SMOKY CITY NINE OPPOSES NITTANY TEAM TOMORROW

Contest With Penn State Forces Is Second Game on Pittsburgh Collegian's Schedule

GAME STARTS AT FOUR-THIRTY O'CLOCK, FAST TIME

Following their New England invasion, the Nittany diamond artists will meet the Pittsburgh Collegian's independent team on Beaver Field tomorrow afternoon at four-thirty. The Pittsburgh Collegians are meeting their second opponents of the year in Penn State, the only other contest which they have played being with the Kiskadee nine last Wednesday.

BEZDEK'S BATSMEN WIN YALE CONTEST

NITTANY DIAMOND MEN LOSE TO HOLY CROSS AND ARMY ON ANNUAL EASTERN INVASION

The Nittany nine returned from their annual New England tour yesterday morning after winning from Yale and dropping the Army and Holy Cross games. The trip was marred by an injury to Hare that will put him out of the game several weeks, and a sprained knee for Ewer.

The first game of the trip was played at West Point last Friday afternoon with the Army Cadets. The Blue and White combination held the score to a 7 to 4 count in the eighth inning, when loose playing in the infield, combined with errors, allowed Coach Loeb's nine two hits. In the last of the ninth, Smythe drove a fly to Lightner in left field, scoring the two men on the base and giving the Lion the short end of an 8 to 7 score.

Mellinger pitched the entire game with the West Pointers. Trapahor replaced Ewer in the middle of the game, when the Nittany second baseman wrenched his knee.

Thursday afternoon saw Coach Bezdek and his diamond men in New Haven for the contest with the Yale aggregation. Dzwilecki started the game for the Penn State forces, holding the "Bull Pup" to two or three hits in the first eight innings of the fray. Miller replaced Dzwilecki in the middle of the eighth frame when the Nittany south-paw became wild and was retired.

The game was loosely played on both sides. The Blue and White batsmen hitting Hieker, the Yale whizzer, hard, and poor support behind the DH pitcher handicapping him.

A feature of the Yale game was Ullery's homer with Dzwilecki on bases. Trapahor played the second base position throughout the game with Ludwick behind home plate. The final score was 7 to 4.

The Bezdekian forces had an opportunity to rest up at Worcester on Friday, and see the Pitt Panther battle with the Holy Cross collegians, going down to a decisive defeat Saturday afternoon. Found the Blue and White nine in the field once more with Miller on the mound. The big right-handed twirler held the Holy Cross nine to a few scattered hits until the seventh inning, when the Worcester collegians secured three runs. Miller then walked two of the Holy Cross batsmen, the next in line bunted and one man scored on a wild heave to first. The next man on deck hit to Koehler on short who caught the man on home. But Ludwick dropped the ball and the Nittany team went down to a 4 to 1 defeat.

SEAMAN FANTASY DRAMATIC CLIMAX SENIOR PLANS FILL GRADUATION WEEK

Executive Staff Endeavoring To Make Unique Spectacle Zenith of Season

SCENIC EFFECTS ARE HEIGHTENED BY COSTUMES

The Seven Singing Seamen, which will be given under the auspices of the Alumnae Club and American Association of University Women on Friday and Saturday evenings of this week, in the Auditorium at eight-thirty o'clock, will indeed be the outstanding feature of the week-end program. The fantasy is under the direction of Miss Delch Sparks and nothing has been spared in making this unique spectacle the climax of the dramatic season at Penn State.

BUCKNELL RACKETEERS TROUCE PENN STATE

Guthrie and Shaw Only Penn State Men to Win Matches

The Bucknell tennis team handed the Penn State combination a decisive 4-2 defeat on the courts at Lewisburg last Saturday. This is Penn State's first tennis game of the season and it is hoped that the tennis candidates for the varsity squad will have finished the tournaments before the next trip, in order to furnish greater competition and thus strengthen the team.

The singles of Saturday's game resulted as follows: Captain Lyburger of Bucknell defeated Boggs 6-0, 6-2; Captain Guthrie, Penn State, defeated Koeh 7-5, 6-3; MacFarland, Bucknell, defeated Graves 6-2, 4-6, 6-0; Shaw, Penn State, defeated Punell 6-0, 8-6. Doubles resulted: Lyburger and MacFarland defeated Boggs and Graves 6-1, 6-4; Koeh and Furell defeated Guthrie and Shaw 10-8, 7-9, 6-2.

The Nittany racketeers will again try their hand tomorrow when they go to South Bethlehem to play the strong Lehigh aggregation from whom an upset is expected. On Thursday the Bucknell is expected. On Thursday the

CLASS DAY TO BE HELD IN OPEN AIR THEATRE

With the approach of the annual Commencement and Class Day exercises, members of the senior class through various committees are making preparations for a program over the graduation week that will fill each day with some form of activity. The formal graduation exercises will be the same as in previous years with other new ideas for the remainder of the week.

SENIOR GRADUATION EXERCISES

After the President's message to the seniors, the degrees will be awarded. These will be Bachelor, Adv. need, and Honorary degrees awarded for the completion of certain scholastic work. The Deans of the several schools will present the degrees which come under the work of their respective schools. Presentation of commissions to Reserve Officers of the United States Army will also be made at this time to those students who have completed the required reserve officer's training.

ENGINEERS COMING HERE FOR MEETING

Leading Corporations Will Send Representatives To Discuss Technical Problems

PRESIDENT THOMAS WILL ADDRESS TECHNICAL MEN

The Conference on Engineering and Industry to be held by the School of Engineering next Friday and Saturday, May the nineteenth and twentieth, received a very cordial response from leading corporations in Pennsylvania which employ graduates of technical schools, and a large number of representatives will come to Penn State at that time to take part in the discussion. The following corporations are sending representatives: American Bridge Co., Albright & Lebus, American Telephone & Telegraph Co., Armstrong Cork & Insul Co., Cambria Steel Corporation, Carnegie Steel Co., Chicago Pneumatic Tool Co., Bessemer & Lake Erie Ry. Co., Day and Kleider, The Elliott Co., Fuller-Lehigh Co., Hazard Mfg. Co., General Electric Co., The Koppers Co., Geo. T. Ladd Co., Leeds & Northrup Co., Department of Labor & Industry, William H. NINE FEATURES ON PROGRAM FOR DADS AT MASS MEETING

Father of Football Captain Will Reply to President's Address In Behalf of Dads

THREE SURPRISE NUMBERS ARE LISTED FOR MEETING

Fraternalities and Clubs Making Plans for Many Smokers Over Week-end

According to the program recently announced by the Father's Day Committee, the mass meeting that is scheduled for Saturday evening will be one of the attractive features of the week-end and will probably insure an overflowing attendance. And similar to that of the mass meeting, the program for the entire week-end promises to be far superior to the one that marked the first observance of the day.

Meeting to Start Promptly. Due to the fact that there is to be staged a pageant under the direction of Miss Sparks on the same evening, it is imperative to start the mass meeting promptly at seven o'clock in the evening. Thus it will be possible to attend the mass meeting which will be concluded in time for the performance of "The Seven Singing Seamen."

- The program as approved by the Father's Day committee follows: 1. Music, Penn State Band. 2. Surprise feature. 3. Another surprise feature. 4. Selection, Varsity Male Quartet. 5. Address, President J. M. Thomas. 6. Reply from the Fathers, Mr. M. S. Benz. 7. A third surprise feature. 8. Address, Mr. Hugo Bezdek. 9. Singing, Alma Mater.

The efforts of the committee in securing a speaker for the occasion to represent the fathers were awarded late last week when Mr. M. S. Benz, father of the football captain for the coming season, accepted the invitation that had been extended to him. Mr. Benz is Superintendent of the Schools for Allegheny County, a capable speaker, and a friend of Penn State, who has the interests of the college at heart. He will reply in behalf of the visiting fathers to the address of President Thomas.

Girls Are Active. The girl students of the college have been active in preparing for the visit of their fathers and have made extensive arrangements for their entertainment.

PENN STATE STICKMEN BEATEN BY SYRACUSE

Nittany Lacrossemen Unable To Stop New Yorkers' Attack in One-Sided Clash

Amazing enough points in the first period of the contest to assure the outcome, Syracuse had little trouble defeating Penn State's lacrosse team in the clash on New Beaver Field last Saturday afternoon by a score of 5 to 1. The visitors played well both on the attack and defense, and their stick work was decidedly superior to that of the Nittany aggregation.

At several times, during the game, flashes of real ability were seen among the Penn State players, but their comparatively poor form in handling the stick spoiled any promise of a well-earned victory registered by the New York team.

Roos, who filled the position of out home for the Syracuse stickmen, figured largely in the Nittany defeat by scoring three goals on buck-hand flips from different parts of the field. Correll, the big substitute halfback on the Blue and White football team last fall, made his debut in lacrosse last Saturday afternoon and displayed some excellent defense work at times when the Penn State citadel was in danger of being invaded.

DR. SEASHORE EXPLAINS PSYCHOLOGY OF MUSIC

Tests To Discover Latent Musical Talent Is Discussed by National Authority

"Many of us die with all the music in use" declared Professor C. E. Seashore, nationally known authority on the psychology of music, last Friday afternoon in the Chemistry Amphitheatre before a large group of students when he explained the peculiar characteristics of the musical mind and some methods of detecting it. Dr. Seashore also spoke on some phases of research before the local unit of the American Society for the Advancement of Science on Thursday evening and before the entire faculty on Friday evening.

To have a sense of pitch is one of the most important essentials for the musical mind, and Dr. Seashore demonstrated this to the students, by
