

STUDENTS URGED TO SEND LETTERS TO ABSENT 'DADS'

Suggested Form Given by College Officials for Fathers Not Here Over Week-End

PARENTS ASSOCIATION SHOULD BE EMPHASIZED

Penn State University Idea and Father's Day Should Also Be Described

Was your Dad here for Father's Day? If not, you surely want to tell him about it.

Why not make tonight a letter writing night for Dad, and send him one something like the following:

Dear Dad, you surely did miss a great time here last Saturday. Seven or eight hundred Fathers came up here and had the time of their lives, and you can bet I'm mighty sorry you weren't here.

I have a favor to ask of you, Dad. I want you to join the "POPS," and get Mother in on it, too. No, it is not a fluke organization like the "Sniffers" or the "Pleas," nor a new fraternity, but it is an honest-to-goodness association called "Parents of Penn State."

After you join you will be advised as to whom you can "use up" in the home district. There will be a local organization of "POPS" at or near home.

The purpose of this campaign is not only to raise money for the buildings we need so badly here, but also to create sentiment in favor of the college and the great work it has been doing.

PENN STATE WINS ANNUAL WESTERN INTERCOLLEGIATES

Nittany Stars Place in All But Two Events--Pittsburgh University Takes Second Honors

Placing in all but two of the fifteen events after the afternoon, Penn State's track and field athletes carried off first honors in the annual Western Pennsylvania Interscholastic Meet of the University of Pittsburgh at Schenley Oval last Saturday by scoring a total of 91 points, almost 21 better than the Pitt stars.

Pitt's athletes took second place in the college events with a point score of 70 1-2, Washington and Jefferson being third with 51, Bethany fourth with 22 and Westminster fifth with 11 1-2.

The Nittany hurdlers, Harold Barron, Kaufman and Hile, snatched the laurels in these events with little difficulty.

Larry Shields and Allan Helfrich, Penn State's distance stars, won their

events in remarkably fast time considering the heavy underfooting and unfavorable track conditions. Gerald Allen, Pitt's colored runner, showed his sprinting ability on the home stretch and gave Helfrich a chase to the tape.

In the field events, Grubb won the broad jump for Penn State with a spring of 21 feet 4 1-2 inches, while Styer took first place in the javelin throw, hurling the traditional weapon a distance of 147 feet.

Following is a summary of the various events. 100-yard dash—Won by Zook, Bethany, second, Taylor, Penn State, third, Wakefield, Pitt, fourth, Savers, Penn State, fifth, Grimes, Penn State. Time—1:0 4-5 seconds.
