"The Fastest Growing Store in State College"

# A Complete Line of TEXT BOOKS and Student Supplies

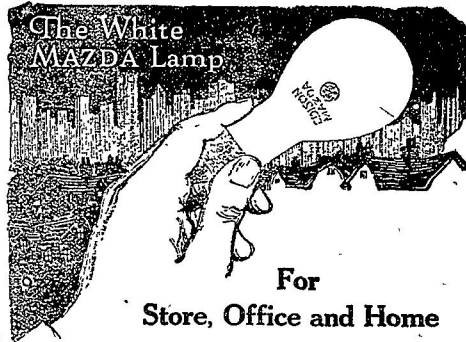

## For the Summer Session

Each Summer Session sees our store larger and better equipped to serve our patrons. Last summer we spent several thousand dollars to change our store front as well as drop the floor to the street level in our Sporting Goods and Tobacco Departments so that our patrons need not climb steps into our store. In a few more years we expect to erect a modern business block at our present quarters, with a front on College Avenue and one on Allen street.

We trust you will find your summer here a most helpful and enjoyable one.

We solicit a share of your patronage because we can grow only with your aid.

Helpful suggestions to improve our store are always welcome. Please report any breach of service to the management.
