30 o'clock tonight.

## TWO FEATURE PROGRAMS TO CLOSE MUSIC WEEK

### Neighborhood Concerts Will Be Held at Various Homes in Town Tonight

With the ending of the National Music Week Sunday, special plans are being formed by the College and townspeople for special musical services during the week-end. These plans include the new idea of Neighborhood Concerts tonight and condensed musical services of the churches Sunday evening in the Auditorium.

Neighborhood Concerts, one of the novel features of the Music Week will be held at various homes in the village tonight at seven o'clock. Each of the homes have arranged individual musical concerts and everybody is invited to attend the homes in their vicinity. These Neighborhood Concerts will be held at the following homes and places: Dean R. L. Watts, 215 East Foster Avenue; Dr. L. E. Kidder, 112 West Fairmount Avenue; Mrs. R. H. Bell, 100 West Beaver Avenue; Mrs. C. P. Noll, 215 South Burrows Street; Prof. M. S. McDowell, 112 West Beaver Avenue; Prof. A. W. Cowell, College Heights and the Faith Reformed Church, East College Avenue.

As the last number of the Musical (Continued on last page.)

## CONTEST WILL BE RETURN ENGAGEMENT

With another week's hard practice to their credit, Coach McCollum's yearling nine will meet the Bellefonte Academy team in a return game on New Beaver Field tomorrow afternoon immediately following the early fray with the Bethany aggregation. The Blue and White Freshman team has been making rapid progress during the last few days of workouts and should be able to uphold their last Saturday's 10 to 6 victory at Bellefonte.

It is probable that the yearling coach will place the same line-up on the diamond in tomorrow's contest that he used in the first game of the season. Hartman has been showing up well on the mound in the practice games and has developed a splendid control that speaks well for next season's varsity. Kerstetter, his latter mate in last Saturday's game, has been exhibiting a fine grade of catching in the daily workouts and looks as the logical candidate for the home-plate position.

The Bellefonte combination has not been idle during the last week and are now prepared to put up a stiff fight in tomorrow's game in an effort to avenge their recent defeat. The Bellefontenor has not decided whether he will pitch Jones in the return game or whether he will make another choice. The Bellefontenor hurler seemed unable to find the plate in last week's game and walked a large number of the Penn State players.

In addition to his efficient batteries, Coach McCollum is developing a number of good hitters among the Freshman candidates. Wise, the Lion club's third baseman, is the leading Freshman in the hitting department of the game. Johnson also showed up well in his walk-ups to the outfield in last Saturday's games.

**SOPHOMORES HOLD LA VIE ELECTIONS**

Elections of La Vie officers, nominations for class officers, and the choosing of an election committee were the main items of business conducted at the meeting of the Sophomore class last Wednesday evening.

From eleven candidates, D. V. Bandler was chosen editor-in-chief of next year's La Vie, while P. L. Bishoff and G. W. Boyer who received second and third highest number of votes respectively, will be first and second associate editors. H. G. Hoeber was elected Business Manager, D. A. Watson and H. H. McCulloch becoming respectively first and second assistant business managers.

President Martin also announced the following (Continued on last page.)

## SUMMER COURSE WILL BE LARGER THIS YEAR

### Short Courses on Education Will Be New Feature of 1922 Summer Session

Fifty thousand preliminary Summer Session Announcements were mailed to Pennsylvania teachers, and as a result requests have been received for eight thousand complete enrolments. Many applications for advanced registration are coming in daily, and the Registrar's office is making hurried preparations to accommodate the expected demand for summer enrollment.

That the Summer Session of 1922 is to be greatly enlarged over that of last year may be seen from the fact that one hundred and forty-four members are listed on the Summer Session Page-fifty-three of whom are from other institutions, including: Columbia University, University of Pennsylvania, University of Pittsburgh, University of Wisconsin, Ohio Wesleyan University, Princeton University, Wabash College, and the State College of Washington; while seven members of the faculty are also members of the State Department of Public Instruction. This increased faculty, together with forty-four departments, offering a total of two hundred and fifty-seven courses, promises to provide for an extensive session, because of the anticipated attendance, the College authorities are very anxious that every citizen in the town having rooming accommodations endeavor to place them at the disposal of the summer students.

New Courses Installed

A new feature of the Summer Session is the provision for four successive Intensive Courses of two weeks each. These courses are to begin with the opening of the Session on June twenty-six, and are to continue to the close on August nineteenth. These new courses are to be introduced as follows:

- Sociological Foundations of Curriculum-Making.
- Educational Measurements.
- The Junior High School.
- The New World: A Course in Human Geography.

Entertainment to be Provided

Special lectures or entertainments will be provided every day during the Summer Session. These will be given at the daily assembly held at seven o'clock in the evening. Prominent speakers have been engaged for this service, and include men and women from nearly every phase of activity in the Commonwealth. It is planned to limit the Summer Session dances to Saturday evenings, and will be conducted under the guidance of Mr. H. O. Smith.

## FRAT BASEBALL CARD ANNOUNCED FOR WEEK

The following Inter-fraternity baseball games are scheduled to be played next week:

Tuesday, May 9

Field 1—Phi Epsilon Phi vs. Sigma Chi.

Field 2—Sigma Phi Sigma vs. Phi Gamma Delta.

Field 3—Sigma Alpha Epsilon vs. Theta Chi.

Field 4—Tau Sigma Tau vs. Delta Sigma Phi.

Thursday, May 11

Field 1—Alpha Delta Sigma vs. Omega Epsilon.

Field 2—Sigma Pi vs. Sigma Nu.

Field 3—Kappa Theta vs. Friends Union.

Field 4—Alpha Zeta vs. Phi Kappa Sigma.

## UNIT MEN CHANGE DIAMOND NUMBERS

In order to conform with the designation of baseball diamonds in use by the Inter-fraternity Baseball League, the Inter-unit baseball managers have changed the numbers of the diamonds now used by the unit men. The new arrangement is as follows: Diamond

## CONSERVATION PLANS TO BE CONSIDERED MAY 18

The executive committee of the Pennsylvania State Conservation Council is to hold a meeting in State College May eighteenth for the purpose of giving further consideration to the plans of carrying into effect recommendations made by the Council at the Conference held here on March thirtieth and thirty-first. The meeting is to be started with a dinner at the University Club at six o'clock.

This committee is made up of fifteen members who are very prominent people in different parts of the state. The Council itself is fostered by the college and has some very enthusiastic members, who are very much pleased at the attitude of the college. Dean Watts is the president of the association and Professor Ferguson is the Secretary.

## BETHANY HERE FOR TWO GAME SERIES

### Visitors Featured In Twelve Inning Tie With Pitt

#### MILLER AND MELLINGER WILL BE USED BY BEZDEK

### Bethany Team Bringing Two Veteran Pitchers—One May Play in Left Field

After breaking even in the first six games of its schedule, Penn State's baseball team will be called upon to exert its best efforts this week-end when Coach Bezek leads his nine against the strong Bethany College aggregation for the opening game of the two-game series on New Beaver Field this afternoon at four o'clock, daylight saving time.

It is probable that the Nittany mentor will use the same combination in Friday and Saturday's meet with the Bethanyites that he placed on the field to oppose Coach Wolfe's team last Tuesday. Miller and Mellinger will be the Blue and White twirlers and each will likely be given an opportunity to display his pitching ability in one or the other of the two games.

The Bethany team is blessed with a pair of clever pitchers, "Eddie" Wells and Randolph who are both veterans. It is probable that the Bethany coach will alternate these two hurlers in the contests with the Nittany Lion, using Wells for one game and Randolph for the other. If Wells does not pitch tomorrow's game, he will in all probability be found playing in the left field position, for he has the reputation of being one of the best sluggers in inter-collegiate diamond circles, and last year won for himself the sobriquet of the "late truth of the college world" by averaging a home run for every two games in which he took part.

The Bethany team has played five games thus far this season and have succeeded in annexing two victories and one tie, the last with the Pitt Panther after twelve innings of air-tight baseball. The first game of the year, played with Muhlenberg College, resulted in a victory for Coach Easterday's nine by a 14 to 2 score. Following this contest, the Bethany collegians broke even with Morris Harvey in a two game series by winning the first contest by a 5 to 4 tally and losing the second in a 7 to 6 shut-out. The other team to which Bethany fell victim was the strong Grove City combination that took Pitt over in one of its first games this year.

## ATHLETIC TICKET NUMBERS

The numbers of the admission tickets as authorized by the Athletic Association are as follows: Friday, baseball game...No. 36 Saturday, track meet...No. 37 Saturday, baseball (Varsity and Freshman games)...No. 38

## FROSH SET FOR BELLEFONTE GAME

### Both Nines To Use Same Combination in Second Contest Tomorrow Afternoon

With another week's hard practice to their credit, Coach McCollum's yearling nine will meet the Bellefonte Academy team in a return game on New Beaver Field tomorrow afternoon immediately following the early fray with the Bethany aggregation. The Blue and White Freshman team has been making rapid progress during the last few days of workouts and should be able to uphold their last Saturday's 10 to 6 victory at Bellefonte.

It is probable that the yearling coach will place the same line-up on the diamond in tomorrow's contest that he used in the first game of the season. Hartman has been showing up well on the mound in the practice games and has developed a splendid control that speaks well for next season's varsity. Kerstetter, his latter mate in last Saturday's game, has been exhibiting a fine grade of catching in the daily workouts and looks as the logical candidate for the home-plate position.

The Bellefonte combination has not been idle during the last week and are now prepared to put up a stiff fight in tomorrow's game in an effort to avenge their recent defeat. The Bellefontenor has not decided whether he will pitch Jones in the return game or whether he will make another choice. The Bellefontenor hurler seemed unable to find the plate in last week's game and walked a large number of the Penn State players.

In addition to his efficient batteries, Coach McCollum is developing a number of good hitters among the Freshman candidates. Wise, the Lion club's third baseman, is the leading Freshman in the hitting department of the game. Johnson also showed up well in his walk-ups to the outfield in last Saturday's games.

**SOPHOMORES HOLD LA VIE ELECTIONS**

Elections of La Vie officers, nominations for class officers, and the choosing of an election committee were the main items of business conducted at the meeting of the Sophomore class last Wednesday evening.

From eleven candidates, D. V. Bandler was chosen editor-in-chief of next year's La Vie, while P. L. Bishoff and G. W. Boyer who received second and third highest number of votes respectively, will be first and second associate editors. H. G. Hoeber was elected Business Manager, D. A. Watson and H. H. McCulloch becoming respectively first and second assistant business managers.

President Martin also announced the following (Continued on last page.)

## HIGH SCHOOL TRACKMEN HERE NEXT SATURDAY

### Interscholastic Contest in Connection with Yearling Dual Meet

The annual interscholastic track meet, for high and preparatory school track and field stars, will be held on New Beaver Field next Saturday, May thirteenth, in conjunction with a dual meet between the University of Pittsburgh Freshmen and the yearlings from the Nittany institution.

Preliminary trials for the interscholastic clash will be run off on Saturday morning, while the finals will be staged in the afternoon immediately following the increase game with Syracuse. Plans are being made to run the interscholastic finals and the Freshman races in alternate order. Fraternities will be asked to house the high school and preparatory school men during their stay at the college, as has been the custom in the past.

Notices of entries are coming in rather slowly as the management has heard from only five schools at the present time. These schools are Johnstown, Williamsport, Latrobe, Brookville and Scranton. It is expected that many more schools will report within the next week.

## CONSTITUTION DRAWN UP FOR TWO-YEAR "AGGIES"

### Student Council Adopts Set of Laws and Class Customs for Government of Two-Year Men

The Student Council at a meeting last Tuesday adopted a constitution for two classes in the two-year course in agriculture. In conjunction with the constitution a set of class customs was adopted also. The constitution reads as follows:

**Article I—Name**

The name of this association shall be the Two-Year Agricultural Class of the Pennsylvania State College.

**Article II—Object**

Its object shall be to enhance in pursuits which reflect to the good name of the college, to discourage all practices which would reflect on the good name of the college, to inculcate lasting loyalty in its individual members through mental, moral and physical processes and furthermore, to provide a sound business basis for all its transactions.

**Article III—Officers**

The officers of both the first and second year classes shall be a President, a Vice President, a Secretary, a Treasurer, a Historian and an Athletic Manager.

**Article IV—Election of Officers**

The election of all officers for the

second year class shall be by ballot at the last class meeting of the first year. The officers of the first year class shall be elected in accordance with the provisions of Article V, Amendment 3 of the By-Laws.

**Article V—Amendments**

This constitution may be amended by a vote of two-thirds of the members of the both classes at any meeting of the class, after notice of the proposed amendment shall have been given at the previous meeting.

**Article VI—Adoption**

This Constitution shall be automatically adopted by every incoming class.

**BY-LAWS**

**Article I—Duties of Officers**

Section 1.—President. The President shall preside at all meetings of the class and at all meetings of the class officers. He shall appoint the committee, and designate the chairman of each committee, with the sanction of the other officers. He shall perform all duties pertaining to his office. The President of the second year class shall be automatically considered a member of Student Council.

Section 2.—Vice-President. The Vice (Continued on third page.)

## BLUE AND WHITE NINE SWAMPS WAYNESBURG

### Miller and Hunter Pitch 12 to 1 Game Against Coach Frank Wolfe's Collegians

Coach Bezek's clan had little trouble in hitting the two hurlers that the Waynesburg nine placed on the mound in last Tuesday's game, and defeated the visitors by a 12 to 1 score. The Waynesburg collegians were held scoreless until the ninth inning of the contest, when Irwin scored on Malin's sacrifice fly to Lichtner in left field.

Miller started on the mound for the Nittany team and prevented Coach Wolfe's aggregation from registering a hit until the fourth inning when Myring connected for a single. During his turn on the hill, the Blue and White hurler fanned six of the Waynesburg batters and allowed but five scattered hits. He was replaced in the eleventh by Hunter, who hurled the remainder of the game.

**Bedenk Scores Homer**

Bedenk's first home run of the season brought Kowler in and added the third and fourth run to the Nittany score in the first inning. Kowler duplicated the big right fielder's feat in the sixth frame, when he drove a hard bouncer to the centerfielder, bringing Lichtner over the plate and allowing himself to jog around the bases for the tenth tally.

Rhine started the game for Coach Wolfe's team but was replaced in the fifth after Bedenk had walked a two-bagger to centerfield and "Prexy" Sparks had followed him with a three-base hit to the right field bleachers. The Waynesburg twirlers were not only unable to hold the Nittany sluggers, but it was only on account of the consistent work of the fielders that the Lion score was prevented from reaching a higher count.

Miller opened the one-sided contest by fanning Melinary and Red for the Waynesburg team. The frame ended with Irwin's pop to O'Leary on first. In the home nine's half of the inning, O'Leary was walked by Ithine and stole second when Trapenhorst struck out. Lichtner enabled the Blue and White first baseman to score to first run of the game when he let loose with a next to-bagger in his turn at bat. Kowler singled and had just stolen to second when Bedenk opened up with a beautiful drive to the football bleachers and cleared the bases. The remainder of the inning was uneventful, Sparks marking the second out while trying to steal (Continued on last page.)

## COLLEGE NAMES COMMITTEES FOR COMING CAMPAIGN

### Organization, Faculty, and Student Activities Committees Form Basis of Campaign

#### PLANS OF COMMITTEES TO BE EXPLAINED SOON

Organization of Alumni Through-out Country Reported Progressing Favorably

All headquarters committees have been appointed for the conduct of the campaign to raise \$2,000,000 among the Penn State alumni and friends for health and welfare buildings. The general committee on organization and campaign, the Faculty Committee and the Student Activities Committee have held preliminary meetings and have drawn up programs of procedure for the remaining weeks of this term. Later plans will be drawn up for work throughout the summer and for the autumn.

M. S. McDowell, Director of the Agricultural Extension Service, is chairman of the organization committee, and has with him as members C. L. Kinsler, David F. Kapp, E. N. Sullivan and E. K. Hilsbrand.

The Faculty Committee is composed as follows: Dr. S. W. Fletcher, Chairman, F. M. Torrence, W. R. Chetwynd, D. C. Duncan, Miss Luerdia V. T. Simons, Hugo Bezek and Miss Edith P. Chase.

The Chairman of the Student Activities Committee is Dean C. W. Stoddard, who will have with him Hugo Bezek, Dean A. R. Warnock, Dean Margaret A. Knight and Elliot E. Overdorf. These five will constitute in effect an Executive Committee and will have the power to add other members as may be necessary. The extent of the work which will be under the direction of this committee may be visualized when it is understood that every phase of student life is embraced in the scheme of procedure.

The Faculty and Student Activities Committees are arranging for meetings of various groups to be held in the near future, and at these complete explanations will be given of the detailed purposes of the campaign and of what is expected in the way of co-operation from all. In the meantime, members of these committees will be glad to receive and answer personal inquiries.

The remainder of the inning was uneventful, Sparks marking the second out while trying to steal (Continued on last page.)

## SPRING MEETING OF A. S. M. E. WILL BE OPENED TODAY

### Dean M. E. Cooley, Professor E. A. Fessenden and Mr. L. H. Fry On List of Speakers

#### ENGINEERING STUDENTS OF BUCKNELL TO ATTEND

Separate Lecture by Dean Cooley For Students—Film of Baldwin Works to be Shown

Discussions on modern engineering problems and enterprises together with a lecture by Dean M. E. Cooley to engineering students and a business meeting will comprise the program of the annual spring meeting held today by the American Society of Mechanical Engineers of the central Pennsylvania section. Dean M. E. Cooley of the University of Michigan, Mr. Lawton H. Fry and Professor E. A. Fessenden will be among the speakers who will address the meeting.

During the past year this section of the A. S. M. E. has increased in its membership about twenty-five percent. The society has accomplished many results in surveys of the various industries of this section. As yet this work is not finished but great progress has been made in the undertaking.

In connection with the attendance of the regular members of the society a delegation of engineering students from Bucknell University will come from Lewisburg to attend the sessions of the program. The Bucknell students are coming to the meeting as members of the Student A. S. M. E. of Bucknell at which there is a branch.

The main discussions of the meeting will be of a technical nature in the explanations of the results of research and experimental work carried on here at the Engineering Experiment Station and elsewhere. Along this line, Professor Fessenden will explain the newer other stations. Along this line, Prof. ideas concerning the transmission of heat through boiler tubes together with a formula, compiled by him, which more clearly expresses the law of heat transfer.

A film showing the construction of a modern locomotive, produced by the Baldwin Locomotive Works, at great expense, will be shown at the evening session at seven forty-five o'clock in the Old Chapel. Mr. Fry who has charge of the film, has been long connected with the Baldwin Works and is an authority on the construction of loc (Continued on last page.)

## REV. E. H. HUGHES IS SUNDAY CHAPEL SPEAKER

### The speaker for the Chapel services will be the Right Reverend Edwin H. Hughes, Bishop at Malden, Mass.

The speaker for the Chapel services will be the Right Reverend Edwin H. Hughes, Bishop at Malden, Mass. Reverend Hughes graduated at Ohio Wesleyan in 1889 after studying at both West Virginia University and Iowa College. He was granted his A. M. degree in 1892, and his Bachelor of Sacred Theology degree in the same year, both being conferred at Boston University. He was made S. T. D. at Syracuse University in 1902, D. D. at Ohio Wesleyan University in 1904, LL.D. at De Pauw University in 1908, at Ohio Wesleyan University in 1909, and at the University of Maine in 1919.

He was ordained to the Ministry in 1892 and has since been pastor at Malden, Mass. He became president of De Pauw University in 1903 where he remained till 1908. He was made bishop in the M. E. Church in the same year. Bishop Hughes has since held various positions of honor in both civil and church circles.

## CONSTITUTION DRAWN UP FOR TWO-YEAR "AGGIES"

### Student Council Adopts Set of Laws and Class Customs for Government of Two-Year Men

The Student Council at a meeting last Tuesday adopted a constitution for two classes in the two-year course in agriculture. In conjunction with the constitution a set of class customs was adopted also. The constitution reads as follows:

**Article I—Name**

The name of this association shall be the Two-Year Agricultural Class of the Pennsylvania State College.

**Article II—Object**

Its object shall be to enhance in pursuits which reflect to the good name of the college, to discourage all practices which would reflect on the good name of the college, to inculcate lasting loyalty in its individual members through mental, moral and physical processes and furthermore, to provide a sound business basis for all its transactions.

**Article III—Officers**

The officers of both the first and second year classes shall be a President, a Vice President, a Secretary, a Treasurer, a Historian and an Athletic Manager.

**Article IV—Election of Officers**

The election of all officers for the

second year class shall be by ballot at the last class meeting of the first year. The officers of the first year class shall be elected in accordance with the provisions of Article V, Amendment 3 of the By-Laws.

**Article V—Amendments**

This constitution may be amended by a vote of two-thirds of the members of the both classes at any meeting of the class, after notice of the proposed amendment shall have been given at the previous meeting.

**Article VI—Adoption**

This Constitution shall be automatically adopted by every incoming class.

**BY-LAWS**

**Article I—Duties of Officers**

Section 1.—President. The President shall preside at all meetings of the class and at all meetings of the class officers. He shall appoint the committee, and designate the chairman of each committee, with the sanction of the other officers. He shall perform all duties pertaining to his office. The President of the second year class shall be automatically considered a member of Student Council.

Section 2.—Vice-President. The Vice (Continued on third page.)

## CONSTITUTION DRAWN UP FOR TWO-YEAR "AGGIES"

### Student Council Adopts Set of Laws and Class Customs for Government of Two-Year Men

The Student Council at a meeting last Tuesday adopted a constitution for two classes in the two-year course in agriculture. In conjunction with the constitution a set of class customs was adopted also. The constitution reads as follows:

**Article I—Name**

The name of this association shall be the Two-Year Agricultural Class of the Pennsylvania State College.

**Article II—Object**

Its object shall be to enhance in pursuits which reflect to the good name of the college, to discourage all practices which would reflect on the good name of the college, to inculcate lasting loyalty in its individual members through mental, moral and physical processes and furthermore, to provide a sound business basis for all its transactions.

**Article III—Officers**

The officers of both the first and second year classes shall be a President, a Vice President, a Secretary, a Treasurer, a Historian and an Athletic Manager.

**Article IV—Election of Officers**

The election of all officers for the

second year class shall be by ballot at the last class meeting of the first year. The officers of the first year class shall be elected in accordance with the provisions of Article V, Amendment 3 of the By-Laws.

**Article V—Amendments**

This constitution may be amended by a vote of two-thirds of the members of the both classes at any meeting of the class, after notice of the proposed amendment shall have been given at the previous meeting.

**Article VI—Adoption**

This Constitution shall be automatically adopted by every incoming class.
