NITTANY ATTACK PUZZLES WILLIAM AND MARY TEAM

Wilson and Singer Show Up Well In Back Field Positions by Consistent Line Bucking

NITTANY MACHINE HELD TWICE BY SOUTHERNERS

"Mike" Palm and Hufford Receive Injuries—Palm May Be Out Several Weeks

Coach Hugo Bezdek's Penn State football team, undefeated on the gridiron last season, continued its march toward the mythical championship of 1922 on New Beaver Field last Saturday afternoon by handing scrappy William and Mary a 25 to 7 defeat.

Contrary to the idea conveyed by the difference in points registered, the game was contested bitterly all the way, and it took the best Penn State had to batter down the fighting Southerners.

The invaders of the north held the Nittany team for downs within the shadows of its goal line. The first was in the opening period after Penn State had marched from its forty yard line to William and Mary's three yard line where the Southerners obtained possession of the ball.

Prospects for a winning team at Penn State this year were given a severe jolt when "Mike" Palm, star Nittany quarterback, was caught out of bounds on the last play of the game and received a badly sprained ankle.

The Penn State team's play was very ragged and fumbling almost cost the game. It did cost a touchdown, for in the first few minutes of play, Wilson fumbled the ball and Hastings, scooping it up, ran fifteen yards for the first six pointer of the game.

MANDOLIN CLUB PLANS ATTRACTIVE PROGRAMS

New Personnel Chosen at Tryouts and Policy Adopted for Coming Year

Fifteen new men were selected from the Freshman and upperclasses at the trials last Wednesday evening for the Mandolin Club.

Since the idea of jazz music has been dropped entirely and mazurkas and overture type taken up, the interest seems to be stronger among the members and it is felt that more benefit will be derived from music of such type.

Though nothing definite has been arranged, there are possibilities of the Club taking several trips over the State this year. Several of the cities in consideration are Harrisburg, Altoona, Pittsburgh, and Lewistown.

The quota of instruments is all filled except guitars, of which as yet there are a few lacking. The officers for the new year are as follows:

- President and Director—Paul Shope '23
Vice-President—Z. M. Fulton '23
Secretary—H. B. Young '23
Manager—J. J. Zorichak '23
Publicity-Manager—W. I. Niskley '23
Asst. Managers—J. G. Fulton '23
G. V. Rustay '23

STUDENT CAMPAIGN HAS RAISED TWO-THIRDS OF QUOTA

Classes Show Keen Rivalry as End of Drive Nears—Seniors Forge to Top

Because it has been found impossible to canvass the entire organization by last Saturday night, the Student Campaign Committee has extended the period for the Student Drive to raise \$300,000 for remodeling Old Main into a Penn State Union into the second week.

The final returns on Saturday evening showed that a total of \$174,540 had been pledged by the students of Penn State since the opening gun of the campaign was fired at the mass meeting just a week ago last night.

The seniors are pushing the two-year class hard for first place and showed a participation of seventy per cent Saturday evening in comparison with the seventy-two per cent participation of the two-year men.

Forward Line and Fullback Positions Need Strengthening—Three Men on Sick List

CALL MADE FOR FROSH AND SOPHS THIS WEEK

With the first game of the soccer season but two weeks distant, Penn State faces the necessity of reorganization among the members of the team.

Three of the Varsity candidates, Gaul, Grupp and Guado, who have put forth a good brand of soccer during practice are laid up on account of injuries which it is thought will keep at least two of them out of practice for some time.

The varsity soccer squad consisting of about twenty-four men held a scrimmage for about forty minutes on the new practice field last Saturday afternoon.
