

MOTHER'S DAY

Sunday, May 14th

Nothing too good for Mother.

Why not a nice fresh box of Samoset Chocolates with one of our beautiful Framed Mottos.

GRAHAM & SONS On the Corner

UNIT MEN CHANGE DIAMOND NUMBERS

(Continued from first page.)
number one—behind the Beta Theta Pi Fraternity House. Diamond number two—beside the Army, number three is in back of the new Mining Building in Holmes Field, and number four is near the Stone House.

The results of the contests on Monday were:
Unit 21 9 Unit 15 9
Unit 2 8 Unit 7 5
Unit 13 18 Unit 19 1
Unit 6 12 Unit 4 3

SOPHOMORES HOLD LA VIE ELECTIONS

(Continued from first page.)
nominations for next year's class officers, stating that elections will be held at the next class meeting. The election committee will pass a ballot to each man as he enters at the coming gathering. Following the election of class officers next time, will be the nominations for members to the Student Council. The election of these members will be carried out according to the various schools of the college.

J. B. Park was elected chairman of the election committee, which also includes the following six members: C. C. Pearce, D. L. Auchenbach, C. B. Tilton, J. A. Patton, G. W. Lehr and G. J. Free.

While the regular business of the evening was being conducted, several miscellaneous matters were brought up. Considerable mention was made of the laxness shown by the Sophomores in holding the Freshmen to the observance of customs, especially that of remaining at athletic contests until the latter are ended. The note on prevalence of golf costumes among the first year men was likewise mentioned again, and President Martin stated that he would ascertain what attitude the Student Tribunal has taken in regard to the custom, this will also be announced in the COLLEGIAN in the near future. The members of the class were advised to take the names of the Freshmen wearing the costumes and leave the matter to the Tribunal until a definite announcement will have been made.

TWO FEATURE PROGRAMS CLOSE MUSIC WEEK

(Continued from first page.)
Week, the various churches of the town will combine Sunday evening for musical services to be held in the Auditorium at seven forty-five o'clock. This will follow directly the regular evening chapel services. These services will unite the choirs of the churches with part of the college chorus to sing three anthems under the direction of Professor C. C. Robinson. The program will also consist of several solos and other numbers.

These services will conclude the musical program of the week. During the week, successful concerts have been held each night in the Auditorium. A

TRACKMEN OPPOSE VIRGINIA TOMORROW

(Continued from first page.)
one of the best two miles that the Virginians have turned out in recent years, will probably furnish the Blue and White runners with the chief opposition in this event.

Virginia Work in Hurdles

Captain Patton, Kaufman and Hill are entered in the hurdling events and it is possible that Coach Martin may enter the 220 yard low hurdles. Penn State should not have much trouble winning these events, as the Southerners are rather weak in the hurdles.

COLLEGE ANNOUNCES CAMPAIGN COMMITTEE

(Continued from first page.)
reading on the campus that of getting the counties of Pennsylvania organized for also getting under way. E. N. Sullivan, Secretary of the Alumni Association, has left for a tour in the vicinity of Altoona, where he will meet with the alumni of State College and present the objects of the campaign. All graduates and former students of the institution will be urged to get into close touch with the regular Alumni Association headquarters and local clubs, and participate in the formation of their district committees.

Mr. Travis Keller, of the Faculty, has also left for a trip through the southeastern counties for similar purposes. Next Monday Mr. George Green, of the Faculty, will visit Clearfield, Clarion, Armstrong and Jefferson counties to acquaint the alumni of those districts with the projects outlined.

Mr. Keller has just returned from addressing the alumni clubs in St. Louis, Purdue and Chicago, and Mr. Green from Detroit and Cleveland. They

report the great enthusiasm on the part of former Penn State men, now leading citizens in those communities, for the fullest development of State College along the lines suggested by President Thomas.

As the College announced last week the object of the campaign for \$2,000,000 is to create necessary positions for young men and women, physical education buildings for young men and young women, a Varsity Hall or Track House, a Penn State Union and a hospital.

TRACKMEN OPPOSE VIRGINIA TOMORROW

(Continued from first page.)
The Blue and White nine failed to tally during its turn at bat, although Hare was left on third and Miller on second when the frame ended. Hare had been walked by the Orange and Blue pitcher and was advanced to second on Clark's error on first. Ellery, who had singled to left field for the first Waynesburg hit of the game, registered the second out of the round when he was forced out on second by Irwin. Minor ended the Waynesburg time on the bench by flying to Lightner.

BLUE AND WHITE NINE SWAMPS WAYNESBURG

(Continued from first page.)
second and Palm finishing the work with a fly to third.
The second inning was similar to the first, with the Waynesburg team making its outs in one, two, three order. In Penn State's turn at bat, both bat-

tery men succeeded in scoring a run, when Hare came home on Clark's error at first and Miller was brought in on Traphamer's single.
Ellery Makes Star Play
Ellery started for the Nittany team in the fourth frame, when he made a great one-handed catch on the foul side of the first base line. McHenry the first man up in the inning, who had singled to left field for the first Waynesburg hit of the game, registered the second out of the round when he was forced out on second by Irwin. Minor ended the Waynesburg time on the bench by flying to Lightner.

ed with the score standing 8 to 0.
The next three frames were uneventful for the visiting team, Hunter replacing Miller at the beginning of the eighth. The Blue and White diamond men marked up two more runs for the Lion in the sixth when Lightner drove a neat single to center field and was carried in by Kochler's homer that followed. The next three batsmen registered their outs in succession and the round ended with a total of ten runs for the Bezeloklin forces and a zero for Waynesburg.

Hare and Miller scored their second circuits in the seventh on Lightner's hit to right field, after getting to first on short stop errors. Bobenk opened the eighth with a fly to left field, Sparks singled and was enabled to get to third on outfield errors. The Nittany chances of adding another run to their total of twelve runs were then spoiled by Palm's fly to third and Hare's pop to second.

The Waynesburg collectioners scored their only tally in the ninth inning when Irwin crossed the plate on Main's sacrifice to Lightner. The Orange and Blue center-fielder had singled to left field and was advanced to second on Clark's error on first and O'Malley had popped a fly to Ellery, Clark, however, spoiled his teammate's chances of crossing the pan when he grounded a weak hit to Miller and was thrown out on first. In Penn State's half of the frame, Kochler opened the fray with a fly to shortstop, Bobenk endeavored to duplicate his homer of the first inning on his turn at the plate with a wallop to center-field, but second base was as far as he got. Sparks' did home one better by landing a safe blow to right field that netted him three bases and enabled his teammate to score the seventh run of the game.

Visiting Pitcher Taken Out
At this point the Waynesburg hurler became wild and was retired in favor of Henderson, after Sparks had come home on a passed ball. The new pitcher walked Palm as a starter and fanned the Nittany receiver. In the meantime, Palm had stolen second, making room for Miller's walk on balls. Ellery connected for a single and advanced both runners, but Traphamer's fly to left field was pocketed and the inning end-

Did they lather with Soapstone in the Neolithic Age?

CAVE men had whiskers. Then one day John W. Troglodyte hacked them off with a hunk of sharp bronze and discovered—that men had faces.

Faces are more popular than whiskers. Williams' helped. The J. B. Williams Company made the first real shaving soap ever manufactured in this country.

Jones '77 used Williams'—no other. And now Jones '22 uses one of the finest Williams' Shaving Soap that Williams knows how to make—Williams' Shaving Cream.

Lather? Rather. Rich and thick and quick. Once over is usually enough if you use Williams'.

You'll like the smooth, cool "feel" of your face afterward. No complexion soap is more wholesome.

Williams' Shaving Cream
