## SHAKESPEARE PLAY TO BE PRESENTED

Drama Classes Plan to Give "The Merchant of Venice" during Last Week of Session

Under the direction of Arthur C. Clough, of the summer session faculty, one of Shakespeare's plays "The Merchant of Venice," will be presented by a cast chosen from the summer session student body. The date for the performance has not yet been definitely fixed, but it will be some time during the last week of the eight weeks' term.

The cast, which is being selected this week, will be chosen mostly from the members of the drama classes, especially the class in amateur dramatics. Rehearsals began a few days ago and will continue regularly from now on.

The players for the main parts have already been selected, and the cast so far includes many who have gained quite a reputation in amateur theatricals, especially in some of the summer session plays which have been and are being presented. Mr. P. E. Stanley will portray the character of Shylock, the Jew, and Miss Mildred Davis will act the part of Portia. Mr. Raymond G. Adams has been cast as Antonio, Mr. Austin Blankenslee as Bassanio, Miss Mabel Callahan as Jessica, and Miss Mildred Reynolds as Nerissa. Miss Pauline Angel will play the part of Lancelot.

## AUTO TRIPS PLANNED FOR SUMMER STUDENTS

Summer session students will be interested to know that two automobile trips, which will take in some of the most beautiful mountain and valley scenery in Centre and Huntingdon counties, will be made tomorrow, July 15th, and a week from tomorrow, July 22nd.

Lunch should be taken along. Valuable stops will be made and sufficient time will be given to eat lunch at Liberty Park. The large map in Old Main will give a good idea of what the trips will include. The excursion will start from the side of the Amory at 8 a. m. and return by 5 p. m. For those wishing to go on the excursion tomorrow will place their names at the Summer Session office before five o'clock this afternoon, and those going next week will do the same before five o'clock next Friday afternoon. The number going will be limited to fifty for each trip. The automobile fare is \$4.00. The excursions will be in charge of Professor G. H. Resides.

## CAMPAIGN ORGANIZATION IS SHOWING RESULTS

(Continued from first page)

Penn State University has been heartily approved by large organizations throughout the State. The following bodies have gone on record favoring the university idea, and have passed resolutions to that effect: The Pennsylvania Millers' State Association, Bangor State Association, Greenville Chamber of Commerce, New Brighton Chamber of Commerce, Bangor Board of Trade, Laurel Point Grange of Vandergrift, Reading Rotary Club, Oak-

## SUMMER SESSION PLAYERS TO APPEAR NEXT TUESDAY

(Continued from first page)

difficult role is indeed handled with skillful appreciation of the finer points of human nature. It is upon Brookfield's decision that the story rests. Years before, Brookfield had been in love with the mother of Clay, his devotion for her had been the one dominating passion of his life and the influence of the love of this very good woman had been a monument to the better side of his life. And now when he was old, invisible barriers were swept away and together, the two of them pick up the strings of life where they had lost them so long before. The role of Mrs. Whipple is played by Miss Crick and her interpretation is splendid. She puts genuine feeling in to the lines and is at her best in the second act. In her scene with Justice Prentice, played excellently by Mr. Porterfield, she does professional work. To be sure the love story of the play is about the romance of Clay and Viola, but the real thread of the drama follows the lives of Jack Brookfield and Mrs. Whipple. Mr. Stanley and Miss Crick reach a dramatic height in the first act. The two roles are dramatically intense, and in the hands of these two players they are given their fullest interpretation. Neither should the work of D. H. Porterfield be overlooked. To be sure the part of Justice Prentice is not the most important part in the play, but the way in which Porterfield interprets this splendid role is deserving of the highest commendation. He makes important part which in the hands of a less talented actor might be nothing more than one of the lesser roles of the performance. His work stands out creditably. The scenic effects, which are new and startling, were also conceived by Mr. Porterfield and executed under his direction.

The cast is as follows:—

- Joe ..... S. B. Levy '24
- Jack Brookfield ..... P. D. Stanley '23
- Tom Denning ..... D. D. Mason
- Haley ..... Mr. Rees
- Mrs. Alice Campbell .....
- Katherine Hughes '23
- Helen Whipple ..... Laura E. Crick '23
- Viola ..... Esther Holmes '23
- Clay Whipple ..... R. G. Adams
- Frank Hadmuth ..... Mr. Fitzpatrick
- Lew Dilling ..... Austin Blankenslee '23
- Justice Prentice ..... D. H. Porterfield '23
- Justice Henderson ..... A. C. Clough
- Servant ..... Mr. Schwabe

## DEMONSTRATION SCHOOL PROVES GREAT SUCCESS

(Continued from first page)

fused enrollment in this department. Through the active co-operation between the Department of Education and Psychology and the local schools, many State College children are attending the Demonstration School and receiving expert instruction in order to strengthen their own school work this coming year, or to satisfy conditions earned. Others will attempt to secure advanced standing.

## MCCOY'S POINT IS TOMORROW'S TRIP

View from this Place is Best in County; Mount Nittany Excursion Planned Next

Centre county has many places that are naturally attractive but the grandest view to be obtained anywhere in the county is from Point McCoy on the summit of Bald Eagle Mountains about twenty miles north of State College. The observer looks over long undulating tree-covered mountain ridges. To the south and east can be seen many miles of the Nittany Valley checkered with farms and forests and dotted with buildings, but the attractiveness of the scenery is far exceeded on the north and west by a magnificent view of the Bald Eagle Nittany and the Allegheny Mountains beyond. The view from McCoy's Point is one of the most varied, mountains, hills, valleys, meadows, forests, and streams may all be seen at a glance as one grand panorama of nature.

Those wanting to go on this excursion tomorrow (Saturday) afternoon, July 15th should see the college bulletin boards for further information and leave names at the summer session office not later than 4:30 this (Friday) afternoon.

The excursion for Saturday, July 22nd will be to the State Fish Hatchery and Mount Nittany. One of the attractions of the trip is a huge rock extending high into the air from which a good view can be obtained. Announcement will be made on the college bulletin boards.

In case of very cloudy weather tomorrow, the excursion will be to Mount Nittany and McCoy's Point the following week.

Adelle Grange No. 1758, of Harrisburg, Newport Chamber of Commerce, Mechanics Chamber of Commerce, Standing Stone Grange No. 354, Rotary Club of Phillipsburg, Homestead Chamber of Commerce, New Bethlehem Board of Trade, Sparta Grange No. 110.

A mass meeting to be held in the Auditorium next Monday evening, presided over by Dean W. G. Chambers of the Summer Session, will have as its purpose the informing of those attending the session concerning the movement to have Penn State recognized as the Pennsylvania State University, as the capstone to the public school system of the State. Dean Chambers and Professor George R. Green of the Forestry Department will be the speakers.
