FARMERS EXPRESS NEED FOR RESEARCH MONEY

(Continued from first page) must be done by the state college heretofore the legislature of Pennsylvania has not appropriated a cent for this all-important service, so declared State Secretary of Agriculture, Rasmussen, in a speech before the representatives at the conference. The representatives comprised not only farmers, dairy-men and stock raisers but men from every department of agriculture in the state, a total of over one hundred attending the meeting.

The members of the conference divided into groups according to their various occupations and then conducted a tour of investigation of every department of Ag. Hill, in which research is necessary. The working and advantages of each department were pointed out by the several heads of departments and the agriculturalists were afterwards asked to formulate a report of their opinions of the condition of research facilities in the School of Agriculture. No special program had been arranged for the investigation, the farmers observing the school exactly as it is every day, and the representatives were unanimous in saying that the research facilities are deplorable. Following is a set of resolutions adopted by each committee and the conference.

"Resolved, that this committee endorses the future development of the Pennsylvania State College to the University and that we pledge individual support to this end.

"Resolved, that this conference endorses the principle of special taxation for the Pennsylvania State College to insure a permanent financial policy for the institution."

Permanent Committee Formed A permanent committee comprising R. H. Garahan of Kingston, chairman, T. D. Hartman, Jr., Pittsburgh, Secretary, and the chairman of the various committees as the body of the permanent committee, was formed. This committee will formulate a general report and set of recommendations in a short time and these will be presented to the Board of Trustees.

PARENTS' ASSOCIATION GROWING RAPIDLY

(Continued from first page) son He wanted more facts about the College. He returned home from Penn State after those two enthusiastic mass meetings a week ago Saturday, and evidently he has stirred up considerably more enthusiasm among his friends, because he wants information and he wants it quickly.

For the information of any boys who want to write home about this Parents Association, the COLLEGIAN gives herewith several extracts from the Constitution which was adopted at the night meeting on May twenty. According to the constitution the object of the association "shall be to promote fraternal feeling among the parents of former, present and future students of The Pennsylvania State College, to facilitate fraternal helpfulness and relations among them, to create a closer relationship between the college and the parents, and to promote the best interests of the college and its students."

It is further set forth in the constitution that membership shall be only one class—active. "To this class there shall be eligible only the parents of former, present and future students of the Pennsylvania State College." That means that your mother is entitled to equal rank and the full membership privileges enjoyed by your father. The nickname of the organization may be the "Pops"—the initials

of the Parents of Penn State—but the "Pops" are going to have a vote, too. Therefore your father does not show an interest in this organization, tell your mother about it!

The annual meeting of the association will be held at State College on Father's Day each year or a date close to that time.

The first officers of the association are President John S. Musser, Harrisburg, Pa.; Vice-President, Judge H. Walton Mitchell, Pittsburgh, Pa.; and Secretary-Treasurer, M. S. McDowell, Old Main, State College, Pa.

Mr. McDowell urges any young men or women students who wish membership blanks and details to call at Room 228, Old Main, and get them. Any other information desired will also be given.

PENN STATE TENNIS TEAM TIES BUCKNELL

(Continued from first page) of whom have been on the team for three years, J. J. Beecher, Paul Clarke, both of whom have played varsity tennis for two years, and G. C. Blitner. After playing W. & J. Pitt, and Westminister, the Allegheny College team will motor to Penn State from Pittsburgh and will meet the Lion on the Army courts at two-thirty o'clock, Memorial Day.

An enthusiastic and large group of spectators watched the Bucknell-Penn State contest, and it is expected that an even larger crowd will witness the Memorial Day clash.

The scores for Saturday's game were as follows: Singles—Captain Lybarger, Bucknell, defeated McVaugh, 6-2, 6-2; McFarland, Bucknell, defeated Shaw, 1-6, 6-0, 6-3; Captain Guthrie, Penn State, defeated Stabler, 6-3, 6-2; Boggs, Penn State, defeated Purnell, 6-3, 6-2; score, Penn State 2, Bucknell 2. Doubles—Captain Lybarger and McFarland, Bucknell, defeated Captain Guthrie and Shaw, 6-2, 6-0; Boggs and Lewis, Penn State, defeated Stabler and Purnell, 6-3, 7-5. Score, Penn State 1, Bucknell 3.

FRESHMEN CLEAN UP IN WEEK-END GAMES

(Continued from first page) the entire fray for the Freshmen and fanned seven of the Wyoming batsmen against four by Beretsist, the Kingston pitcher.

The first three frames of the game were uneventful for either side, each going out in order. In the first of the fourth, the Wyoming diamond men placed their lion marker on the plate when Segal was admitted to the plate on McMillen's error which allowed Harding to get to first.

The Blue and White nine also scored in their half of the fourth when Wise was taken home on an error for the Kingston second baseman Johnson. During the plate and made the final out for the inning when he fanned. Wyoming batsmen went out in order with the exception of three well-scattered hits allowed them by Yost. The fifth round was uneventful for the Penn State diamond men with McMillen, Hagedorn, and East going out in order. In the following inning Woods got to first on an error for Harding but was called out on home by a fielder's choice when Kerstetter grounded to the Wyoming shortstop. The inning ended with the score still tied.

The Lion Cubs pushed their second run across the plate in the seventh frame when McMillen was permitted to score on another fielder's choice which put Johnson out on second, after he had gotten to base on balls off Beretsist. Woods registered the second out of the inning by flying to left field and Fink ended the frame when he was thrown out on first after grounding to third. The final score was 2 to 1.

FRESH WIN FROM KISKI IN NINTH

The most sensational game of the Freshmen schedule was played against the Kiski aggregation on Saturday afternoon when Coach McCollum's proteges came from behind in the final half of the ninth and snatched the game from the Saltburg nines by pushing over five runs.

Hartman, minnistry of the yearling pitching squad, pitched the entire game for the Freshmen and gave one of the best exhibitions of twirling seen on a Freshman team for a number of years. The husky New Castle boy practically won his own game by fanning fourteen of the Kiski batsmen and starting the Fresh's hitting streak in the ninth inning.

Kiski scored two of her four runs in the first frame when Amos drove a homer over the center fielder's head and permitted Gray to score after getting to first on balls off Hartman. The inning was uneventful for the Fresh, as Woods filled to center field and Fink and Kerstetter fanned.

The next two innings were uneventful for the Kiski batsmen with three of the seven up in the two frames retiring after three wild attempts to connect with one of Hartman's deliveries. In the fourth, however, the visitors checked up another marker when Amos scored on Rabinstein's single. The Kiski catcher had singled and was then advanced to second on McMillen's error which permitted Jones to reach first. Mohrton grounded to third and was thrown out at first. Amos advancing to third on the play, Rabinstein then came to the plate and singled, scoring Amos and advancing Jones to third. The inning ended when Howitt struck out and Konold was thrown out at first.

The yearlings were unable to hit in the pinches during the following innings although they had men on bases in the fourth, fifth, sixth, and seventh frames. In the eighth inning, the boys were filled when Yost made the third out by driving a high fly to left field.

Kiski registered their fourth run in the seventh when Konold scored on Gray's hit. The Saltburg pitcher singled and was then advanced to second by Fink's error at second. Wild scribbled and advanced the runner to third. Beares then singled and admitted Konold to the plate. Gray fanned and Amos ended the time on a home run which was thrown out on first after Fink had made a sensational catch of his fly behind first base.

With the score standing 1 to 0, the Penn State Pitch came to bat in the final half of the ninth and scored five runs. Hartman, first on deck, singled and was advanced to second when Woods was hit by a pitched ball. Fink then filled the bases with a neat single and Kerstetter singled and scored Hartman and Woods, bringing in the first two runs for the Freshman nine. Wise also singled, admitting Fink and Kerstetter. With the score tied 4 to 4, Purnell sacrificed to advance Wise to second. Johnson then admitted the visiting second baseman by registering a clean hit over second base. While but one down, the game ended with the score 5 to 1.

AG SCHOOL GETS CHAPTER OF GAMMA SIGMA DELTA

(Continued from first page) search work. The organization elects from the general field of agriculture, botanists, Agricultural Chemists, Bacteriologists, and other associated sciences and Forestry students who are eligible.

Second Time Established Here A former chapter of Gamma Sigma Delta was organized at Penn State in 1908, three years after its founding at Ohio State in 1905. The old organization was discontinued here in 1914 due to the loss of nearly all the faculty members who perpetuate the organization from year to year. A controversy between the original chapter and the various branches over the inclusion of a social organization led to a reorganization under the present name and the exclusion of the Ohio State chapter.

Plans for an organization meeting are being held up pending the arrival of the chapter. The chapter has been notified and is expected to arrive this week. The organization meeting will be conducted by several members in the faculty. The heads of the various departments on Ag. Hill will be admitted as honorary members. The class of 1922 includes twenty-two men enrolled in the School of Agriculture, who rank in the highest fifth of the graduating class and are thereby eligible.

PENN STATE NINE WINS DOUBLE HEADER

(Continued from first page) a triple for Ullery, resulted in five tallies. Aside from a sensational pick-up of a lead ball by Traphagen in the twilight contest, the only fielding feature of the game was a triple play by the Panthers. With the bases full in the eighth innings of the first game, Ludwick smacked the ball to Davies on short, who threw home and caught Beper to first in time to catch the Nittany receiver. During this play, Sparks at short included twenty-two men on the field. Hill, the Panther hurler, hurried the throw to Gahle, who tagged him out and completed the play.

Bedenk and Sparks starred in the batting department of the game for Penn State as each got-six hits in the day's work. Ullery followed a close second with five safe valises, including two doubles and a triple.

DEAN MOORE AND PROFESSOR CHELSEA ATTEND INSTITUTE

Dean Moore, head of the Department of Mines, and Professor W. S. Chelsea, were at Barnboro on Thursday, May twenty-fifth, attending the Mining Institute of the Fifteenth Bituminous Coal District. NITTANY RUNNERS PLACE SEVENTH IN TRACK MEET

(Continued from first page) 5000 ft. field, including James J. Connolly, of Georgetown, Burke, of Harvard, Kirby and Strickler of Cornell, and Crawford, of Lafayette. Crawford got away to an early lead and finished the first lap well in advance of the other runners. His time for this lap was 59 4-5 seconds.

Near the end of the second lap, Connolly climbed into the lead and started out at a terrific clip but could not continue the pace and was passed by all of the runners on the third lap. It was on this lap that Shields began to show his real form and took the lead from his rivals without a great deal of effort and was never headed during the remainder of the race. His time was 4 18 and 4-5 seconds.

Captain Barron, Kauffman and Hill, star Nittany hurdlers, all placed in the preliminary on Friday afternoon. Barron winning his heats in both the high and low hurdling events. Hill won fourth place in the finals on Saturday afternoon, while Barron and Kauffman were disqualified for knocking over the hurdles.

Grubb, Nittany broad jumper and one of the men whose cost of training was counting upon to register a number of points for Penn State, pulled a tendon in the preliminaries on Friday afternoon and was unable to enter the finals on Saturday. Taylor, Grimes and McMahon failed to qualify.

JUNIOR ORATORS LAUDED BY ORVIS

(Continued from first page) work has always been the same, the preparation and delivery of an oration. The decision of the judges has always been based on a fifty per cent rating for composition and a fifty per cent rating for delivery.

Much Interest Shown During the earlier years of the contest the entire Junior Class was compelled to participate. In Judge Orvis' class there were, however, but seven members. As much interest was displayed in the oratoricals as is now shown in athletics. The Old Chapel was crowded to the windows and many people were turned away, while the audience hung on every word of the speaker, said the judge. He compared this with the meagre audience present last April, and are now in much better shape to give the Lion a good tussle than they were earlier in the year.
